

A close-up, black and white photograph of a woman's face, looking slightly to the left. She has dark hair and is wearing bright red lipstick. Her face is partially in shadow. In the background, there is a faint, dark, sketch-like image of a city skyline. Overlaid on the right side of the image is a pair of silver handcuffs with a yellow police badge attached to them. The badge has a star in the center and some text, though it is not clearly legible.

Some Enchanted Noir:

An Enchanted Valley Edward Harper, 2005-03 An Enchanted Valley is a wonderfully vivid trip through rural France with author Edward Harper and his cultural historian lover as they search for peace tranquility and beauty We had been in the village for six years now The house was finished We knew every nook and cranny of the area within a twenty mile radius The ebb and flow of the village had become a part of our lives each summer The ten year old daughter of the lascivious school teacher had bloomed into a voluptuous teenager whose boyfriends roared into the village on scooters Maurin s little dog no longer appeared on our doorsteps as his house stood shuttered and empty the center of a vicious fight over the inheritance But much remained the same Every year the chatelain celebrated his birthday with a picnic and barbecue on the edges of his exotic forest An immense pig was roasted over a pit and more than a hundred people attended a mixture of his military comrades including the retired colonel of the regiment and some aging but still menacing looking paratroopers in their red berets Gallons of Burdic in unmarked bottles chilled in ice filled barrels stood next to tables with great washtubs of salad and gardianne the superb spiced stew of the region Dante Club and the Problem with Jane T. T. Thomas, 2023-12-15 It s a bit late for Dante Club to be wondering Was it wise to accept an AI bodyguard from his ex lover Almost nobody knows that Dante Club a highly sought after intelligence agency consultant secretly moonlights as a reluctant assassin Fueled by grief and a thirst for revenge Dante takes on a contract to eliminate the man he believes is responsible for the death of his sister and niece But his bodyguard Jane el Hammadi is in serious need of an attitude adjustment and he sends Jane back to the brilliant Dr Celia Fang for a much needed alignment And then things get awkward Fate and the NSA intervene giving Dante and his investigative team the cohesion they need for an assignment that takes them into the complex matrix of international organized crime Humanity collides with homicide on the dark enigmatic streets of Los Angeles where the line between morality and immorality is as thin and sharp as a fresh razor in a pile of cocaine And then the stars come out in Hollywood

Signs of the Signs William Brevda, 2011-05-16 This book is a study of signs in American literature and culture It is mainly about electric signs but also deals with non electric signs and related phenomena such as movie sets The sign is considered in both the architectural and semiotic senses of the word It is argued that the drama and spectacle of the electric sign called attention to the semiotic implications of the sign In fiction poetry and commentary the electric sign became a sign of manifold meanings that this book explores a sign of the city a sign of America a sign of the twentieth century a sign of modernism a sign of postmodernism a sign of noir a sign of naturalism a sign of the beats a sign of signs systems the Bible to Broadway a sign of tropes the Great White way to the neon jungle a sign of the writers themselves a sign of the sign itself If Moby Dick is the great American novel then it is also the great American novel about signs as the prologue maintains The chapters that follow demonstrate that the sign is indeed a sign of American literature After the electric sign was invented it influenced Stephen Crane to become a nightlight impressionist and Theodore Dreiser to make the fire sign his metaphor for the city An

entertainment and children's activities A Cultural History of Fairy Tales in the Long Eighteenth Century Anne E. Duggan, 2021-07-15 How have fairy tales from around the world changed over the centuries? What do they tell us about different cultures and societies? This volume traces the evolution of the genre over the period known as the long eighteenth century. It explores key developments including the French fairy tale vogue of the 1690s dominated by women authors including Marie Catherine d'Aulnoy and Marie Jeanne Leconte de Lisle; the fashion of the oriental tale in the early eighteenth century launched by Antoine Galland's seminal translation of *The Thousand and One Nights* from Arabic into French; and the birth of European children's literature in the second half of the eighteenth century. Drawing together contributions from an international range of scholars in history, literature, and cultural studies, this volume examines the intersections between diverse national tale traditions through different critical perspectives, producing an authoritative transnational history of the genre. An essential resource for researchers, scholars, and students of literature, history, and cultural studies, this book explores such themes and topics as forms of the marvelous, adaptation, gender and sexuality, humans and non-humans, monsters, and the monstrous spaces, socialization, and power. *A Cultural History of Fairy Tales* 6-volume set *A Cultural History of Fairy Tales in Antiquity* is also available as a part of a 6-volume set *A Cultural History of Fairy Tales* tracing fairy tales from antiquity to the present day, available in print or within a fully searchable digital library accessible through institutions by annual subscription or on perpetual access. See www.bloomsburyculturalhistory.com. Individual volumes for academics and researchers interested in specific historical periods are also available digitally via www.bloomsburycollections.com.

Nocino Noir Traci Andrighetti, 2024-07-23 Franki's coffee shop noir is a hard nut to crack. It's a slow, steamy summer in New Orleans' French Quarter, but Franki Amato is busy planning her bridal shower that is until a hit and run outside a coffee shop gets her PI senses percolating. The victim is linked to crimes at a fancy society wedding in a haunted hotel where Franki's fiancé's family is staying. As for the java joint, it's straight out of a hardboiled detective movie, and there's something hinky about its walnut liqueur coffee. Franki's Sicilian nonna says the macabre events are proof the malocchio has been cast on her impending marriage, and to her utter surprise, her future grandmother-in-law also suspects the evil eye. To save her wedding and solve the case, Franki must investigate some shady places: from a witch shop and bridal swap to a shack in the swamp. She has to uncover the identities of a femme fatale and a jewel thief and unravel the meaning of a deadly delivery. If she doesn't, this noir mystery could turn Grimm fairy tale. *Nocino Noir* is book 9 in the *Franki Amato Mysteries*, but it can be read as a standalone story. From Tinseltown to Bordertown Celestino Deleyto,2017-04-03 Close readings that look for the real Los Angeles in a selection of contemporary movies Los Angeles is a global metropolis whose history and social narrative is linked to one of its top exports cinema L A appears on screen more than almost any city since Hollywood and is home to the American film industry Historically conversations of social and racial homogeneity have dominated the construction of Los Angeles as a cosmopolitan city with Hollywood films largely contributing to this image At the same time the city is also known for its steady immigration social inequalities and exclusionary urban practices not dissimilar to any other borderland in the world The Spanish names and sounds within the city are paradoxical in relation to the striking invisibility of its Hispanic residents at many economic social and political levels given their vast numbers Additionally the impact of the 1992 Los Angeles riots left the city raw yet brought about changing discourses and provided Hollywood with the opportunity to rebrand its hometown by projecting to the world a new image in which social uniformity is challenged by diversity It is for this reason

that author Celestino Deleyto decided to take a closer look at how the quintessential cinematic city contributes to the ongoing creation of its own representation on the screen From Tinseltown to Bordertown Los Angeles on Film starts from the theoretical premise that place matters Deleyto sees film as predominantly a spatial system and argues that the space of film and the space of reality are closely intertwined in complex ways and that we should acknowledge the potential of cinema to intervene in the historical process of the construction of urban space as well as its ability to record place The author asks to what extent this is also the city that is being constructed by contemporary movies From Tinseltown to Bordertown offers a unique combination of urban cultural and border theory as well as the author s direct observation and experience of the city s social and human geography with close readings of a selection of films such as Falling Down White Men Can t Jump and Collateral Through these textual analyses Deleyto tries to situate filmic narratives of Los Angeles within the city itself and find a sense of the real place in their fictional fabrications While in a certain sense Los Angeles movies continue to exist within the rather exclusive boundaries of Tinseltown the special borderliness of the city is becoming more and more evident in cinematic stories Deleyto s monograph is a fascinating case study on one of the United States most enigmatic cities Film scholars with an interest in history and place will appreciate this book
