J. Kain,2022-05-18 Being a student of American history with a leaning toward the United States western movement the author has made A Man Called Ants as historically accurate as possible He has interwoven his characters with men and events that actually took place during this period The town of River Fork did not exist but many similar towns did only to die and become ghost towns or disappear entirely The horror of the Wilderness battles are known to a great extent and the greed of the cotton merchants did happen The tears as well as the pride of the Choctaw and other Indian nations can never be forgotten And Judge Isaac Parker did indeed bring law and order to over seventy four thousand miles with only a handful of deputies This historical novel puts one right in the room when Lincoln was talking to Grant It gives insight into the life of an 1800s outlaw who was forever changing his name Was Ansel Anderson Earley known to most as Ants an actual person You decide **Paul Newman** Shawn Levy,2010-09-25 Paul Newman who died in 2008 achieved superstar status by playing charismatic renegades broken heroes and winsome anti heroes in such classic films as The Hustler Cool Hand Luke Butch Cassidy and the Sundance Kid The Verdict and The Color of Money And for all the diverse parts he played on the silver screen Newman occupied nearly as many roles off it He was a loving husband and family man a fund raiser sold his own brand of pasta sauce to make millions for charity drove racing cars and much more Shawn Levy reveals the many sides of this legendary actor in the most comprehensive biography of the star yet published We see Newman the consummate professional a stickler for details and a driven worker In his private life he played the roles of loyal son and brother supportive husband married to Joanne Woodward for 50 years and responsible provider for six children But Levy shows that Newman and his life were by no means perfect there was a dalliance with another woman and failings as a father The death of his only son Scott from a drug overdose in 1978 would haunt Newman for the rest of his life Ultimately the author reveals how Newman was able to blend
