The American Legion Magazine , 1994 **Breaking Into Baseball** Jean Hastings Ardell, 2005-03-03 While baseball is traditionally perceived as a game to be played enjoyed and reported from a masculine perspective it has long been beloved among women more so than any other spectator sport Breaking into Baseball Women and the National Pastime upends baseball s accepted history to at last reveal just how involved women are and have always been in the American game Through provocative interviews and deft research Jean Hastings Ardell devotes a detailed chapter to each of the seven ways women participate in the game from the stands as fans on the field as professionals or as amateur players behind the plate as umpires in the front office as executives in the press box as sportswriters and reporters or in the shadows as Baseball Annie's From these revelatory vantage points Ardell invites overdue appreciation for the affinity and talent women bring to baseball at all levels and shows us our national game anew From its ancient origins in spring fertility rituals through contemporary marketing efforts geared toward an ever increasing female fan base baseball has always had a feminine side and generations of women have sought and been sought after to participate in the sport even when doing so meant challenging the cultural mores of their era In that regard women have been breaking into baseball from the very beginning But recent decades have witnessed great strides in legitimizing women s roles on the diamond as players and umpires as well as in vital management and media roles In her thoughtfully organized and engagingly written survey Ardell offers a chance for sports enthusiasts and historians of both genders to better appreciate the storied and complex relationship women have so long shared with the game and to glimpse the future of women in baseball Breaking into Baseball is augmented by twenty four illustrations and a

foreword from Ila Borders the first woman to play more than three seasons of men's professional baseball *The Social Frontier* Eugene F. Provenzo, 2011 *The Social Frontier* is the most interesting and important educational journal to emerge from the Great Depression First published in 1934 by a group of scholars at Teachers College Columbia University that included George Counts and William Heard Kilpatrick the magazine represented a conscious act of social and political reconstruction With a strong collectivist orientation the magazine was widely misperceived as communist in its approach In fact its editorial position called for a greater social role for teachers and a more just and equitable system of schooling The magazine which was published for a total of nine years included articles by major educational and social thinkers of the period from John Dewey to Robert Hutchins and Harold Rugg Within months of the magazine's first issue it came under attack by right wing political groups particularly the Hurst newspaper chain *The Social Frontier* A Critical Reader provides a selection of the most interesting and historically important articles from the magazine with a comprehensive introduction and critical commentaries on the selected articles which are as timely today as they were when first published seventy five years ago The American Legion Weekly American Legion, 1920 **The American Legion Monthly** American Legion, 1928
