Dr. Bahri: A few students inquired about the slide (attached image above) from the iron deficiency anemia lecture regarding placement of porphyria text before ALA and by ferrochelatase. These pertain to other porphyrias. Xlinked porphyria and erythropoietic porphyria which are rare & may not be as high yield. See image below. They can be confused with lead poisoning and you would need to recognize the clinical presentations. For boards, you would need to know acute intermittent porphyria & porphyria cutanea tarda and their corresponding enzymes.

Scripture, Interpretation, or Authority? Thomas Kazen,2013-11-15 In this study of motives and arguments in Jesus halakic conflicts Thomas Kazen suggests a way beyond the use of traditional criteria of authenticity Employing results from recent research on the development of halakah during the Second Temple period which outlines trajectories and areas of tension within and between various Jewish movements the author revisits the Synoptic conflict

narratives about Sabbath observance purity rules and divorce practices Kazen disentangles theological motives from reasonable historical explanations and suggests relative dates and contexts for motives and arguments often ascribed to Jesus He questions interpretations which focus on unique authority and suggests that Jesus stance is better explained within the framework of prophetic criticism and a traditional Israelite understanding of Torah With this study he contributes as much to our understanding of halakic development during the Second Temple period as he does to our understanding of the historical Jesus and his relationship to contemporary movements

John 18:28-19:22 and the Paradox of Judgement Blake Wassell,2021-02-15 In this study Blake Wassell applies new Roman and Jewish contexts to a Johannine ambiguity which is Pilate declaring Jesus both innocent and guilty of making himself King of the Pilate repeats that he finds in Jesus no basis for the accusation and yet he also writes the content of the accusation in the inscription on the cross The paradox leads readers into another paradox the make themselves the accused as they make the accusation and Jesus conquers as he is conquered The author analyses how they destroy the temple of his body so that he can raise it and how they exalt him so that he can reveal himself

Unfamiliar Selves in the Hebrew Bible Reed Carlson,2022-01-19 Spirit possession is more commonly associated with late Second Temple Jewish literature and the New Testament than it is with the Hebrew Bible In *Unfamiliar Selves in the Hebrew Bible* however Reed Carlson argues that possession is also depicted in this earlier literature though rarely according to the typical western paradigm This new approach utilizes theoretical models developed by cultural anthropologists and ethnographers of contemporary possession practicing communities in the global south and its diasporas Carlson demonstrates how possession in the Bible is a corporate and cultivated practice that can function as social commentary and as a means to model the moral self The author treats a variety of spirit phenomena in the Hebrew Bible including spirit language in the Psalms and Job spirit empowerment in Judges and Samuel and communal possession in the prophets Carlson also surveys apotropaic texts and spirit myths in early Jewish literature including the Dead Sea Scrolls In this volume two recent scholarly trends in biblical studies converge investigations into notions of evil and of the self The result is a synthesizing project useful to biblical

 puts a creative new reading of Hans Georg Gadamer s philosophical hermeneutics and literary genre theory to work on the
 problem of Scripture Reading texts as Scripture brings two hermeneutical assumptions into tension that the text will
 continually say something new and relevant to the present situation and that the text has stability and authority over readers
 Given how contested the Bible s meaning is how is it possible to read Scripture as authoritative and relevant Rather than
 anchor meaning in author text or reader Gadamer s phenomenological model of hermeneutical experience as Spiel play
 offers a dynamic intersubjective account of how understanding happens avoiding the dead end of the subjective objective
 dichotomy Modern genre theory addresses some of the criticisms of Gadamer accounting for the different roles played by
 readers in different genres using the new term Lesespiel reading game This is tested in three case studies of contested texts
 the recontextualization of psalms in the book of Acts the use of Hagar s story Genesis 16 in nineteenth century debates over
 slavery and the troubling reception history of the rape and murder in Gibeah Judges 19 In each study the application of
 ancient text to contemporary situation is neither arbitrary nor slavishly bound to tradition but playful **The Scottish Law

 Study* Anthony Ernest Harvey,1985 The Sage in Relation Andrew Montanaro,2025-04-21 The Jewish sage Ben Sira links
 the partnership of the sage with personified Wisdom to his overall teaching on marriage and family This study provides a
 detailed analysis of this connection first by describing the overlapping characteristics of fathers in families and sages among
 their students as seen through an examination of Ben Sira s use of metaphorical family language whereby the sage takes the
 role of father in the pedagogical setting This study then describes the spousal relationship between the sage and personified
 Wisdom particularly as it appears alongside the marital instructions in Sir 23 16 26 18 This study further considers Ben Sira
 s privileged social position to influence the religious conviction of next generation Judaism and to strengthen Jewish youth
 against rising Hellenistic pressures that may tempt them away from Torah adherence Ben Sira s solution then is found in his
 proposed vision of families modeled after his pedagogical setting Finally Ben Sira s teaching is compared to other Second
 Temple texts showing the importance of his context for his conception of family and the needs of his time Thus this study
 shows the relevance of Ben Sira s teaching for families as well as his distinctiveness among other Jewish texts Social
