The Nine Pillars Of Wisdom:

The Nine Pillars of Wisdom Jean-Pierre Maurice, 2013-04-15 To be a little wiser To know what we want from life and to get it To find happiness These ordinary honest aspirations often remain unfulfilled usually because we don't know which path to follow which cards to play but also because we don't truly believe in ourselves So which thread should we follow to lead us out of the labyrinth For Jean Pierre Maurice the answer is to draw inspiration from those who came before us the words and ideas they left behind those truths that have come down to us through the ages From Epicurus to Abraham Lincoln from Socrates to Aimé Césaire you will find here many words that have the power to transform your life to redefine the way you look at the world Accompanied by the author this book will teach you the nine fundamental rules that will enable you to find serenity The keys to success and happiness are not something that can be invented They've existed throughout history in the form of proverbs maxims aphorisms And here the author of *The Nine Pillars of Wisdom* rekindles them in a work that invites meditation reflection and self examination There are no soothing or bombastic speeches in this book only examples from life and phrases that signpost life and how to live it You will love reading *The Nine Pillars of Wisdom* **Nine Pillars of**
