back As he turned he caught site of the house at the edge of the dunes It was a cross between a beach hut and a proper house It looked well cared for but stood by itself it looked a little incongruous Continuing his turn he was confronted by four boys about his own age or a little older They were a mix of colors but to a man they were well put together and Max couldn t help noticing well endowed as they were all wearing Speedos The obvious leader of the four addressed Max What are you doing here white boy Max shrugged and just replied Exploring Well we ll help you starting with the house on the dune pointing at the house that Max had just noticed Max remembered then Ralph s warning so he continued walking angling to go round the group of guys Thanks but I need to get back now In a flash they were on him and two of them had his arms twisted up his back painfully and started to march him towards the house The leader spoke again Behave yourself and we may let you go in a couple of days Give us any trouble and you may find bits missing from your body The menace in that statement wasn t lost on Max and he took a long look at these four men **Try It, You'll Like It** Dick Parker,2017-02-16
