THE LINCOLN LAWYER ,2011 *Lincoln the Lawyer* Brian R. Dirck,2007-03-15 What the law did to and for Abraham Lincoln and its important impact on his future presidency Despite historians focus on the man as president and politician Abraham Lincoln lived most of his adult life as a practicing lawyer It was as a lawyer that he fed his family made his reputation bonded with Illinois and began his political career Lawyering was also how Lincoln learned to become an expert mediator between angry antagonists as he applied his knowledge of the law and of human nature to settle one dispute after another Frontier lawyers worked hard to establish respect for the law and encourage people to resolve their differences without intimidation or violence These were the very skills Lincoln used so deftly to hold a crumbling nation together during his presidency The growth of Lincoln s practice attests to the trust he was able to inspire and his travels from court to court taught him much about the people and land of Illinois Lincoln the Lawyer explores the origins of Lincoln s desire to practice law his legal education his partnerships with John Stuart Stephen Logan and William Herndon and the maturation of his far flung practice in the 1840s and 1850s Brian Dirck provides a context for law as it was practiced in mid century Illinois and evaluates Lincoln s merits as an attorney by comparison with his peers He examines Lincoln s clientele his circuit practice his views on legal ethics and the supposition that he never defended a client he knew to be guilty This approach allows readers not only to consider Lincoln as he lived his life it also shows them how the law was used and developed in Lincoln s lifetime how Lincoln charged his clients how he was paid and how he addressed judge and jury

Matthew McConaughey - The Biography Neil Daniels,2014-11-06 Matthew McConaughey is a Hollywood star with an Oscar to his name and the world at his feet Growing up in Texas the youngest of three boys he was known for his good looks and charm His acting career began quietly with TV commercials B movies and lowbudget independent films which included the much respected coming of age drama Dazed and Confused In 1996 his big break came as lawyer Jack Brigrance in A Time to Kill based on the best selling legal thriller by John Grisham and he was subsequently cast in such acclaimed films as Amistad Contact Edtv and U 571 However the new millennium brought an unfortunate

change in his fortunes as he moved into risible romantic comedies. Movies such as *The Wedding Planner*, *How To Lose A Guy In 10 Days*, *Failure To Launch*, *Fool s Gold* and *Ghosts Of Girlfriends Past* were only moderately successful and failed to win over the critics. The critical acclaim that he garnered in the nineties as a serious actor was a thing of the past and McConaughey desperately needed to reinvent himself. *The Lincoln Lawyer* released in 2011 commenced McConaughey s revival and he returned to serious roles in such revered films as *Bernie*, *Killer Joe*, *Magic Mike* and *Dallas Buyers Club* which won him a Golden Globe and Oscar for Best Lead Actor in 2014. He was also cast with Woody Harrelson in HBO s critically acclaimed series *True Detective* which won him rave reviews. Happily married to Brazilian model Camila Alves, the McConaugheys live in Austin, Texas with their three children. This is the authoritative biography of one of Hollywood s leading lights.

The Political Thriller in Contemporary American Cinema Krešimir Bobaš, 2025-06-30. *The Political Thriller in Contemporary American Cinema* examines how political thriller films deconstruct and reflect the sociopolitical realities of the second half of the twentieth century as well as the first two decades of the twenty-first century. The book highlights the convergence between the cinematic narrative, its underlying political discourse, and the audience s perception of it. Through a critical lens, it analyzes how contemporary films utilize characterization, narrative, and suspense to examine topics of governance, malfeasance, and power dynamics. By referring to films such as *The Manchurian Candidate*, *Zero Dark Thirty*, and *Snowden*, this book traces the evolution of the political thriller, questioning how its narratives mirror issues such as covert operations, the erosion of democracy, and governmental surveillance. In turn, the conspiratorial and underlying paranoid nature of these films serves as a reflection of societal anxieties and a metaphorization of the levers of power in America s modern-day democracy. Consequently, this book serves as a contribution to the growing body of research on political cinema and the way it simultaneously reflects and shapes political life through its role as a sociocultural phenomenon. In doing so, it invites readers to further delve into the exploration of these films, which represent complex commentaries on the structures of corporations, media, and the military that are predominant in contemporary American society and cinema.
