Look, Listen, Learn, LEAD Jeffery Smith, Kate Wolfe Maxlow, John Caggianno, Karen L. Sanzo, 2020-10-01 Look Listen Learn LEAD A District Wide Systems Approach to Teaching and Learning in PreK 12 lays out the transformational journey of Hampton City Schools HCS an urban school division of 30 schools in southeastern Virginia Our school district faces numerous challenges such as 62% of students receiving free and reduced price lunch and 14% of students holding an IEP and in 2015 2016 Hampton City Schools state accreditation rate was approximately half the statewide rate and on a downward trend In only three years that was turned around and HCS exceeded the statewide accreditation rate a more than 100% improvement with 100% of our schools accredited without conditions We attribute this in large part to our dedicated educators and their implementation of district wide systems for curriculum instruction checking for student understanding climate and culture The goal of this book is to break down the process of what it takes to bring about large scale educational change that is sustainable We describe a process for developing a strong mission and

vision to undergird the work around a variety of district wide systems This book provides insights into how to improve climate and culture create a guaranteed and viable written curriculum establish a process for evaluating its implementation and create a balanced assessment framework to measure student success Complete with example templates action plans and lessons learned this book is a true example of theory into practice to bring about sustained improvement for all learners

Proud to be Different Robert A. Fox, Nina K. Buchanan, 2014-01-23 This is a book about ethnocentric niche charter schools What are they When did they first appear From where did the term come How do they differ from regular charter schools and from district run traditional public schools Each subject chapter was created by a team consisting of at least one educational researcher and at least one charter school practitioner The goal is to make the book readable for everyone policymakers parents teachers older students while providing a framework of rigor from which to view each charter school Hence the teams We took special pains to create a book which exhibits the objectivity of the educational researcher while at the same time inviting the reader into each school by painting a human picture of its ethos Each chapter contains a description of the school told by people who actually taught or learned or sent their children there
