

Unit 2: Networks of Exchange Exam Study Guide

C. 1200 - c. 1450

Topic 2.1 Silk Roads

Learning Objective

Explain the causes and effects of growth of networks of exchange after 1200.

Historical Developments

Improved commercial practices led to an increased volume of trade and expanded the geographical range of existing trade routes—including the **Silk Roads**—promoting the growth of powerful new trading cities.

Trading cities:

- Kashgar
- Samarkand

The growth of interregional trade in **luxury goods** was encouraged by innovations in previously existing transportation and commercial technologies, including the **caravanserai**, forms of **credit**, and the development of **money economies**.

New forms of credit and money economies:

- Bills of exchange
- Banking houses
- Use of paper money

Demand for luxury goods increased in AfroEurasia. Chinese, Persian, and Indian artisans and merchants expanded their production of textiles and **porcelain** for export; manufacture of iron and steel expanded in China.

1. Explain the various factors that led to the growth of the Silk Road trade networks in the 1200 - 1450 time period:

The spread of Islam, increased demand for specialized products, knowledge of the environment there, and advances in marine technology

2. What luxury goods were often traded along the Silk Roads?

Porcelain, gold, and ivory

3. What transportation technologies facilitated trade along the Silk Roads?

yokes, saddles, and stirrups

4. What commercial technology facilitated trade along the Silk Roads?

magnetic compass, gunpowder and paper

Topic 2.2 The Mongol Empire and the Making of the Modern World

Learning Objective

Explain the process of state building and decline in Eurasia over time.

Historical Developments

Empires collapsed in different regions of the world and in some areas were replaced by new imperial states, including the **Mongol Khanates**.

5. Explain how the Mongol Khanates developed:

Following the death of Möngke Khan, the 4 Khanates developed due to a lack of a declared successor. Many of his kin declared themselves the Great Khan and none were widely accepted, so they split into 4 khanates. The lack of a strong unifying leader caused the Mongols to lose some of their power as they were no longer the great force

Unit 2 Lesson World History Key

Daniel F McAuley

Unit 2 Lesson World History Key:

Study Guide for World History I United States Armed Forces Institute, 1956 **Teaching World History Thematically**
Rosalie Metro, 2020 This book offers the tools teachers need to get started with a more thoughtful and compelling approach to teaching history one that develops literacy and higher order thinking skills connects the past to students lives today and meets social studies 3C standards and most state standards grades 6 12 The author provides over 90 primary sources organized into seven thematic units each structured around an essential question from world history As students analyze carefully excerpted documents including speeches by queens and rebels ancient artifacts and social media posts they build an understanding of how diverse historical figures have approached key issues At the same time students learn to participate in civic debates and develop their own views on what it means to be a 21st century citizen of the world Each unit connects to current events with dynamic classroom activities that make history come alive In addition to the documents themselves this teaching manual provides strategies to assess student learning mini lectures designed to introduce documents activities and reproducibles to help students process display and integrate their learning guidance to help teachers create their own units guidelines for respectful student debate and discussion and more Book Features A timely aid for secondary school teachers tasked with meeting standards and other state level quality requirements An approach that promotes student engagement and critical thinking to replace or augment a traditional textbook Challenges to the master narrative of world history from figures like Queen Nzinga and Huda Sha arawi as well as traditionally recognized historical figures such as Pericles and Napoleon Essential questions to help students explore seven of the most important recurring themes in world history Role plays and debates to promote interaction among students Printable copies of the documents included in the book can be downloaded at tcpress.com Cambridge Global English Stage 6 Teacher's Resource Jane Boylan, Claire Medwell, 2014-05-22 Cambridge Global English is a nine stage language rich course for learners of English as a Second Language following the Cambridge International Examinations curriculum framework Teacher s Resource 6 provides step by step guidance notes for teachers for each lesson in every unit to support teaching the content of Learner s Book 6 Notes on Activity Book 6 are also included A unit overview provides a snapshot of lesson objectives and the language and skills covered The notes include answer keys to activities in the Learner s Book and Activity Book complete audio scripts suggestions for differentiation and assessment cross curricular links portfolio opportunities and additional unit linked photocopiable activities and unit based wordlists *History and Geography Words* Saddleback Educational Publishing, 2011-01-01 The reproducible lessons in this series focus on practical vocabulary terms skills and concepts in relevant situational settings Struggling students learn over 3 000 high utility words in 28 self contained thematic lessons Additionally each lesson activates prior knowledge and continually reinforces fundamental language arts skills and concepts These reproducible books include teacher notes and tips answer keys reference guides lessons unit reviews and more
