Educational Technology and Pedagogic Encounters

Yusef Waghid,2016-07-15 This book looks at some of the underlying theories of educational technology means and ways in which this technology is guided in practice ends The authors are intent on producing ends that prepare students to undertake new analyses and evaluations that can result in new possibilities for democratic action Emphasis is on their understanding of and position within educational technology as opposed to using or applying educational technology The work is not written from the point of view that their embeddedness within educational technology has a utilitarian end in mind but rather that their situatedness within educational technology a practice in itself leaves open possibilities for new ways of understanding democratic education This book is organised into six interrelated themes that work towards the cultivation of educational technology as a human practice which guides pedagogic encounters on the basis of taking risks in relation to which the unexpected unimaginable is always possible

Climate

Change Law, Technology Transfer and Sustainable Development Md Mahatab Uddin,2021-07-21 This book explores the possibilities and scope of facilitating innovation and transfer of the environmentally sound technologies in the Post Paris climate era The possibilities to be explored by the book will first focus on the roles of the climate finance and technological cooperation mechanisms in innovation and transfer of environmentally sound technologies Secondly the book will focus on role of the flexible mechanism i e indirect financial mechanisms which has been re introduced by the Paris Agreement as voluntary cooperation or sustainable development mechanism in innovation and transfer of environmentally sound

technologies Thirdly the book will contain a comparative analysis regarding efficiency of the technology transfer mechanism under global climate regime in comparison with technology transfer mechanism that exists under other multilateral environmental agreements MEAs In addition to the above since the issues of trans boundary technology transfer is also a matter of concern for international trade the book will discuss to what extent the international trade related laws e g intellectual property laws investment related laws governed by the World Trade Organizations WTO can play role in facilitating transfer of the environmentally sound technologies Another important aspect that this book will cover is potential roles which private sectors can play in innovating and transferring environmentally sound technologies under above mentioned instruments of international law In short this book will be based on the argument that if global climate regime and the international trade regime collaborate each other in creating enabling environment and attracting private sector to invest in the field of environmentally sound technologies the global challenges of innovation and transfer of the environmentally sound technologies to the developing and least developed countries can be fulfilled in more efficient manner From conceptual perspectives discussions and analyses of the book will be made in the light of the principles of equity and common but differentiated responsibilities and respective capabilities CBDR RC two main guiding principles of the international laws on climate change This book will be of great interest to scholars of climate change technology transfer intellectual property and sustainable development Besides national and international level policy makers dealing with climate change and sustainable development will be greatly benefitted from this book

Preaching in High Definition Dr. Ryan Mustered,2025-05-29 Our enemies the world the flesh and the devil are ravaging humankind like biological weapons You hold the antidote the Word of God The only challenge is convincing stubborn humans to take the antidote As a warrior you will have to use every weapon in your communication arsenal We live in a high definition culture Video audio pictures and crystal clear messages flood our eyes ears minds and hearts Social media the internet television radio and printed content have the potential for either great good or great evil So what is high definition preaching It is simply this clearly communicating God s word to transform lives using every weapon the Lord provides God s word is living and active sharper than any two edged sword Hebrews 4 12 So why are some preachers able to brandish it like a lightsaber but others seem to swing it around like a butter knife Why do some sermons come across like a fuzzy 13 inch black and white analog TV buy it now for 10 at Goodwill while other sermons come alive like your buddy s new 75 inch Neo QLED 8K TV buy it now on Amazon for 1 998 That s the difference that high definition preaching makes The child of God preaching the Word of God with clarity empowered by the Spirit of God will be an effective weapon in this battle for the souls of humankind It s time to level up and put some new weapons in your communication arsenal We have to preach in high definition to reach a high definition culture
