African American Women During the Civil War Ella Forbes, 2013-01-11
 This study uses an abundance of primary sources to restore African American female participants in the Civil War to history by documenting their presence, contributions, and experience. Free and enslaved African American women took part in this process in a variety of ways, including black female charity and benevolence. These women were spies, soldiers, scouts, nurses, cooks, seamstresses, laundresses, recruiters, relief workers, organizers, teachers, activists, and survivors. They carried the honor of the race on their shoulders, insisting on their right to be treated as ladies and knowing that their conduct was a direct reflection on the African American community as a whole. For too long, black women have been rendered invisible in traditional Civil War history and marginal in African American chronicles. This book addresses this lack by reclaiming and resurrecting the role of African American females individually and collectively during the Civil War. It brings their contributions in the words of a Civil War participant, Susie King Taylor, into history before the people.

[American Women and the U.S. Armed Forces](#) Virginia Cardwell Purdy, Robert Gruber, 1992
Women and the American Civil War Theresa McDevitt, 2003-09-30
 The first reference work to draw together the stories and studies of women in the American Civil War, this annotated bibliography offers access to the literature that documents the history of women who experienced the war, changed it, and were changed by it. Offering nearly 800 entries, it lists both primary and secondary sources, classic and current works, and items in print and available on the Internet. Drawing together over one hundred years of writings, *Women in the American Civil War: An Annotated Bibliography* is an invaluable resource for readers and researchers interested in this neglected topic. During the American Civil War, women played a highly significant role, yet modern writers often overlook their experiences and contributions. *Women in the American Civil War: An Annotated Bibliography* is the first reference work to focus exclusively on women in the war. Sections list sources on such diverse topics as women as nurses and medical relief workers, women's changing economic roles, their lives as refugees, as spies and scouts, or in military camps. It also looks at the literature on the miscellaneous topics of women in public, wives of politicians and military commanders, family life, and women on the wrong side of the law.

Women Engaged in War in Literature for Youth Hilary S. Crew, 2007
Women at War portrays books and other resources that feature girls, young women, and adult women actively involved in various ways in battles, wars, and war-time activities, including their roles as nurses, doctors, spies, soldiers, correspondents, photographers, as well as their roles on the home front. Fiction, picture books, nonfiction, biographies, autobiographies, collective biographies, oral narratives, reference books, journal and periodical articles, and non-print and electronic resources are included. Teachers and librarians will find this to be an excellent curriculum planning resource.

Falangist and National Catholic Women in the Spanish Civil War (1936-1939) Angela Flynn, 2020-03-11 Although there is an established historiography on women's roles during the Spanish Civil War 1936-9 little has been written on Nationalist women in the Republican held zones Women were the anti Republican resisters of the first hour in the capital but they have been largely overlooked in the historical record During the bitter civil conflict a sector of dissident women helped to create a subversive and clandestine national Catholic space in the heart of Republican Madrid By examining the vital and invisible role played by women within Madrid's fifth column this monograph offers a new contribution to the gender historiography of the Spanish Civil War and re-evaluates the significance of women in the Nationalist war effort It explores how and why a sector of Falangist and Catholic women decided to mobilise against the legally constituted Popular Front government in support of an undemocratic military coup While women's subversive activities often involved the transgression of traditional gender norms their social and political agency arose within the conditions and precepts of Catholicism and was conceptualised and imagined within new national Catholic discourses of holy Crusade

Women's Diaries from the Civil War South Sharon Talley, 2023-08-18 Traditionally narratives of war have been male Sharon Talley writes In the pages that follow she goes on to disrupt this tradition offering close readings and comparative studies of fourteen women's diaries from the Civil War era that illuminate women's experiences in the Confederacy during the war While other works highlighting individual diaries exist and Talley notes that there has been a virtual explosion of published primary sources by women in recent years this is the first effort of comprehensive synthesis of women's Civil War diaries to attempt to characterize them as a distinct genre Deeply informed by autobiographical theory as well as literary and social history Talley's presentation of multiple diaries from women of differing backgrounds illuminates complexities and disparities across female wartime experiences rather than perpetuating overgeneralizations gleaned from a single diary or preconceived ideas about what these diaries contain To facilitate this comparative approach Talley divides her study into six sections that are organized by location vocation and purpose diaries of elite planter women diaries of women on the Texas frontier diaries of women on the Confederate border diaries of espionage by women in the South diaries of women nurses near the battlefield and diaries of women missionaries in the Port Royal Experiment When read together these writings illustrate that the female experience in the Civil War South was not one but many Women's Diaries from the Civil War South A Literary Historical Reading is an essential text for scholars in women's studies autobiography studies and Civil War studies alike presenting an in depth and multifaceted look at how the Civil War reshaped women's lives in the South and how their diverse responses shaped the course of the war in return

The Political Work of Northern Women Writers and the Civil War, 1850-1872 Lyde Cullen Sizer, 2003-06-19 This volume explores the lives and works of nine

Northern women who wrote during the Civil War period examining the ways in which through their writing they engaged in the national debates of the time Lyde Sizer shows that from the 1850 publication of Uncle Tom's Cabin through Reconstruction these women as well as a larger mosaic of lesser known writers used their mainstream writings publicly to make sense of war womanhood Union slavery republicanism heroism and death Among the authors discussed are Lydia Maria Child Harriet Beecher Stowe Sara Willis Parton Fanny Fern Frances Ellen Watkins Harper Mrs E D E N Southworth Mary Abigail Dodge Gail Hamilton Louisa May Alcott Rebecca Harding Davis and Elizabeth Stuart Phelps Although direct political or partisan power was denied to women these writers actively participated in discussions of national issues through their sentimental novels short stories essays poetry and letters to the editor Sizer pays close attention to how these mostly middle class women attempted to create a rhetoric of unity giving common purpose to women despite differences in class race and politics This theme of unity was ultimately deployed to establish a white middle class standard of womanhood meant to exclude as well as include

Elite Confederate Women in the American Civil War Kristen Brill, 2021-05-12

Elite Confederate Women in the American Civil War is a wide ranging primary source collection that offers a compelling selection of upper class white Confederate women's voices from archives across the South From the prison diary of Mary Terry to Elizabeth Baker Crozier's eyewitness account of the siege of Knoxville this volume introduces lesser known voices of the war to show the interconnections between the home front and the front lines and how the war shaped the lives of women and households across the South This collection challenges students to engage with the role of first person narratives in history and to reconsider the roles of southern women in the Civil War Exploring the themes of slavery nationalism secession and occupation these narratives offer new ways to think about traditional issues in Civil War history and more broadly show the ways in which studies of women and gender can enrich studies of cultures of war This book is designed for undergraduate and graduate students of both the American Civil War and women's history
