Television Guide Australian:

Australian Television and International Mediascapes Stuart Cunningham, Elizabeth Jacka, 1996 Traces the emergence of Australia as a significant exporter of television to the world market Press, Radio & TV Guide: Australia, New Zealand, and the Pacific Islands, 1974 **Press, Radio and TV Guide: Australia, New Zealand and the Pacific Islands**, 1992 **TV Guide** Stephen F. Hofer, 2006 This book looks at the origins and growth of television through the pages of TV Guide and covers the complete run of this American icon from the first guides in 1953 to the last issue in guide format on October 9 2005 It includes full color reproductions of every cover ever printed and is both a collector's guide with pricing included and a retrospective view of the medium Australian Television Graeme Turner, 2020-07-28 Media communications and cultural studies form a rapidly growing part of secondary and tertiary education in Australia yet there have been few books dealing specifically with Australian television This is the first wide ranging study of television in Australia and includes a coverage of the cultural and institutional history of Australian television as well as examining a wide range of television programming Prisoner Perfect Match Hey Hey It's Saturday A Country Practice Vietnam and Beyond 2000 are some of the programs described and analysed Issues are raised such as the relationship between children and television the role of the television documentary and the function television serves in constructing communities The contributors to Australian Television Programs Pleasures and Politics include some of the leading researchers in Australian television and cultural studies and their articles employ a wide range of methods from semiotic analyses to cultural histories Despite their dealing with often quite sophisticated problems the chapters are written in an accessible and lively manner This is an important collection which opens out space for more informed and challenging discussions of Australia's television culture its programs its meanings its pleasures and its politics It will be an invaluable text for all tertiary television media studies communications studies Australian studies and cultural studies programs **The A to Z of Australian Radio and Television** Albert Moran, Chris Keating, 2009-08-04 Australians have become increasingly visible outside of the country as speakers and actors in radio and television their media moguls have frequently bought up foreign companies and people around the world have been able to enjoy such Australian productions as The Flying Doctors Neighbours and Kath and Kim The origins early development and later adaptations of radio and television show how Australia has gone from being a minor and rather parochial player to being a significant part of the international scene The A to Z of Australian Radio and Television provides essential facts and information concerning the Australian radio and television industry This is accomplished through the use of a chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries on directors producers writers actors television and radio series and television and radio stations **Migrants, Television and Australian Stories** Kate Darian-Smith, Sue Turnbull, Sukhmani Khorana, Kyle Harvey, 2025-05-26 This book examines the intertwined histories of television and migration in Australia told from the perspectives of migrants who worked in the screen

industry and the many more who watched television Their stories demonstrate how Australia's growing cultural diversity has challenged conventional representations of Australianness on television and how ongoing advocacy has supported the growing inclusivity of multiple narratives and diverse experiences on screen Migrants from many backgrounds were instrumental in the establishment in 1956 of Australian television working behind and in front of the cameras as producers directors writers technicians and actors From early broadcasting to the digital present portrayals of cultural differences have often been shaped by appropriation ethnic stereotyping and racism This has occurred across a range of formats from drama to comedy to news and reality shows Many in the industry have responded with resilience and creative adaptation as they have increasingly taken control of the ways that migrant stories are told and diversity is celebrated The first comprehensive Australian study of migrants and television this book considers the ways multicultural audiences have experienced the small screen over seven decades Drawing on rich oral histories it analyses the memories of television in the work school family life and leisure of migrant communities and their broader engagements with Australian culture Research in the archives of broadcasters and production companies reveals how non Anglo Australian characters were constructed and how such portrayals have shifted This new history takes us to digital screen production and consumption today exploring how Australians of many diasporas engage with the global network of screen content in the twenty first century It is essential reading for media professionals advocates students and those interested in the intersections between media cultural diversity and the nation
