A Deep Dive Into Scripture

# Son Of Man

## Son Of Man:

The Expression Son of Man and the Development of Christology Mogens Mueller, 2014-10-20 Son of Man is practically the only self designation employed by Jesus himself in the gospels but is used in such a way that no hint is left of any particular theological significance Still during the first many centuries of the church the expression as it was reused was given content first literally as signifying Christ's human nature Later Son of Man was thought to be a christological title in its own right Today many scholars are inclined to think that in an original Aramaic of an historical Jesus it was little more than a rhetorical circumlocution referring to the one speaking Mogens Mueller's The Expression Son of Man and the Development of Christology A History of Interpretation is the first study of the Son of Man trope which traces the history of interpretation from the Apostolic Fathers to the present concluding that the various interpretations of this phrase reflect little more than the various doctrinal assumptions held by its interpreters over centuries **"Son of Man"** Richard Bauckham, 2023-07-25 Who is the Son of Man In pre Christian Jewish writings Son of Man was not a title and it certainly did not indicate divinity It was simply an expression for a man Yet the term has held considerable interest among scholars of Christology for its use in describing Jesus in the gospels And among those studying messianism in Second Temple Judaism consensus about the valences of Son of Man in Scripture remains elusive In the first volume of this landmark study Richard Bauckham pushes the conversation forward explicating the phrase Son of Man as it appears in Jewish interpretations of the book of Daniel and in the apocryphal book of 1 Enoch With philological precision and sensitivity to his sources Bauckham attunes us to the realities of early Jewish eschatology Thorough and comprehensive Son of Man vol 1 offers scholars a solid basis for understanding the context of the messiah in the centuries leading up to Jesus Along with the forthcoming second volume which parses the meaning of Son of Man in the Gospels Bauckham's work is essential for understanding one of the most widely used yet misunderstood phrases in the Bible Jesus, Son of Man Barnabas Lindars, 1984 Son of Man Alexander Men, 1998 Fr Men's major work on the history of Christianity Written over a period of 40 years as part of an 8 volume series on the history of religion Christ's life described through the Gospels and Epistles **"The Son of Man" as the Son of God** Seyoon Kim, 2011-07-20 *The Son of Man* Said R. **The Son of Man in Myth and History** Frederick Houk Borsch,2007-03-01 Borsch has not answered all the questions of course Who can But his view of the Man tradition makes more sense to me than for example Perrin s rather cavalier dismissal of the evidence and it not only enlightens but also enlivens the discussion As against the extreme skeptics Borsch is also convincing to me in arguing the case for a large measure of authenticity in the Son of man tradition in the Gospels If the proof of the pudding is in the eating the book constantly calls me back to its pages for insight regarding the problem both in its historical dimension and in its bearing upon the meaning of Jesus of Nazareth for faith today Theology The author is well aware of the difficulties involved in entering a field wherein so much investigation has been done And of this with the positive and negative conclusions he gives an excellent survey crisp and critical The lines opened up will engage the attention of a new and more positive chapter in the form critical argument London Quarterly and Holborn Review

Who is this son of man? Larry W. Hurtado,Paul L. Owen,2011-03-17 This book is the first ever collection of scholarly essays in English devoted specifically to the theme of the expression son of man It describes the major competing theories which have addressed questions such as What is the original Aramaic expression which lies behind the Greek phrase and what was its original connotation How do the gospel writers use the expression son of man Is it a Christological title pregnant with meaning much like the titles son of God Christ Messiah and son of David Is it used as a way of designating Jesus as a human being of unique redemptive significance Or does it rather originate in a nuanced use obscured in Greek translation of an Aramaic expression used in place of the first person pronoun as an indefinite pronoun or for generic statements about human beings Larry Hurtado and Paul Owen have brought together contributing scholars on the basis of their expertise in Aramaic historical Jesus research the son of man debate itself and related fields of research

The Solution to the 'Son of Man' Problem Maurice Casey,2009-09-01 The opening chapter surveys the history of scholarship regarding the problematic use of the phrase son of man in the New Testament It also explains why this problem could not be solved until recently Casey then presents the relevant Aramaic evidence He offers a careful discussion of the use of the Aramaic term son of man in the light of over 30 examples of the use of this term by speakers who are referring to themselves Chapters 4 9 discuss authentic examples of this idiom in the teaching of Jesus with Aramaic reconstructions of each saying All but one of these sayings is found in Mark or Q There is then a full discussion of secondary sayings in the Synoptic Gospels The first ones dependent on Daniel 7 13 belong to

the earliest Gospel which also contains the results of translating genuine sayings of Jesus from Aramaic into Greek There is a discussion of the transition process between authentic Aramaic sayings of Jesus and Greek son of man sayings in the synoptic Gospels This argument builds on work in the field of translation studies and the work of ancient translators especially of the Septuagint Casey argues that Gospel translators deliberately translated both literally and creatively to produce a new Christological title It is this tradition that is evident in the Fourth Gospel its son of man sayings fit perfectly into Johannine theology The final chapter draws together a complete solution to this difficult problem The Son of Man Gross

Alexander,1899 *The Son of Man in the Teaching of Jesus* A. J. B. Higgins,2005-08-22 This study concludes that the concept of the Son of Man originated in the Jesus preaching **The Son of Man** Chrys C. Caragounis,2011-08-25

**Jesus, Son of Man** Barnabas Lindars,1983 **The Son of Man in Mark** Morna D. Hooker,1967-01-01 It is essential to understand the origin meaning and use of the term Son of Man if the Gospels are to be intelligently interpreted but no phrase has in recent years caused so much scholarly debate and division of opinion Dr Hooker studies the term and concepts associated with it in the Old Testament in I Enoch and in other inter testamental literature and then examines the Marcan occurrences in the context of the Gospel as a whole finding a coherent pattern throughout in term of which each occurrence has its proper relevance The book thus offers a challenge to the present trend of interpretation which has recently been strengthened by the studies of A J B Higgins and H E T dt but its conclusions are reached without conservative presuppositions and with a thorough study of the evidence The importance of this book for New Testament studies is assured

**The Son of Man Debate** Delbert Burkett,2000-01-13 The expression Son of Man used in the Gospels almost exclusively by Jesus has been the object of intensive study since the Protestant Reformation yet scholars have come to no agreement on its origin or meaning Research in this area has been described as a veritable mine field and a can of worms Because of the scope and complexity of the literature no comprehensive survey of the subject has been written in the twentieth century Delbert Burkett s book fills this need It provides a comprehensive historical overview of the debate from the patristic period to 1996 and gives an evaluation of that research and a summation of the present state of the question Burkett concludes that despite nineteen centuries of Son of Man study there is no consensus concerning the meaning or origin of the expression the debate is therefore a prime example of the limits of New Testament scholarship **The Son of Man Glorified** Jeff

Reintgen,2012-11-30 John 13 3132 So when he had gone out Jesus said Now the Son of Man is glorified and God is glorified in Him If God is glorified in Him God will also glorify Him in Himself and glorify Him immediately Jesus Christ the second Adam the Son of Man glorified God by His obedience to the cross This work of redemption is the basis by which all the counsels of God are accomplished All that God does for man all that He works out on mankind's behalf has its foundation upon the death of the Son of Man God will eventually gather all things in heaven and on earth into the raised and glorified Christ God will be glorified in all that He does and He has exalted the resurrected Son of Man to His right hand in glory This

is where it begins When this Man had finished His work He forever sat down in regards to a completed redemption Heb 10 12 From this point all Gods counsels begin to unfold If the believer will read this book and ask the Spirit of God to teach you you will never be the same All of Scripture will open up to you The believer has been given the Spirit of God that you may know all these things and you have the mind of Christ I Cor 2 12 16 Now the Son of Man is glorified The Message of the Son of Man Edwin Abbott Abbott,1909 Daniel's Son of Man in Mark Robert Stirling Snow,2016-10-21 Through the use of current intertextual methods and narrative criticism this book offers a fresh examination of the Son of Man in Mark developing the conclusions of Morna Hooker s 1967 work *The Son of Man in Mark A Study of the Background of the Term Son of Man and Its Use in St Mark s Gospel* Contrary to recent scholarship that argues Mark s Son of Man does not make any thematic or christological contribution to the Gospel and or that the OT background of the Son of Man phrase is irrelevant this work demonstrates that the Son of Man when examined in light of Daniel 7 advances one of Mark s major themes the transition of the locus of Yahweh s saving presence from the Jerusalem temple to a new covenant community that is not only founded on the Son of Man s sacrificial death but also is vindicated at his coming in the heavenly temple *The Son of Man in the Gospel of John* J. Harold Ellens,2010 In this monograph the focus is on the Son of Man in the Gospel of John There is nothing of the Ezekiel tradition in John but Daniel s heavenly Son of Man is evident in the mind of this Gospel s author who envisages him as divine of heavenly origin Indeed in John the Son of Man is the divine Logos God s revelation of himself As against the Enochic and Synoptic Son of Man the Johannine Son of Man is not a human being who is exalted to heaven and who will come again as the final Judge He is a divine figure who descends to earth to remove evil now by forgiving sins and by establishing God s universal reign J Harold Ellens is Research Scholar Department of Near Eastern Studies University of Michigan Ann Arbor Michigan The Son of Man as the Last Adam Yongbom Lee,2012-07-01 Most New Testament scholars today agree that Jesus used an enigmatic self designation bar nasha the Son of Man translated into Greek as ho huios tou anthropou in the Synoptic Gospels In contrast Paul the earliest New Testament writer nowhere mentions the phrase in his letters Does this indicate that the Gospel writers simply misunderstood the generic sense of the Aramaic idiom and used it as a christological title in connection with Daniel 7 as some scholars claim Paul demonstrates explicit and sophisticated Adam Christology in Romans 5 and 1 Corinthians 15 In contrast there is no real equivalent in the Synoptic Gospels Does this indicate that Adam Christology in Romans 5 and 1 Corinthians 15 was essentially a Pauline invention to which the Evangelists were oblivious In this study Yongbom Lee argues that in addition to the Old Testament contemporary Jewish exegetical traditions and his Damascus Christophany Paul uses the early church tradition in particular its implicit primitive Adam Jesus typology and the Son of Man saying traditions reflected in the Synoptic Gospels as a source of his Adam Christology
