Zimmerly, 2024-12-20

This collection specifically and solely focuses on Young Adult literature texts where cancer plays a prominent role including widely read texts like John Green's *The Fault in Our Stars* Nicholas Sparks' *A Walk to Remember* and Jesse Andrews' *Me and Earl and the Dying Girl* The chapters present a variety of arguments each developing a novel investigation into how these stories explore the effects cancer has on a person a family or on a relationship As scientific studies continue to develop new understandings of the biology behind cancer and new sociological studies continue to uncover how a cancer diagnosis impacts the fabric of our culture's these collected essays continue to investigate how authors have woven cancer into the stories we write for young people A number of distinct avenues are taken here arguing for new approaches in crafting narrative deeper appreciation for family support networks or their absence and what literary criticism can uncover when applied to cancer narratives *Season of Death* Mark Raphael Baker, 2024-10-22 Mark Raphael Baker was no stranger to death Over seven years he had become a mourner three times over for his first wife for his brother and for his father When diagnosed with pancreatic cancer he began to reflect on their deaths his probable death and on Death as in the words of Ecclesiastes a season that produced a large and bitter harvest for the Baker family Powerful and conflicting emotions assailed him but their destructive power was always defeated by his love of his family and of life which never deserted him even when his spirit was most weary Over the short course of his illness he came to realise that to love both truly he must die as the most authentic version of himself he can achieve It enabled him to die with humbling grace and dignity In *A Season of Death* readers of *The Fiftieth Gate* and *Thirty Days* will rediscover the many forms of Mark's humour his candour and his depth of thought and feeling albeit in a different key as it must be when those virtues reveal themselves in expressions of vulnerability that fend off self-pity There is profound sorrow in this memoir but there is matching joy and much love interwoven by a fine writer and thinker into a story that will deepen one's understanding of life [The Writers Directory](#), 2013 **The Writer**, 1893 *The Book Buyer*, 1904 A review and record of current literature **Advances in Spatial and Temporal Databases** Dieter Pfoser, Yufei Tao, Kyriakos Mouratidis, Mario A.
