from stuck to unstoppable and live the life you richly deserve **The Journey of the Magi** Richard C. Trexler, 2014-07-14

Matthew's Gospel reveals little about the three wealthy visitors said to have presented gifts to the infant Jesus. Yet hundreds of generations of Christians have embellished that image of the Three Kings or Magi for a myriad of social and political as well as spiritual purposes. Here Richard Trexler closely examines how this story has been interpreted and used throughout the centuries. Biblically the Journey of the Magi presents a positive image of worldly power depicting the faithful in progress toward their God and conveying the importance of the gift giving laity as legitimators of their deity. With this in mind Trexler explains in particular how Western societies have molded the story to describe and augment their own power before the infant God and among themselves. The author demonstrates how the magi as a group functioned in Christian society. For example, magi plays processions and images taught people how to pray and behave in reverential contexts; they featured monarchs and heads of republics who enacted the roles of the magi to legitimate their rule and they constrained native Americans to fall in line behind the magi to instill in them loyalty toward the European world order. However, Trexler also shows these philosopher kings as competitive among each other as were groups of different ages, races, and genders in society at large. Originally modeled on representations of the Roman triumphs, the magi have reached the present day as street children wearing crowns of cardboard, proving again the universality of the image for constructing, reinforcing, and even challenging a social hierarchy.

The Journey of the Holy Spirit Rev. Martin Francis Edior, 2012-03-31

The Journey of the Holy Spirit is based upon the activities and the appearance of God Almighty and Maker of the Universe. God manifested himself into the womb of a virgin girl named Mary after one of God's devoted angels made His announcement to her. She gave birth to a baby boy and they called him Jesus. He grew up in a town called Nazareth. He worked with His father Joseph as a carpenter. At the age of thirty, Jesus began His ministry as He taught the people to love and to forgive. He healed many sick and afflicted. He also performed a lot of divine deeds. Within three years, the public opinion turned against Him. He was at the age of thirty-three when they made false accusations on Him about His ministry. The Jewish leaders, after many attempts, captured Him and convinced King Herod to have Him crucified. The King refused and turned Him over to them who then whipped and tortured Him mercifully. They passed judgment on Him and found Him guilty. He was crucified as He gave up His spirit on the cross, but in three days after His crucifixion, He arose from the borrowed tomb and appeared unto His believers and told them death had no claim on Him. He said, "I am alive. Go into the uttermost part of the world and testify, teach, preach, and heal all who believe in Me."

Journey Sara Niles,2024-02-20 Torn From the Inside Out is the true story of Sara Niles s escape and disappearance with her five children in 1987 The JOURNEY is the rest of the story covering the decades long saga of the Niles Family It is estimated that up to seventy percent of people in the world have suffered varying degrees of family dysfunction yet people rarely speak of it Secrecy and denial aid in the perpetuation of dysfunction The Journey tells the stark truth sometimes leaving in only a new beginning We left our whole world behind and fled with nothing yet the children never even once asked Why When a Raging Fire strikes a home in the middle of the night everyone flees the home with no regard for possessions no grabbing of personal belongings because every second counts In most cases there are family and friends co workers and others standing by to help In 1987 we fled from a different type of Fire a would be killer who promised to erase us from the earth The Niles Family would embark on a lifelong Journey of Reparation and searches for Resolution February 13 1987 Southern Arkansas After fleeing through three states my children and I thought we had broken free and were safe The looking over our shoulder was finally over we were free to rebuild our lives and create happy futures Thomas Niles had been the problem the dark shadow in all my children s lives he was the antithesis of what was right the antithesis of all I stood for Once Thomas Niles was out of our lives I believed the trauma and tragedy would be over but I was wrong A family is a small government a society a system a school in which children are being educated in functional behavior or they are being conditioned in dysfunctional patterns Danger and Damage is not always a visible monster sometimes it never materializes it only floats about inside the heads of the abused like a psychotic ghost People who learn to be afraid in their childhoods and who become stuck in fear for too long albeit for real true and good reasons sometimes never learn to let go of those fears The trauma of childhood becomes the monsters of adulthood Note Serious subject matter that may be triggering for individuals with raw issues
