

The
NERUDA CASE

A NOVEL

The Neruda Case

Dave Eggers

The Neruda Case:

The Neruda Case Roberto Ampuero, 2012-06-14 Published for the first time in English an atmospheric brilliant novel from an internationally bestselling literary luminary Roberto Ampuero's novels starring the wonderfully roguish Cayetano Brul are an international sensation In *The Neruda Case* readers are introduced to Cayetano as he takes on his first case as a private eye Set against the fraught political world of pre Pinochet Chile Castro's Cuba and perilous behind the Wall East Berlin this mystery spans countries cultures and political ideas and features one of literature's most beloved figures Pablo Neruda Cayetano meets the poet at a party in Chile in the 1970s The dying Neruda recruits Cayetano to help him solve the last great mystery of his life As Cayetano fumbles around his first case finding it hard to embrace the new inspector identity foisted upon him he begins to learn more about Neruda's hidden agenda Neruda sends him on a whirlwind expedition around the world ending back in Chile where Pinochet's coup plays out against the final revelations of their journey Evocative romantic and full of intrigue Ampuero's novel is both a glimpse into the life of Pablo Neruda as death approaches and a political thriller that unfolds during the fiercely convulsive end of an era

The Neruda Case Roberto Ampuero, 2014 In *The Neruda Case* readers are introduced to Cayetano as he takes on his first case as a private eye Set against the fraught political world of pre Pinochet Chile Castro's Cuba and perilous behind the Wall East Berlin this mystery spans countries cultures and political ideas and features one of literature's most beloved figures Pablo Neruda Cayetano meets the poet at a party in Chile in the 1970s The dying Neruda recruits Cayetano to help him solve the last great mystery of his life As Cayetano fumbles around his first case finding it hard to embrace the new inspector identity foisted upon him he begins to learn more about Neruda's hidden agenda Neruda sends him on a whirlwind expedition around the world ending back in Chile where Pinochet's coup plays out against the final revelations of their journey

Neruda's Sins Hernán Loyola, 2022-06-01 The polemics Pablo Neruda was involved in from the 1930s on are legendary but not even the ferocity of those attacks would lead one to believe that today a half a century after his death he would still be on trial In this consistent and emphatic book the great Nerudian critic Hernan Loyola addresses Neruda's sins the machista the fableteller the rapist the bad husband the bad father the plagiarist the insolent one the abandoner the Stalinist and the bourgeois Loyola's objective is to review and discuss with the greatest amount of intellectual honesty that he can humanly muster as an admiring literary critic and with deep sympathy for his unforgettable friend the most tenacious and disseminated accusations attributed to Pablo Neruda All told this book is an impressive biographical and poetic interpretation of the most salient aspects of the Nobel Laureate's life

Clues: A Journal of Detection, Vol. 41, No. 2 (Fall 2023), 2023-10-26 For over two decades *Clues* has included the best scholarship on mystery and detective fiction With a combination of academic essays and nonfiction book reviews it covers all aspects of mystery and detective fiction material in print television and movies As the only American scholarly journal on mystery fiction *Clues* is essential reading for literature and film students and researchers popular culture aficionados librarians and mystery

authors fans and critics around the globe *A House in St John's Wood* Matthew Spender,2015-10-27 A son's personal exploration of one of the most influential and troubled artistic couples of the twentieth century Stephen Spender and Natasha Litvin *Experimental Chinese Literature* Tong King Lee,2015-04-14 *Experimental Chinese Literature* is the first theoretical account of material poetics from the dual perspectives of translation and technology Focusing on a range of works by contemporary Chinese authors including Hsia Y Chen Li and Xu Bing Tong King Lee explores how experimental writers engage their readers in multimodal reading experiences by turning translation into a method and by exploiting various technologies The key innovation of this book rests with its conceptualisation of translation and technology as spectrums that interact in different ways to create sensuous embodied texts Drawing on a broad range of fields such as literary criticism multimodal studies and translation Tong King Lee advances the notion of the translational text which features transculturality and intersemioticity in its production and reception **A Theology of Criticism** Michael P. Murphy,2008-01-09 A number of critics and scholars argue for the notion of a distinctly Catholic variety of imagination not as a matter of doctrine or even of belief but rather as an artistic sensibility They figure the blend of intellectual emotional spiritual and ethical assumptions that proceed from Catholic belief constitutes a vision of reality that necessarily informs the artist's imaginative expression The notion of a Catholic imagination however has lacked thematic and theological coherence To articulate this intuition is to cross the problematic interdisciplinary borders between theology and literature and although scholars have developed useful methods for undertaking such interdisciplinary border crossings relatively few have been devoted to a serious examination of the theological aesthetic upon which these other aesthetics might hinge In *A Theology of Criticism* Michael Patrick Murphy proposes a new framework to better define the concept of a Catholic imagination He explores the many ways in which the theological work of Hans Urs von Balthasar 1905-1988 can provide the model content and optic for distinguishing this type of imagination from others Since Balthasar views art and literature precisely as theologies Murphy surveys a broad array of poetry drama fiction and film and sets it against central aspects of Balthasar's theological program In doing so Murphy seeks to develop a theology of criticism This interdisciplinary work recovers the legitimate place of a distinct theological imagination in critical theory showing that Balthasar's voice both challenges and complements contemporary developments Murphy also contends that postmodern interpretive methodology with its careful critique of entrenched philosophical assumptions and reiterated codes of meaning is not the threat to theological meaning that many fear On the contrary by juxtaposing postmodern critical methodologies against Balthasar's visionary theological range a space is made available for literary critics and theologians alike More important the critic is provided with the tools to assess challenge and celebrate the theological imagination as it is depicted today *The Palace of Eros* Caro De Robertis,2025-06-03 A bold retelling of the traditional Greek myth of Psyche and Eros through a queer and feminist lens grappling with the complex and thorny questions of how to harness the power of female and queer joy and cultivate freedom

in a world that seeks to cage us *Verses Against the Darkness* Greg Dawes, 2006 *Verses Against the Darkness* offers a new assessment of Pablo Neruda's poetry by looking at the intersection of his aesthetic method and political radicalism from 1925 to 1954. It challenges the canonical view that Neruda was a gifted verse maker who in 1936 let himself be carried away by the excesses of communist politics. Instead, by focusing primarily on Tercera residencia 1935-1945, Greg Dawes argues for an uneven yet steady evolution and continuity in Neruda's work, politics, and morality. Dawes relies on historical accounts, biographies, literary history, and criticism, and on Neruda's political and aesthetic theory to prove that his poetry became contrary to received critical opinion, more sophisticated literarily and politically, as he became more radicalized during the Spanish Civil War and World War II and as he developed his dialectical realism or guided spontaneity. Greg Dawes is Associate Professor of Latin American and World Literatures at North Carolina State University and is the editor of the online journal *A contracorriente*.

Historical Dictionary of the Dirty Wars David Kohut, Olga Vilella, 2016-11-16 The *Historical Dictionary of the Dirty Wars* covers the period 1954-1990 in South America when authoritarian regimes waged war on subversion, both real and imagined. The term "dirty war" (*guerra sucia*) though originally associated with the military dictatorship in Argentina from 1976 to 1983, has since been applied to neighboring dictatorships in Paraguay (1954-1989), Brazil (1964-1985), Bolivia (1971-1981), Uruguay (1973-1985), and Chile (1973-1990). Although the concept is by no means peculiar to Latin America, the term has become a byword for state-sponsored repression anywhere in the world; these regimes were among its most notorious practitioners. In the mid-1970s they joined forces along with Ecuador and Peru to create Operation Condor, a top-secret network of military dictatorships that kidnapped, tortured, and disappeared one another's political opponents. Their death squads operated both nationally and internationally, sometimes beyond the region. This third edition of *Historical Dictionary of the Dirty Wars* contains a chronology, an introduction, appendixes, and an extensive bibliography. The dictionary section has over 400 cross-referenced entries on the countries themselves, guerrilla and political movements that provoked though by no means exonerated governmental reaction, leading guerrilla, human rights, military, and political figures, local, regional, and international human rights organizations, expressions of cultural resistance, art, film, literature, music, and theater, and artistic figures, filmmakers, novelists, and playwrights whose works attempted to represent or resist the period of repression. This book is an excellent access point for students, researchers, and anyone wanting to know more about the dirty wars of South America.

The President and the Frog Carolina De Robertis, 2022-10-18 A sublime and gripping novel about hope that within the world's messy pain there is still room for transformation and healing. Madeline Miller, New York Times bestselling author of *Circe*, from the acclaimed author of *Cantoras*. In the president's excruciating and sometimes humorous encounters with his strangely healing frog, De Robertis daringly invites us to imagine a man's Promethean struggle to wrest control of his broken psyche under the most dire circumstances possible. *The New York Times Book Review*: At his modest home on the edge of town, the former president of an unnamed Latin American country receives a journalist in his famed

gardens to discuss his legacy and the dire circumstances that threaten democracy around the globe Once known as the Poorest President in the World his reputation is the stuff of myth a former guerilla who was jailed for inciting revolution before becoming the face of justice human rights and selflessness for his nation Now as he talks to the journalist he wonders if he should reveal the strange secret of his imprisonment while held in brutal solitary confinement he survived in part by discussing revolution the quest for dignity and what it means to love a country with the only creature who ever spoke back a loud mouth frog As engrossing as it is innovative vivid moving and full of wit and humor The President and the Frog explores the resilience of the human spirit and what is possible when danger looms Ferrying us between a grim jail cell and the president's lush gardens the tale reaches beyond all borders and invites us to reimagine what it means to lead to dare and to dream

My Name is Radha Saadat Hasan Manto, 2016-07-27 A bohemian and an iconoclast the figure of Saadat Hasan Manto looms large over the literature of the Indian subcontinent We know of his stories on the horrors of Partition and the struggles of prostitutes But neither Partition nor prostitution gave birth to the genius of Manto They only furnished him with an occasion to reveal the truth of the human condition My Name Is Radha is a path breaking edition of stories which delves deep into Manto's creative world and refreshingly brings into focus Manto the writer rather than Manto the commentator Muhammad Umar Memon's inspired selection of Manto's best known stories along with those less talked about and his precise and elegant translation showcase an astonishing writer being true to his calling The undisputed master of the modern Indian short story Salman Rushdie An errant genius The Hindu *McSweeney's Issue 46* Dave Eggers, 2014-05-20 In thirteen electrifying stories our very first all Latin American issue takes on the crime story as a starting point and expands to explore contemporary life from every angle swinging from secret Venezuelan prisons to Uruguayan resorts to blood drenched bedrooms in Mexico and Peru and even briefly to Epcot Center and the Havana home of a Cuban transsexual named Amy Winehouse Featuring contemporary writers from ten different countries including Alejandro Zambra Juan Pablo Villalobos Andres Ressa Colino Mariana Enriquez and many more McSweeney's 46 offers an essential cross section of the troubles and temptations confronting the region today It's crucial reading for anyone interested in the shifting topography of Latin American literature and Latin American life and a collection of writing to rival anything we've assembled in years **Count**

on Me Las Comadres Para Las Americas, 2012-09-04 A collection of stories by twelve prominent Latina authors exploring how strong friendships have helped them overcome obstacles in their lives *The Contemporary Spanish-American Novel* Will H. Corral, Juan E. De Castro, Nicholas Birns, 2013-09-26 The Contemporary Spanish American Novel provides an accessible introduction to an important World literature While many of the authors covered Aira Bola o Castellanos Moya V squez are gaining an increasing readership in English and are frequently taught there is sparse criticism in English beyond book reviews This book provides the guidance necessary for a more sophisticated and contextualized understanding of these authors and their works Underestimated or unfamiliar Spanish American novels and novelists are introduced through

conceptually rigorous essays Sections on each writer include the author's reception in their native country Spanish America and Spain biographical history a critical examination of their work including key themes and conceptual concerns translation history scholarly reception The Contemporary Spanish American Novel offers an authoritative guide to a rich and varied novelistic tradition It covers all demographic areas including United States Latino authors in exploring the diversity of this literature and its major themes such as exile migration and gender representation *Atacama* Carmen

Rodríguez,2021-09-11T00:00:00Z Firmly rooted in historical events *Atacama* tells the story of Manuel Garay the son of a communist miner union leader and an anarchist organizer of working class women and Luc a C spedes the daughter of a fascist army officer and a socialite A fateful turn of events leads to twelve year old Luc a befriending twelve year old Manuel inextricably connecting them to a common denominator Luc a's adoring father and the perpetrator of the heinous crimes that have caused both children immeasurable suffering Manuel and Luc a forge a friendship that grows as they come of age and realize that their lives are not only linked by Ernesto C spedes actions but also by a deep understanding of the other's emotional predicaments their commitment to social justice and their belief in the power of writing and art Set in the first half of the twentieth century but resonating loudly with today's changing times beautifully crafted *Atacama* covers themes related to class gender trauma survival and the role of art in society Studies in Forensic Biohistory Christopher M.

Stojanowski,William N. Duncan,2017-01-05 Highlights the role of anthropologists in revealing the histories and contemporary social facts that are reflected in dead bodies The Mapuche in Modern Chile Joanna Crow,2013-01-20 The Mapuche are the most numerous most vocal and most politically involved indigenous people in modern Chile Their ongoing struggles against oppression have led to increasing national and international visibility but few books provide deep historical perspective on their engagement with contemporary political developments Building on widespread scholarly debates about identity history and memory Joanna Crow traces the complex dynamic relationship between the Mapuche and the Chilean state from the military occupation of Mapuche territory during the second half of the nineteenth century through to the present day She maps out key shifts in this relationship as well as the intriguing continuities Presenting the Mapuche as more than mere victims this book seeks to better understand the lived experiences of Mapuche people in all their diversity Drawing upon a wide range of primary documents including published literary and academic texts Mapuche testimonies art and music newspapers and parliamentary debates Crow gives voice to political activists from both the left and the right She also highlights the growing urban Mapuche population Crow's focus on cultural and intellectual production allows her to lead the reader far beyond the standard narrative of repression and resistance revealing just how contested Mapuche and Chilean histories are This ambitious and revisionist work provides fresh information and perspectives that will change how we view indigenous state relations in Chile **A Companion to Latin American Literature and Culture** Sara

Castro-Klaren,2022-06-01 Cutting edge and insightful discussions of Latin American literature and culture In the newly

revised second edition of *A Companion to Latin American Literature and Culture* Sara Castro Klaren delivers an eclectic and revealing set of discussions on Latin American culture and literature by scholars at the cutting edge of their respective fields. The included essays, whether they are written from the perspective of historiography, affect theory, decolonial approaches, or human rights, introduce readers to topics like gaucho literature, postcolonial writing in the Andes, and baroque art while pointing to future work on the issues raised. This work engages with anthropology, history, individual memory, testimonio, and environmental studies. It also explores a thorough introduction to topics of coloniality, including the mapping of the pre-Columbian Americas and colonial religiosity. Comprehensive explorations of the emergence of national communities in New Imperial coordinates, including discussions of the Muisca and Mayan cultures. Practical discussions of global and local perspectives in Latin American literature, including explorations of Latin American photography and cultural modalities and cross-cultural connections. In-depth examinations of uncharted topics in Latin American literature and culture, including discussions of femicide and feminist performances and eco-perspectives. Perfect for students in undergraduate and graduate courses tackling Latin American literature and culture topics. *A Companion to Latin American Literature and Culture*, Second Edition, will also earn a place in the libraries of members of the general public and PhD students interested in Latin American literature and culture.

Poets and Poems Harold Bloom, 2009. Presents a compilation of Bloom's introductions to the Modern critical views and Modern critical interpretations series of books focusing on poets and poems.
