OECD,2021-02-04 The 2021 edition of the Outlook addresses reallocation of resources to digitalisation in response to COVID 19 with special focuses on health education and Industry 4 0 During the COVID 19 crisis digitalisation has proved critical to ensuring the continuity of essential services **Ethnic Subnationalist Insurgencies in South Asia** Jugdep S.

Chima,2015-03-24 This book provides a micro historical analysis of the emergence and contemporary dynamics of recent ethnic sub nationalist insurgencies in South Asia Using comparative case studies it discusses the causes of each insurgency analyses the trajectory and dynamics of each including attempts at resolution and highlights the wider theories of ethno nationalist insurgency and mobilization Bringing together an international group of contributors the book covers insurgencies in India Sri Lanka Pakistan Nepal and Bangladesh It questions why ethnic sub nationalist insurgencies occurred at particular points in time and not at others and explores the comparative trajectories of these movements The book goes on to discern reappearing patterns of conflict escalation de escalation through the method of comparative process tracing It argues that while identity is a necessary factor for insurgency it is not a sufficient one Instead ethnic mobilization and insurgency only emerge when it is activated by tension emerging from political competition between ethnic and central state elites These elite led dynamics when combined with favourable socio economic and political conditions make the ethnic masses primed to accept the often symbolically rich appeals from their leaders to mobilize against the central state Providing an important study on ethno nationalist insurgencies in South Asia the book will be of interest to those working in the fields of South Asian Politics Security Studies and Ethnic Conflict China, The United States, and the Future of Southeast Asia

H. Denoon,2017-05-16 Distinguished experts explain the economic trends and varied political goals at work in Southeast Asia With China s emergence as a powerful entity in Southeast Asia the region has become an unlikely site of conflict between two of the world s great powers The United States historically regarded as the protector of Pacific Southeast Asia consisting of nations such as Vietnam the Philippines Myanmar and Malaysia is now called

upon to respond to what many would consider bullying on the part of the Chinese. These and other countries have become the economic and political engine of China. While certainly inclined to help the country's former allies, the United States has grown undeniably closer to China in the recent decades of global interconnected economic growth. China, the United States and the Future of Southeast Asia uncovers and delves into the complicated dynamics of this situation. Covering topics such as the controversial response to human rights violations, the effects of global economic interconnectedness and contested sovereignty over resource rich islands, this volume provides a modern and nuanced perspective on the state of the region. For anyone interested in understanding the evolving global balance of power, China, the United States and the Future of Southeast Asia illuminates how countries as different as Thailand and Indonesia see the growing competition between Beijing and Washington.
