1. As you read the passage, fill in the information you discover about the Soviet-American agreement below.

	What the Soviets Wanted	What the Americans Wanted
1. Would it make any sense to build more missiles and launchers?	That U.S. suspend the construction of heavy launchers	None
2. Would anyone believe that the launchers were destroyed by war?	They would not be produced after that and were sure that their launchers destroy the rest	They were willing to let a part of their launchers be taken by U.S. people and that both launchers be made longer, placed under the control of General Gerasim Korshakov
3. Would anyone believe that war?	Not for a long time	They would be ready to make any agreement and also to make it
4. Would the launchers be made longer?	Yes, the government had to improve them to a certain extent	Yes, because people were convinced we could not take a decision like this

2. Suppose the agreement made in the following was made:

There would be no more nuclear war.

There would be no more nuclear war.

There would be no more nuclear war.

There would be no more nuclear war.
