The Panopticon A Novel:

Panopticon Jenni Fagan, 2019-02-28T00:00:00+01:00 Nella desolata campagna alla periferia di Edimburgo svetta una torre di guardia il Panopticon una struttura circolare con tante piccole celle controllate dall'alto da un occhio invisibile Qui vengono rinchiusi i ragazzi senza speranza i giovani disadattati segnati per sempre da un'infanzia difficile Come Anais Hendricks 15 anni che da quando nata passata da una famiglia all'altra sballottata tra assistenti sociali e genitori adottivi E adesso accusata di aver mandato in coma una poliziotta Al Panopticon non sarà facile sopravvivere Qui si viene spiati giorno e notte studiati come cavie Per non perdere la testa il trucco non pensare non vedere e magari affezionarsi agli strampalati compagni di sventura Oppure inventarsi una meravigliosa realtà parallela Da una scrittrice scozzese di talento l'erede di Irvine Welsh un romanzo spregiudicato e spiazzante pieno di humour e voglia di rivincita con una giovane eroina indimenticabile

The Panopticon Writings Jeremy Bentham, 2020-05-05 The Panopticon project for a model prison obsessed the English philosopher Jeremy Bentham for almost 20 years In the end the project came to nothing the Panopticon was never built But it is precisely this that makes the Panopticon project the best exemplification of Bentham's own theory of fictions according to which non-existent fictitious entities can have all too real effects There is probably no building that has stirred more philosophical controversy than Bentham's Panopticon The Panopticon is not merely as Foucault thought a cruel ingenious cage in which subjects collaborate in their own subjection but much more constructing the Panopticon produces not only a prison but also a god within it The Panopticon is a machine which on assembly is already inhabited by a ghost It is through the Panopticon and the closely related theory of fictions that Bentham has made his greatest impact on modern thought above all on the theory of power The Panopticon writings are frequently cited rarely read This edition contains the complete Panopticon Letters together with selections from Panopticon Postscript I and Fragment on Ontology Bentham's fullest account of fictions A comprehensive introduction by Miran Bozovic explores the place of Panopticon in contemporary theoretical debate
