The Kingdom Of Love:

The Kingdom of Love and the Pride of Life Edward J. Carnell, 2007-11-01 Introducing the Edward Carnell Library Nine Titles Listed Inside The Kingdom of Love and the Pride of Life is indeed about love Carnell evidences deep insight into what love is and what it is not He richly develops Jesus's statement Whoever becomes humble like this child is the greatest in the kingdom of heaven He affirms that happy children have intuitive knowledge of the nature of love which is kindness and truth They have a God given ability to see through hypocrisy and recognize the good person This book is an invaluable exposition of the biblical doctrine of love *The Kingdom of Love* Ella Wheeler Wilcox, 2019-12-02 In *The Kingdom of Love* Ella Wheeler Wilcox crafts a compelling exploration of love's transformative power through a collection of poignant poems and philosophical reflections Her lyrical style combines rich imagery with emotional depth drawing readers into a world where love serves as a central theme the very essence of human experience Set against the backdrop of the late 19th century a time when romanticism and emotional expression were gaining prominence Wilcox's work reflects the era's sensibilities while challenging societal norms surrounding love and personal relationships Ella Wheeler Wilcox was a prominent poet author and social activist celebrated for her progressive views on love and the human condition Born in 1850 her upbringing in the Midwest shaped her understanding of both rural life and the intricacies of human emotions Drawing from her own experiences and the societal transformations of her time she penned this collection to inspire readers to embrace love as a pivotal force for personal and collective growth *The Kingdom of Love* is highly recommended for those seeking to deepen their understanding of love's pivotal role in life Wilcox's evocative language and keen insights make this collection not only an essential addition to any poetry anthology but also a profound reflection on the nature of love today **The Way to the Kingdom of Love and Peace** Donna Marie, 2019-05-14 *The Way to the Kingdom of Love and Peace* is based on a true story of survival through disease abuse and divorce Donna Marie lost contact with her biological dad growing up She started writing one Father's Day when she came across some old letters she received from her dad that he sent to her when she was a young adult She shares these letters with you along with the trials she faced on her journey in search of love in all the wrong places She also shares her testimony of how she finally found true love What she wants is for you to discover on her journey and yours is that you are loved beyond measure there is hope and dreams can come true Take a peek inside and you just might find *The Way to the Kingdom of Love and Peace* Faith, Hope, and Love in the Kingdom of God Robert Hernan Cubillos, 2017-04-27 We live in a world full of challenges The three graces can almost be seen as motors for Christian life in today's world but the words faith hope and love have so many everyday uses that their technical theological meanings are for many difficult to appreciate Modern life also leaves many yearning for authenticity and meaning Many religions have answered that need by calling to mind the image of a path Always profound progressions religious paths tend to be motivated either by practices the act of walking the path or focal points Christianity has a focal point an object and it sees the three

graces as distinctively content filled The heart of this book is about helping people find the Christian path and their intellectual emotional and spiritual balance an equilibrium that is sustained by a strong personal faith an enduring hope for the future and genuine love that will withstand the worst of times It contributes to the category of Christian literature that provides a pattern for Christian living without surrendering the intellect to the more popular side of this genre
