The Lime Twig Novel:

The Lime Twig John Hawkes, 1961 But it would be unfair to the reader to reveal what happens when a gang of professional crooks gets wind of the scheme and moves to muscle in on this bettor's dream of a long odds situation Worked out with all the meticulous detail terror and suspense of a nightmare the tale is on one level comparable to a Graham Greene thriller on another it explores a group of people their relationships fears and loves For as Leslie A Fiedler says in his introduction John Hawkes makes terror rather than love the center of his work knowing all the while of course that there can be no terror without the hope for love and love's defeat *The Lime Twig* John Hawkes, 2013-05-15 An English horse race the Golden Bowl at Aldington provides the background for John Hawkes' exciting novel *The Lime Twig* which tells of an ingenious plot to steal and race a horse under a false name But it would be unfair to the reader to reveal what happens when a gang of professional crooks gets wind of the scheme and moves to muscle in on this bettor's dream of a long odds situation Worked out with all the meticulous detail terror and suspense of a nightmare the tale is on one level comparable to a Graham Greene thriller on another it explores a group of people their relationships fears and loves For as Leslie A Fiedler says in his introduction John Hawkes makes terror rather than love the center of his work knowing all the while of course that there can be no terror without the hope for love and love's defeat John Hawkes' *The Lime Twig* Paul J. Emmett, 1978 *Reader's Guide to Literature in English* Mark Hawkins-Dady, 2012-12-06 Reader's Guide Literature in English provides expert guidance to and critical analysis of the vast number of books available within the subject of English literature from Anglo-Saxon times to the current American British and Commonwealth scene It is designed to help students teachers and librarians choose the most appropriate books for research and study John Hawkes' *The Lime Twig* Kenneth D. Lucas, 1971 *The Lime Twig, Etc* John Hawkes, 1962 *The Unresolvable Plot* Elizabeth Dipple, 2019-10-01 Originally published in 1988 the last few decades had seen the appearance of some brilliant and complex new kinds of fiction The ambitious experiments of writers such as Greene Garcia M rquez Borges Nabakov Calvino Beckett Eco Spark Hoban Murdoch Bellow Ozick and Lessing among others had all proved the vitality of contemporary fiction in discovering exciting new forms and styles Yet because of the difficulty of many of the texts contemporary fiction as a genre had acquired an undeservedly unpopular reputation among students and other readers In a very real way the reader had become nervous rather than confident in the face of a literature that in fact is more aware of and generous to that reader than earlier and more apparently accessible literature ever managed to be And the new fiction's seeming remoteness from the reader is exaggerated in a sense by the critical academic response at the time which tended to obscure the texts themselves behind the many aesthetic and cultural theories which had sprung up in the study of fictionalizing or narrativity in general Elizabeth Dipple is anxious to dispel readers' fears about these texts She has chosen an international list of major writers of the time and presents a detailed discussion of each Beginning each chapter with a brief explanation of the context in which each fictionist is to be examined

she then concentrates on an analysis of key texts aiming always to look beyond jargon and theory back to the sources themselves Professor Dipple's purpose was to convey to the reader some of her own admiration and enthusiasm for contemporary fiction and to persuade him or her to take a fresh look at a group of writers who were producing what she felt would surely be seen by future generations as among the most sophisticated and accomplished fiction of our time
