Wold,2000 **Heath Social Studies: The world today** ,1987 Blood, Powder, and Residue Beth A. Bechky,2021-01-19 A rare behind the scenes look at the work of forensic scientists The findings of forensic science from DNA profiles and chemical identifications of illegal drugs to comparisons of bullets fingerprints and shoeprints are widely used in police investigations and courtroom proceedings While we recognize the significance of this evidence for criminal justice the actual work of forensic scientists is rarely examined and largely misunderstood Blood Powder and Residue goes inside a metropolitan crime laboratory to shed light on the complex social forces that underlie the analysis of forensic evidence Drawing on eighteen months of rigorous fieldwork in a crime lab of a major metro area Beth Bechky tells the stories of the forensic scientists who struggle to deliver unbiased science while under intense pressure from adversarial lawyers escalating standards of evidence and critical public scrutiny Bechky brings to life the daily challenges these scientists face from the painstaking screening and testing of evidence to making communal decisions about writing up the lab report all while worrying about attorneys asking them uninformed

questions in court She shows how the work of forensic scientists is fraught with the tensions of serving justice constantly having to anticipate the expectations of the world of law and the assumptions of the public while also staying true to their scientific ideals Blood Powder and Residue offers a vivid and sometimes harrowing picture of the lives of highly trained experts tasked with translating their knowledge for others who depend on it to deliver justice *Our Social World* Jeanne H. Ballantine, Keith A. Roberts, 2009-11-20 *Our Social World* Introduction to Sociology Brief Edition introduces the discipline of sociology to the contemporary student and provides an integrated comprehensible framework from which to view the world in a concise format In each chapter authors Jeanne H Ballantine and Keith A Roberts provide an organizing theme that is not exclusively tied to one theoretical paradigm to help students see relationships between topics *Our Social World* presents the perspective of students living in the larger global world Features of this brief edition Offers a strong global focus A global perspective is integrated into each chapter to encourage students to think of global society as a logical extension of their own micro world Deep Learning Approach Encourages Students to think critically about the social World Presents The Social World Model in each chapter This organizing framework helps students understand the interrelatedness of core concepts
