The Hired Series: Books 1-4 Leann Ryans, The Hired Series is a collection of slightly futuristic contemporary omegaverse romances on the sweeter side Meet four couples as they come together and work toward

creating a better future
Hired for Heat
Alphas were deemed a menace to society and locked away in Alpha Camps
As an omega Sandra's choices were to continue weathering her heat alone or give into temptation and hire a stud to tend her through it
Safeguards are in place to protect an omega from unwanted pregnancy and bonding when an alpha is Hired for Heat but what happens when one of them fail
She feels like she's going crazy as she hunts for her mate and she'll change the rules of their world to have him
Hired to Protect
Penelope's ex didn't get the hint that it was over between them
Unwilling to live in fear she hires an alpha to protect her but she didn't realize that meant allowing the alpha into her home
Doubt about her actions begin to creep in until she discovers her ex is still stalking her
Not willing to let him dictate her life she pushes on as usual
Until she's attacked and dragged into a waiting van
Waking alone she has no idea what happened to the guard
Hired to Protect her or what's to become of her but the drugs her ex forces down her throat don't bode well for her future
Hired to Breed
Annalise is desperate for a baby but unwilling to give up her freedom to take a mate
Hiring a stud is the next best option
She can get what she wants then send the alpha on his way
Unfortunately life can never be as simple as she'd like it to be
When all she wanted was a male to do his duty and disappear how did she end up with the one who values family above all else
Who sneaks his way past her barriers and makes her question what she claims to want
Will the alpha Hired to Breed her be able to stick to the contract and leave behind the family he helped create or will Annalise find a way to get her
Happily Ever After
After all Hired for Research
Ordered to take over the Alpha Project
Evelyn has no choice but to go to Eden to do her research
It's the only place where she can get the samples she needs and observe how alphas interact with the other dynamics but she's never even met an alpha before
The people backing the project have a specific outcome they want but Evelyn refuses to alter her findings for political agendas
Especially after spending time with the hunky alpha assigned to be sure nothing happens to her
An unexpected heat ruins her plans to keep her hands to herself but she was Hired for Research and she has to return home
Her findings will never be seen and the alphas won't be freed if she does what she's supposed to do but will the alpha she's fallen for forgive her and make giving up everything she's worked for worth it in the end

Touch Me Lexy Timms, We all need somewhere where we feel safe
Benjamin O'Leary thought he met the woman of his dreams
But when her husband shows up everything he thought he knew about Katherine Marshall is called into question
It isn't until she shows up at his house battered and bruised that he realizes he's made a horrible assumption
She needs his help but refuses to accept it
Katherine wants to be independent but her estranged husband is never going to let her walk away
After his latest attack she considers running away from the new life she's just begun
Except she can't leave Ben
Maybe there is a happily ever after waiting for her
Does she dare stick around and try
