Catherine Banks, This collection contains two novels and five novellas including Daughter of Lions The Last Werewolf Lady Serra and the Draconian Lynx Sybil Deceived and Of Sky and Sea Daughter of Lions Being a teenager is hard enough but when your dad is an Alpha werelion it complicates matters even more Victoria doesn't feel like she fully fits in anywhere and things become more unsteady when she meets the new werelion in her dad's pride Brandon Is there a way she can alter her genes to gain the ability to shift or will she learn to accept who she is The Last Werewolf My name is Lily and I'm the last werewolf In a world where vampires lay claim to everything Lily is the last of her kind It used to be her and her brother until a mysterious hunter tracked them down Only Lily survived It's enough of a struggle trying to fit into society with no pack and hiding what she really is so when The Hunter who murdered her brother comes to town catastrophe is sure to follow The only barrier between her and certain death is Irving a mage who discovers her secret and offers to keep her safe But why when it's at such a great risk to him Irving has his own set of secrets and if either of them want to make it out alive they have to work together Lily will need all the help she can get for when The Hunter comes knocking Lady Serra and the Draconian Serra's life has been planned out for her since her conception Attend the Elite school Brevard marry the Marquess Barnaby and produce heirs She wanted none of that but with no choice in the matter she had resigned herself to her fate Until Hadyn the brooding hot ace of Brevard starts talking to her and trying to convince her that she is capable of much more Can she escape the clutches of the Elite society or will her life be defined by how many heirs she can produce Lynx Crazy is something Alyssa is used to but a magical realm with vampires centaurs and evil queens is too much even for her Escaping the orphanage Alyssa thinks she's setting out for a new life A strange thunderstorm transports her and dozens of others to another dimension and Alyssa must learn to survive in this new world After escaping from the evil queen who treats the humans as slaves vampires after her blood and witches out for her head she puts her trust in a lynx The lynx seems as smart as a human and trustworthy but her options are limited in this world of magic When the lynx gives itself up to the queen to save her Alyssa is determined to train and rescue him But complacency will get you killed here just like trusting the wrong people can Sybil Deceived As Princess of the Fairies of the Northern Troupe Sybil is expected to learn about the various trades However none expected her to take such an interest in the warriors and wish to wield a sword She never expected to catch the eye of the commander of the warriors the most sought after male in the Troupe Her activities earn the dismayed

looks of many but Sybil isn't one to turn her back on where her heart lies The disapproval she's earned proves to be deadly and the person responsible is likely closer to her than she could have ever expected Of Sky and Sea After an intense fight leaves her wounded Nami befriends a dragon A bond is forged one that might brave the very fires of fate should the need arise Yet their relationship is put to the test when their respective leaders forbid contact between races Can the link between mermaid and dragon survive Or will more than their friendship be at stake Artemis Lupine Catherine Banks,2021-10-16
