The Amusing Bible Arthur Tovmasyan,2015-08-14 Another consideration which just logically unfolds is that apparently God had an ulterior motive and he was eventually glad for the fall of man Basically the man had the right to tell him My dear Daddy God If I am not mistaken the good is what you like and what is morally good and the bad on the contrary is all that is bad and all that you do not like Is it like that or not That is right my son would have answered the Creator In this case could continue Adam let me know what is wrong so that I could avoid it Otherwise why is this tree here if I cannot touch it However instead of God the priests concealing themselves under his name give answers They say God put our newborn humanity to a test God wanted to see if Adam would obey when he requires minor hardships from him However this statement is easily disproved According to theological imaginations God is all knowing and he knows the future Therefore he should have foreseen what would happen because nothing is done without his will This means that God himself wanted the people whom he created to sin There is no doubt in that Commonweal ,1927 The Life and Works of Dante Alighieri John F.
