Hill, 2010-02-10 In The Last Days of Madame Rey Stephen Raszer sleuth scholar shaman and private eye goes to hell and back to save the soul of his client s son an ambitious and sexually conflicted young lawyer named Fortis Cohn Fortis has drifted to the wrong side of the karmic tracks and Raszer has been hired to free him from the spell cast by a neo Nazi demagogue On his quest to expose the spiritual hucksters who have duped Fortis Raszer encounters more than Old and New World mysticism A series of eerily unnatural earthquakes is rippling through Northern California and it s possible that the cult behind Fortis s disappearance may be involved Meanwhile a cryptic message is left in the hands of a gypsy fortuneteller and to learn its meaning Raszer must put his trust in a stunningly sensuous and far too independent minded operative named April Blessing He will follow her almost literally to the ends of the earth to unravel the ancient mystery encoded in the gypsy s message From its pseudo gnostic predators to its bedazzled souls The Last Days of Madame Rey is high on humor rich on adventure and injected with addictive heart stopping suspense **The Last Days of Publishing** Tom Engelhardt, 2005-09-21 Pompeii never had it so bad Rick Koppes knows a world is ending The only question is will he end with it An editor at Byzantium Press for the last quarter century he has watched his small classy publishing house get gobbled up first by an American publishing giant and then by Multimedia Entertainment the Hollywood wing of Bruno Hindemann s German media empire His editing colleagues are being downsized his authors axed and in a world where the cultural wallpaper is screaming he himself hangs on by a fingernail the latest work of his sole best selling author pop psychologist Walter Groth is racing off bookstore shelves And that s just where his problems begin after all Multimedia is about to make his ex wife a publishing executive at another house his boss his assistant wants his authors and a woman who claims her father dropped the bomb on Nagasaki insists he publish her woeful

memoir Koppes who came of age in the sixties is an editor slowly running off the rails In the six episodes of The Last Days of Publishing he refights the Vietnam War in a Chinese restaurant discovers that the paleontological is political in a natural history museum mixes it up with a flamboyant literary agent who went underground decades earlier and encounters a hippie cultural oligarch on the forty fifth floor of Multimedia s transnational entertainment headquarters Tom Engelhardt himself a publishing veteran has produced a tumultuous vision of the new world in which the word finds itself hustling for a living By turns hilarious sardonic and poignant his novel deftly captures the ways in which publishing which has long put our world between covers but has seldom been memorialized in fiction is being transformed The Last Days of the Late Great United States Richard Pawley,2009-06 For thousands of years money was real usually gold or silver until the Chinese invented paper money to replace real money They however had such a bad time with it with so many losing everything time and time again that it had been outlawed in China for more than a generation before western bankers thought up the idea and convinced King William in 1694 to replace the gold and silver and copper that Englishmen used with their newly printed paper Thus began a grand experiment that may soon come to an end The use of paper money and a debt based economy once known as colonialism or imperialism then capitalism now called globalization may soon be grinding down to a halt as nations around the world try to keep up with the United States in their printing of money Because of derivatives everyone owes everyone else many times more money than the worth of the entire planet The Kings of this Banker s Kingdom are killing the golden goose of taxpayers who have been supporting their lavish lifestyle for generations So entitled are these super rich that they see nothing wrong with goosing the taxpayers of the world for whatever they want The United States and indeed the nations of the world exist for their benefit If you understand this then so much of what goes on in the world becomes understandable but even they are going to grievously suffer in the near future Everyone is going to be affected The Book of Revelation the last book in the Bible refers to what I believe will be a banking world dictatorship which will require all citizens of earth to carry the world leader s mark micro chip or micro computer in their right hands or forehead in order to buy or sell anything It specifically says that this will be required of even a king which in today s parlance would also include prime ministers and presidents Also Interesting is the mention that this mostly One World Government will be controlled from Babylon Iraq Much will have to happen to bring all this about but events happening right now seem to be leading in that direction Unfortunately fewer and fewer people seem to believe the truths of the Bible or to heed it s warnings Even with the discovery in the late 20th Century of an actual code hidden within the ancient Hebrew text and accessible only by computer a code which seems to contain much of the future existence on this planet scoffers still tend to look on the Bible as merely history or worse yet myth We truly live in interesting times and they are going to get incredibly more interesting very soon We have already passed the tipping point but only a few see it Even with the advice in this book your life is going to be greatly different in less than a decade perhaps by next year Ignore this book entirely and there is a much higher probability that you will be one of

The Right Moment Matthew Dallek, 2004 Ronald Reagan s first great victory in the 1966 California governor s race is one of the pivotal stories of American political history a victory that seemed to come from nowhere and has long since confounded his critics Just four years earlier Governor Edmund Pat Brown was celebrated as the Giant Killer for his 1962 victory over Richard Nixon and his liberal agenda reigned supreme Yet in 1966 political neophyte Reagan trounced Brown by almost one million votes marking not only the coming of age of Reagan s new conservatism but also the first serious blow to modern liberalism Drawing on scores of oral histories thousands of archival documents and personal

interviews with participants Dallek offers a gripping new portrait of the 1960s that is far more complicated than our collective memory of that decade

Anais Nin: The Last Days, a Memoir Barbara Kraft, 2011-11-15 I have chosen to reveal the intimacies of Anais Nin s last days as I witnessed them so that the story of her death is not lost Everything comes back in the mind s eye Everything comes back in the crucible of the heart She remains in my psyche all these years later as the most refined and rarified human being I have ever encountered Thus begins Barbara Kraft s memoir Anais Nin The Last Days With her sometimes loving and sometimes raw prose Kraft has done what no biographer no scholar no film could do capture the humanity mortality and essence of one of the twentieth century s most celebrated and yet mysterious literary figures Anais Nin noted for her diaries and erotica was at the height of her fame when she took on Barbara Kraft as a writing student Quickly the two became intimate friends at the moment when both would encounter tragedy Kraft s impending cataclysmic divorce and Nin s terminal cancer The circumstances created an environment of interdependency Nin despite her failing health supported Kraft s writing and life decisions and Kraft became a devoted and untiring part of Nin s support system during her last two years of life And as Kraft observes Illness is the great leveler from which none of us is immune It flushes out all the old buried truths and puts us in touch with the essential meaning of things There is no time no energy for masks veils labyrinths interior cities or multiple hearts Death hovered over her the one reality that Ana s could not transcend or

transmute or transform or levitate with the magic of words It was a reality she met with a dignity that tore at the heart of all of us who knew her and were close to her Because of the overwhelming reality of cancer Anais Nin was stripped down to her bare essence which Kraft captures expertly She poignantly records not only Nin s stubborn grip on life but also the heroic efforts that Rupert Pole Nin s west coast lover made to shield her from the inevitable pain agony and humiliation associated with the disease It is a monumental tribute to not only those fighting for their lives but also the forgotten ones the caregivers The very personal events in this book can be appreciated by anyone who has gone through terminal disease or know someone who has So like Nin herself the raw reality of Anais Nin The Last Days becomes symbolic mythical and universally inspirational
