The Routledge Companion to Nazi Germany Roderick Stackelberg, 2007-12-12 Combines a narrative overview with chronological bibliographical and tabular information to cover major aspects of Nazi Germany This guide provides a survey of topics such as origins and consolidation of the Nazi regime

Hitler and Nazi Germany Jackson J. Spielvogel, David Redles, 2020-05-05 Hitler and Nazi Germany A History is a brief but comprehensive survey of the Third Reich based on current research findings that provides a balanced approach to the study of Hitler s role in the history of the Third Reich The book considers the economic social and political forces that made possible the rise and development of Nazism the institutional cultural and social life of the Third Reich World War II and the

Holocaust World War II and the Holocaust are presented as logical outcomes of the ideology of Hitler and the Nazi movement This new edition contains more information on the Kaiserreich Imperial Germany as well as Nazi complicity in the Reichstag Fire and increased discussion of consent and dissent during the Nazi attempt to create the ideal Volksgemeinschaft people s community It takes a greater focus on the experiences of ordinary bystanders perpetrators and victims throughout the text includes more discussion of race and space and the final chapter has been completely revised Fully updated the book ensures that students gain a complete and thorough picture of the period and issues Supported by maps images and thoroughly updated bibliographies that offer further reading suggestions for students to take their study further the book offers the perfect overview of Hitler and the Third Reich A/AS Level History for AQA Democracy and Nazism: Germany, 1918-1945 Student Book Nick Pinfield,2015-12-17 A new series of bespoke full coverage resources developed for the AQA 2015 A AS Level History Written for the AQA A AS Level History specifications for first teaching from 2015 this print Student Book covers the Democracy and Nazism Germany 1918 1945 Depth component Completely matched to the new AQA specification this full colour Student Book provides valuable background information to contextualise the period of study Supporting students in developing their critical thinking research and written communication skills it also encourages them to make links between different time periods topics and historical themes **The Coming of the Third Reich** Richard J. Evans,2005-01-25 The definitive account of Hitler s rise to power and the collapse of civilization in Nazi Germany from the author of The Third Reich in Power The Third Reich at War and Hitler s People The clearest and most gripping account I ve read of German life before and during the rise of the Nazis A S Byatt Times Literary Supplement Impressive in its command of an immense literature perceptive in analysis fluent in style and humane in judgment this work could only have been produced by a master historian Sir Ian Kershaw Brilliant Richard Cohen The Washington Post There is no story in twentieth century history more important to understand than Hitler s rise to power and the collapse of civilization in Nazi Germany With The Coming of the Third Reich Richard J Evans one of the world s most distinguished historians has written the definitive account for our time A masterful synthesis of a vast body of scholarly work integrated with important new research and interpretations Evans s history restores drama and contingency to the rise to power of Hitler and the Nazis even as it shows how ready Germany was by the early 1930s for such a takeover to occur The Coming of the Third Reich is a masterwork of the historian s art and the book by which all others on the subject will be judged The Holocaust Paul R. Bartrop,Eve E. Grimm,2024-05-30 A RUSA Outstanding Reference Source 2025 From genocidal campaigns to careful neutrality to valiant lifesaving efforts every country s experience of the Holocaust was different during and immediately following World War II This book profiles 50 nations and territories from around the globe examining how prewar conditions and attitudes toward Jews influenced the trajectory of that place s wartime experience and its role in the Holocaust It also explores the aftermath and lasting impact of the Holocaust in these places Each profile begins with a collection of at a glance

facts about population government leaders wartime status and more All profiles begin with a brief introduction followed by information about the Jewish population in that place the prewar environment wartime experiences and the aftermath of the Holocaust This standardized format makes it easy for readers to find specific information while also helping them place events within the proper historical context A curated selection of further readings at the end of each profile and an end of volume list of books and Internet resources point readers toward materials for additional study While often conceptualized as a single event that happened the same way across all Axis or Axis occupied countries the Holocaust and reactions to it varied widely from country to country In many cases political and economic conditions in the prewar years as well as the degree of anti-Semitism in a nation influenced that country's experience of the Holocaust Even after the war countries experienced the aftermath of the Holocaust in different ways Some places such as Palestine became a beacon for Jewish refugees while others such as Brazil became a hideout for Nazi war criminals

Modernism and Eugenics M. Turda,2010-09-30 Modernism and Eugenics comprehensively explores modern Europe s fixation with eugenic programmes of racial and national purification It convincingly demonstrates that between 1870 and 1940 eugenicists were not only preoccupied with rescuing the individual from the anomie of modernity but equally championed a glorious racial destiny for the nation
