Christopher C. H. Cook,Isabelle Hamley,John Swinton,2023-05-18 Remarkably beautiful and pastoral JUSTIN WELBY ARCHBISHOP OF CANTERBURY Brimming with wisdom and humanity DAME SARAH MULLALLY DBE BISHOP OF LONDON Struggling with God gets right to the heart of a great predicament for many Christians When it feels as if our struggles are overwhelming and our capacity for faith and hope and love is diminished how is it possible to maintain never mind nourish our relationship with God The truth as this deeply compassionate volume reminds us is that Jesus came alongside people wrestling with mental health problems Many familiar conditions such as anxiety and depression and more severe ones including bipolar affective disorder and schizophrenia are addressed by the authors here Dispelling common myths and misconceptions they explore the impact such mental health disorders can have on individual Christians Church and society Each chapter includes biblical reflections relevant to its theme prayers questions to facilitate individual group study and pointers to further reading In short the book presents a Christian vision of spiritual and mental wellbeing through prayerful struggling with God Schizophrenia Todd Stryd,2019-09-09 Someone you care about has been impacted by schizophrenia Maybe you are just coming to terms with the diagnosis and wonder what it means for your loved one for you and for your family What is the way forward How do you live with hope and compassion in the middle of this struggle Todd Stryd helps you as a caregiver to *God's Absence and the Charismatic Presence* Roy D. Kindelberger,2017-05-17 The author s theological inquiry is intended to raise questions of interpretation within the camp of openness theology and to direct a discussion on the implications of this movement for the charismatic Pentecostal community Open theism or openness theology affirms that the universe is open the future is not settled God is essentially relational love and the risks of love and the threats against it are real The author digs deep into this area of doctrine in order to question how far openness theology is willing to go Is it only the future that is open to God or are there perhaps unknown aspects to the past and present as well What does God know about sin and when does he know it Is it possible for God to be totally absent from a person s life or even from an entire nation If God can be absent can he also be exceptionally present in the lives of believers What would the divine presence and the charismata spiritual ministries look like in an open universe Refocused Psychotherapy as the First Line Intervention in Behavioral Health Nicholas A Cummings,Janet L Cummings,2012-08-21 Written by father daughter psychologists Nick and Janet Cummings this text provides proven patient responsive interventions by practitioners who together have nearly a century of hands on practice and innovation between them Refocused Psychotherapy responds

directly to the recent decline of psychosocial services and helps to put psychotherapy back as the first line intervention in mental health. The authors teach psychotherapists how to work side by side with primary care physicians to provide efficacy, effectiveness, and efficiency. The standards of psychotherapeutic intervention are held up to. Detailed case studies are followed up by discussions of diagnosis, personality type, homework, and therapeutic techniques that show readers how to form their own case conceptualizations. The authors also teach readers how to treat their patients individually and to diagnose effectively through their onion/garlic conceptualization. Finally, they provide lists of common abbreviations that are helpful to know when reading prescriptions and lists of drugs, drug interactions, dosage, and side effects that expand readers' vocabulary and allow them to be more knowledgeable as they work with primary care physicians. These innovative and revealing techniques will help readers develop the skills necessary for cost-effective therapeutic results.

The Storm Inside Sheila Walsh, 2014-02-18
 Women feel the storm activity all around. We find ourselves teetering somewhere between everyday chaos and crisis. We can feel a storm brewing; we are in the middle of a storm or we are facing the aftermath of a storm. But don't be afraid because it is possible to grow through turbulent times. Storms show you what's really going on inside, reveal what you really believe, and actually make you stronger. In this powerful book, Sheila will help you redefine your failures as a new beginning instead of an end. Replace the words "always" and "never" in your life with positive declarations of hope. Know with confidence how to help a friend in chaos or crisis.

The God-Shaped Heart Timothy R. MD Jennings, 2017-09-05
 The key to spiritual and emotional health is to grasp the truth of God's transforming love for us and then let that reality influence our own hearts and relationships. It seems simple, but we are experts at complicating simple things. Instead of living lives characterized by love, we find ourselves trapped in cycles of shame, violence, and addiction that steal our joy and keep us from loving others so much so that, by all indications, Christians are living no differently than anyone else when it comes to abuse, rates of use of pornography, alcohol, and drug addiction, and more. Christian psychiatrist Dr. Timothy Jennings wants to release us from this prison. With powerful illustrations from case studies and from Scripture, Jennings shows believers who are stuck in addiction, violence, fear, and broken relationships how to experience true freedom through God's transforming love, to experience greater health, fulfillment, and well-being.

Seed of My Father Shaun Teller, 2019-11-29 Seed of My Father by Shaun Teller is a work of uncomfortable truth From her childhood days in Colorado to small town West Virginia the author takes us through unfortunate circumstances of homelessness and poverty Dreams of a better day sheltered a frail child from the brutality of instability and hopelessness In this eye opening page turner we are forced to confront the many truths society often ignores **The Nine Veils** Nicholas Matthews, 2019-09-10 From the Author My God is kind compassionate merciful and he loves me Yet there are questions that arise there are accounts of God that seem contradictory to my simplicity and there are accusations against God that can leave me struggling for an explanation At times I've been confused by the concept of God's love and the reality of life and there often existed a dichotomy between the two I wrote this book after numerous conversations with friends who regardless of their spiritual journey have experienced similar thoughts or have simply ignored some of the hard questions of life and faith Common societal thinking in many areas is moving towards a position where people regard God as an outdated fairy tale with a sinister undertone leading to apathy or resentment towards God This is far removed from my notion of a living and loving God who is kind compassionate and merciful Embarking on my personal journey of discovering God's reputation I have a hunch that I'm not alone I need to explore God and find comfort with the answer Would you join me on this journey of discovery Maybe all the dots haven't been joined and some of the joined dots remain open to interpretation yet the line I've used to join the dots is what I know of the underlying nature and character of God **Focused Psychotherapy** Nicholas A. Empirical research provides the basis for a comprehensive depiction of evangelical Christian men who self identify as sexual addicts Losing the Bond with God Sexual Addiction and Evangelical Men offers a humane and constructive understanding of this issue treating it from an objective perspective rather than the Christian perspective that is common to writings on the subject Based on her own qualitative study of self identified evangelical sex addicts the author shows how these men must overcome the compartmentalization of their lives and improve the integration of religion marriage and sexuality if they are to break their destructive patterns The book addresses many of the most dominant issues specific to sexuality within the evangelical movement such as sexual purity gender roles attitudes regarding homosexuality and marriage It begins with a framework for understanding the evangelical movement and its stance on sexual issues and ends with a cumulative summary about evangelical men who self identify as sexual addicts Direct quotes and personal experiences from interviews are woven throughout the study and appendices provide a detailed description of the author s research **The Catholic Guide to Miracles** Adam Blai, 2021-05-18 In this fascinating eye opening book Adam Blai offers a uniquely comprehensive careful and thoughtful exploration of miracles the Church s process of approving them and the telltale signs of demonic counterfeits

From Jeremiad to Jihad John D. Carlson, Jonathan H. Ebel, 2012-06-06 Violence has been a central feature of America s history culture and place in the world It has taken many forms from state sponsored uses of force such as war or law enforcement to revolution secession terrorism and other actions with important political and cultural implications Religion also holds a crucial place in the American experience of violence particularly for those who have found order and meaning in their worlds through religious texts symbols rituals and ideas Yet too often the religious dimensions of violence especially in the American context are ignored or overstated in either case poorly understood From Jeremiad to Jihad Religion Violence and America corrects these misunderstandings Charting and interpreting the tendrils of religion and violence this book reveals how formative moments of their intersection in American history have influenced the ideas institutions and identities associated with the United States Religion and violence provide crucial yet underutilized lenses for seeing America anew including its outlook on and relation to the world **I Promised God** Dinny Lawrance, 2005 I Promised God is a true human interest story It deals with a family s anguished unyielding fight to save a son from the worst that life can deal us Yet it is also a story of survival My hope as the author and mother of a courageous son whose life was lost for two decades is that in sharing our family s story with others they might find strength in it for their own lives The story covers the complex environment of my oldest son s early years his developing character of kindness and positive influence strikingly evident until he reaches adolescence when his promising young life is suddenly dead ended by circumstances beyond his understanding or

control The reason for writing this story is to fulfill a promise I made to God at a dark seemingly hopeless moment It is my desire that by revealing an intimate chronicle of our lives I might reach someone who is suffering and in need of the means that helped me maintain the emotional intellectual and physical energy to cope with prolonged disaster And through the story I hope to send the reader a personal message Even if you are often alone desperately trying to help your loved one find and indulge in activities that sooth you and give you peace You will regenerate strength to persevere for your loved one and help other family members meet their needs as well I believe that God gave us each other so that no one need ever walk or cry alone
