The Last Stroke A Detective Story 1891

**LeRoy Lad Panek, Mary M. Bendel-
Simso**

The Last Stroke A Detective Story 1891:

The Essential Elements of the Detective Story, 1820-1891 LeRoy Lad Panek, Mary M. Bendel-Simso, 2017-02-19 Until recently only a privileged few could read the rare early writings that formed the basis of detective fiction in America and made it one of the most popular literary genres of the 19th century Drawing on the unprecedented access provided by digital collections of period newspapers and magazines this book examines detective fiction during its formative years focusing on such crucial elements as setting lawyers and the law physicians and forensics women as victims and heroes crime and criminals and police and detectives

British Detective Fiction 1891-1901 Clare Clarke, 2020-07-13 This book examines the developments in British serial detective fiction which took place in the seven years when Sherlock Holmes was dead In December 1893 at the height of Sherlock s popularity with the Strand Magazine s worldwide readership Arthur Conan Doyle killed off his detective At the time he firmly believed that Holmes would not be resurrected This book introduces and showcases a range of Sherlock s most fascinating successors exploring the ways in which a huge range of popular magazines and newspapers clamoured to ensnare Sherlock s bereft fans The book s case study format examines a range of detective series created by L T Meade C L Pirkis Arthur Morrison Fergus Hume Richard Marsh Kate and Vernon Hesketh Prichard that filled the pages of a variety of periodicals from plush monthly magazines to cheap newspapers in the years while Sherlock was dead Readers will be introduced to an array of detectives professional and amateur male and female old and young among them a pawn shop worker a scientist a British aristocrat a ghost hunter The study of these series shows that there was life after Sherlock and proves that there is much to learn about the development of the detective genre from the successors to Sherlock Holmes In this brilliant incisive study of late Victorian detective fiction Clarke emphatically shows us there is life beyond Sherlock Holmes Rich in contextual detail and with her customary eye for the intricacies of publishing history Clarke s wonderfully accessible book brings to the fore a collection of hitherto neglected writers simultaneously made possible but pushed to the margins by Conan Doyle s most famous creation Andrew Pepper Senior Lecturer in English and American Literature Queen s University Belfast Professor Clarke s superb new book *British Detective The Successors to Sherlock Holmes* is required reading for anyone interested in Victorian crime and detective fiction Building on her award winning first monograph *Late Victorian Crime Fiction in the Shadows of Sherlock* Dr Clarke further explores the history of serial detective fiction published after the death of Conan Doyle s famous detective in 1893 This is a path breaking book that advances scholarship in the field of late Victorian detective fiction while at the same time introducing non specialist readers to a treasure trove of stories that indeed rival the Sherlock Holmes series in their ability to puzzle and entertain the most discerning reader Alexis Easley Professor of English University of St Paul Minnesota

Frank Merriwell and the Fiction of All-American Boyhood Ryan K. Anderson, 2015-09-09 Gilbert Patten writing as Burt L Standish made a career of generating serialized twenty thousand word stories featuring his fictional creation Frank Merriwell a student athlete at Yale University who inspired others to emulate his example of manly boyhood Patten and his publisher Street and Smith initially had only a general idea about what would constitute Merriwell's adventures and who would want to read about them when they introduced the hero in the dime novel Tip Top Weekly in 1896 but over the years what took shape was a story line that capitalized on middle class fears about the insidious influence of modern life on the nation's boys Merriwell came to symbolize the Progressive Era debate about how sport and school made boys into men The saga featured the attractive Merriwell distinguishing between good and bad girls and focused on his squeaky clean adventures in physical development and mentorship By the serial's conclusion Merriwell had opened a school for weak and wayward boys that made him into a figure who taught readers how to approximate his example In Frank Merriwell and the Fiction of All American Boyhood Anderson treats Tip Top Weekly as a historical artifact supplementing his reading of its text illustrations reader letters and advertisements with his use of editorial correspondence memoirs trade journals and legal documents Anderson blends social and cultural history with the history of business gender and sport along with a general examination of childhood and youth in this fascinating study of how a fictional character was used to promote a homogeneous normal American boyhood rooted in an assumed pecking order of class race and gender

A Dead Man's Step Lawrence L. Lynch, 2009-04 Emma M Murdoch van Deventer who also wrote as Lawrence L Lynch was an American author who published many detective novels from the 1870s to the early twentieth century Her works include Shadowed by Three 1883 The Diamond Coterie 1882 Madeline Payne The Detective's Daughter 1889 Moina A Detective Story 1891 Out of a Labyrinth 1892 A Dead Man's Step A Detective Story 1893 The Last Stroke A Detective Story 1894 Against Odds 1894 No Proof A Detective Story 1895 Under Fate's Wheel 1900 and Man and Master 1909

The Mystery of Iniquity William H. Shurr, 2021-12-14 This book is the first to consider the work of Herman Melville's later years as a whole in the light of his life and reading during those years and of the intellectual and artistic ambience of the later nineteenth century With the exception of Billy Budd almost all of the writing Melville produced between 1857 and 1891 is poetry Until now little attention has been given to the poetry and it has been customary to view Melville's final masterpiece Billy Budd

against the background of the earlier fiction almost as if the writing of the intervening thirty four years had not existed
 William H Shurr who has studied the poems with close attention to the Melville manuscripts in the Houghton Library at
 Harvard University contends that Melville s poetry merits more attention and appreciation than has hitherto been accorded it
 Concerned principally with the maturation of Melville s darker themes he has been the first to study the carefully designed
 sequences in which Melville published his poems He has also discovered in the poems thematic patterns among them
 Melville s heterodox Christology and his concept of a particular kind of individualism found in what he calls the transcendent
 act that shed new light on the complexities of Billy Budd Gilbert Patten and His Frank Merriwell Sage John Levi
 Cutler,1934 **Bibliotheca Lindesiana ...** James Ludovic Lindsay Earl of Crawford,1910 **The British Museum**
