Scale Up Your Trading Skills Govindarajan Muthusamypillai, 2022-11-28 An investment in knowledge pays the best interest Benjamin Franklin All humans in this world are endowed with the feeling of excitement from the first day in school or college or office first flight first meeting with wife

the first sight of your newborn baby in the hospital watching the first show on the first day of a movie starring your favorite movie star et al Excitement is all about the pleasant feeling of thrill that lies ahead but quiets later after experiencing it Similar to it is gambling where reasoning has no space to play except the play of luck Luck is never perpetual in a rat race like stock trading whereas trading with the rationale of reasoning is confidence building Anything in absence of pain is happiness Happy investing in stock with knowledge of fundamentals is like driving a car with adequate training and knowledge of its basics So step into the field of excitement understand the basics leave aside the pain of being ignorant and start trading confidently Build your own empire with a well thought out plan of investment

Security Analysis and Portfolio Management: Ranganatham, 2011 The revised and enlarged second edition of Security Analysis and Portfolio Management provides a more comprehensive coverage of concepts It has been expanded to strengthen the conceptual foundation and incorporates the latest research and up to date thinking in all the chapters This edition contains completely new chapters on portfolio risk analysis portfolio building process mutual fund management portfolio performance evaluations and hedging portfolio risk have been included The volume also contains an Indian perspective that has been presented through cases and examples to help students from Indian business schools relate to the concepts discussed Each chapter begins with a feature called The Situation in which managers in a fictitious company must make certain key decisions in the derivatives market
