While running his private detective business, Lakson does his best to keep the magical and mortal worlds apart, despite the fact that he despises his duty with every fiber of his being. When NYPD Detective Matilda Moran calls Lakson to the scene of a Wall Street massacre, he notices that the goblin word for debt has been written in blood on a wall. Certain that whoever committed the brutal murders will not stop, Lakson has no choice but to fulfill his charge once more. After he pledges to hold the person accountable for such a blatant and savage disregard of the Unwritten Laws, Lakson is pulled into a web of greed, betrayal, lust, and above all else, murder. But when all is said and done, will he find redemption and growth, or will he have already sacrificed too much to change? **A New York Knight** is the story of a man broken by time and circumstance who must fulfill a duty he despises all while keeping his inner demons at bay.
