Catalog of NIE Education Products National Institute of Education (U.S.),1975 **Traditional Chinese Plays**

Adolphe Clarence Scott,1967 The world of traditional Chinese drama can be at once fascinating and bewildering to the uninitiated Western observer Attuned to his own dramatic conventions he is hard put to apprehend the delicate fusion of

poetry music and subtle gesture which is the essence of Chinese theatre Because of these difficulties the task of translating traditional Chinese drama must go far beyond the conventional literary treatment and evoke the entire world of stagecraft and directing Longing for Worldly Pleasures Ssu Fan is a lyric monologue in which a young Buddhist laments the waning of her youth in the seclusion of the convent The brief piece involves a complexity of mood which makes it an actor's tour de force undertaken only by the most highly skilled performers Fifteen Strings of Cash Shih Wu Kuan a much longer play is a comic murder mystery satirizing bureaucratic ineptitude in the administration of justice The comic lead role of Lou the Rat is a virtuoso part which illustrates the intricate mimetic art of the traditional comic actor and was the play's main appeal to Chinese audiences

'Kubla Khan' Poetic Structure, Hypnotic Quality, and Cognitive Style Reuven Tsur, 2006-01-01 This book endorses Coleridge's statement nothing can permanently please which does not contain in itself the reason why it is so It conceives of Kubla Khan as of a hypnotic poem in which the obtrusive rhythms produce a hypnotic emotionally heightened response giving false security to the Platonic Censor so that our imagination is left free to explore higher levels of uncertainty Critics intolerant of uncertainty tend to account for the poem's effect by extraneous background information The book consists of three parts employing different research methods Part One is speculative and discusses three aspects of a complex aesthetic event the verbal structure of Kubla Khan validity in interpretation and the influence of the critic's decision style on his critical decisions The other two parts are empirical Part Two explores reader response to gestalt qualities of rhyme patterns and hypnotic poems in perspective of decision style and professional training Part Three submits four recordings of the poem by leading British actors to instrumental investigation
