Jenna Powers

The Long Negotiation Interracial Erotica:

The Long Negotiation (Interracial Erotica) Jenna Powers, 2014-12-16 Lisa is a recruiter for a large firm with a boyfriend who's going for an MBA. When her boyfriend accidentally stays logged into his email account on her tablet, she finds that he's been cheating on her during his so-called study sessions. As she seethes in anger, Laron, a recruit she's been after, gives her a call. She agrees to meet the tall black man for coffee and invites him back to her office to negotiate on her company's offer. Laron knows all about the negotiation tactic of recruiters and makes it a difficult time for Lisa. She soon breaks down and tells him about her boyfriend's transgressions, and he decides to help her. Not just on negotiating her company's offer, but a long negotiation to record a hot and steamy experience in her office for her soon-to-be ex-boyfriend. Does Lisa participate in this long negotiation with her big black recruit?

The Boxer (Interracial Erotica) Jane Snow, Stacy is just getting out of a long-term relationship. Her friend Joan is helping her get back on track with some morning runs. However, Joan is a housewife with a kid to take care of and suggests that Stacy try boxing. Stacy's hesitant at first, but Joan lets her know that a mutual friend Lucy took boxing classes and got into great shape. Joan also figures it will help Stacy relieve some stress by punching things. Stacy visits the boxing gym and tries to check it out from outside but is seen by one of the coaches. He introduces himself as Marcus and invites her into the busy gym. She decides to join, and a couple of weeks in, she's tired of the coach that she's been assigned. Marcus wanders over to help her cool down. Stacy notices that he's wearing an extremely tight pair of boxer briefs, and she can't help but notice the enormous bulge between his legs. She initially thinks it's fake, but after a bet, she soon realizes she's way in over her head as he reveals that it's real. Marcus shows her a workout that really gets rid of her stress and gets her juices flowing.

BBC Bistro (Interracial Black M/M / White F Erotic Romance) Jenna Powers, 2015-07-22 Amy and Sam are owners of the BBC Bistro. Their customers are dwindling, and their staff is fired faster than they're hired. Amy doesn't seem to care as long as the kitchen continues to run the way she wants it to. When Jamal, Jerry, and Marcus visit after watching the couple on a reality show, they're surprised to see that the show wasn't staged. Three girls are immediately fired, and Jamal takes this as a chance to get himself as well as his two friends hired. Being new in town, any job works with them. When the three big black men start work, they're more and more stunned by the actions of the owners and eventually learn that they won't even be paid any tips. As the three argue with Amy and Sam, the escalation causes the staff to quietly close shop and leave. The three big black men easily keep Sam at bay as they learn that he doesn't want to call the cops, most likely because he's hiding something. The three decide to negotiate, and there's only one thing Amy can provide that they want, and it's not her cooking. This is the first ever Well Endowed Charity Series WECS from Jenna Powers. husband that she finds a sympathetic ear and starts to wonder if maybe there's something worth sticking around for after all. Wait, she tugged hard on his hand. Terren. He turned back toward her. His expression was wary. The nimble fingers tightened on her hand, warm and smooth. I have to get you back. He lowered his violet eyes. She frowned. She didn't understand this place, but if there was an ally to be found here, it was him. And Kara suspected something in the way he avoided looking directly at her now and how his fingers were grazing the palm of her hand. Why do you have to, she asked. She stepped closer. Terren stiffened but did not drop her hand. You don't like them, do you? They treat you terribly. The old one does indeed. Master Aiden is simply having a particularly bad day. Regardless, I don't mind. His mouth quirked in a mysterious smile, but he was tight with nervous energy. She ran her other hand slowly up his chest, and he flinched backward. You're lying. His small smirk faded into a frown. She glared hard at him; their faces so close she could feel his breath on her cheek. His expression softened suddenly. His eyebrows quivered in a look of intrigue as he explored her eyes, nose down to her mouth. Do you want to kiss me, she whispered and leaned toward him. Terren inhaled sharply but did not move to embrace her. He looked back up into her eyes. Interesting, the word whispered out of him with a confident playfulness that unsettled Kara. What is Terren's long fingers stroked down her hair. He twirled a lock between his fingers. You are. He took her hand and turned away, pulling her after him. Follow me. Web of Desire Danica Slate, 2015-01-07. The ancient Sorcerer Demart has found his rebellious son, the perfect fertile young bride to carry on his bloodline. The only problem is that neither the bride nor the groom want anything to do with one another. In secret, each of them has taken a fae lover, members of the mysterious forest people known as Woolgatherers. Together with their magical lovers, the betrothed couple hatch a plan to counteract the old wizard's wedding plans. There's only one problem: in order to fool the powerful sorcerer, they're going to need to switch bodies, and the wedding ceremony isn't over until the marriage has been consummated. Put your arms around me. Tyall whispered against her ear. Kara did so and nestled into the crook of her neck. The woolgatherer continued to murmur. A warm wind kicked up around them, swirling leaves up from the earth and fluttering against their skin. Black and red hair swirled into tangles together. The human woman clung tighter as a strange dizziness overtook her. She began to lose her sense of balance as her stomach fluttered into her throat. All she could hear now was the sound of Tyall murmuring her strange song. She gasped as the world lurched around her. For several moments it felt like she was falling through the air, turning over and over without purchase, until suddenly she jolted back to solid ground again. Oh, she cried out and pulled back from the embrace. Her heart was racing, and her vision swam. The world felt different. Sounds were sharper, smells clearer. A naked figure stood before her, that of a short, slim, muscled woman with black hair and a steely, hazel-eyed gaze. She was staring at herself. Kara broke out in amazed laughter. Terren smiled wider from his position at the edge of the circle. Aidan turned back around, annoyed and curious. Tyall, in Kara's body, picked up the discarded nightgown and pulled it back on. She stretched, acclimating to the new body. Hmm, she murmured thoughtfully, then wagged a long finger at Kara, who stood uncertainly in Tara's lithe, tanned body. It would seem

Demart didn't choose an untouched woman for his son. What? How do you know that Kara's skin turned darker in a blush? She looked to Terren who shrugged. I see Tyall's laugh was like a bell as she winked at other woolgatherer. You worked faster than I expected. She walked toward a bewildered Aidan and wrapped her arms around his neck. He was still thrown that the woman who had previously hated the sight of him was now in his arms. Don't pull away from me, my love, she laughed. We are to be married. How? How long will this last? he asked between kisses. You're suddenly so shy. It's adorable. Don't get too friendly with my body. Kara frowned with Tyall's full red lips. Well, the same goes for you, kitten. I'm going to have to ask you to keep away from your little lover boy here until this business is finished. Though I understand that may be rather difficult for you to manage, the disguised woolgatherer winked at her and glared purposefully at Terren who looked so chagrined that Kara almost laughed out loud. Kara had never realized her glare was so effective until seeing it in action. Maybe she'd go out of her way to make Tyall eat her words.

Monstrous Intimacies Christina Sharpe, 2010-09-07 Arguing that the fundamental familiar sexual violence of slavery and racialized subjugation have continued to shape black and white subjectivities into the present, Christina Sharpe interprets African diasporic and Black Atlantic visual and literary texts that address those monstrous intimacies and their repetition as constitutive of post-slavery subjectivity. Her illuminating readings juxtapose Frederick Douglass's narrative of witnessing the brutal beating of his Aunt Hester with Essie Mae Washington Williams's declaration of freedom in *Dear Senator: A Memoir by the Daughter of Strom Thurmond* as well as the generational genital fantasies depicted in Gayl Jones's novel *Corregidora* with a firsthand account of such monstrous intimacies in the journals of an antebellum South Carolina senator slaveholder and vocal critic of miscegenation. Sharpe explores the South African-born writer Bessie Head's novel *Maru* about race power and liberation in Botswana in light of the history of the KhoiSan woman Saartje Baartman who was displayed in Europe as the Hottentot Venus in the nineteenth century. Reading Isaac Julien's film *The Attendant*, Sharpe takes up issues of representation, slavery, and the sadomasochism of everyday black life. Her powerful meditation on intimacy, subjection, and subjectivity culminates in an analysis of Kara Walker's black silhouettes and the critiques leveled against both the silhouettes and the artist.

Romance Revisited Lynne Pearce, Jackie Stacey, 1995 After decades of feminism and deconstruction, romance remains firmly in place as a central preoccupation in the lives of most women. Romance is still the most compelling discourse by which any one of us is inscribed. In this newly commissioned critical collection, romance is revisited across the disciplines, not just in fiction and film but in a whole range of cultural phenomena. Essays range over such issues as the royal marriage, Valentine's Day, interracial relationships, and the romance of the scientific quest. All kinds of relationships are brought under the lens of feminist cultural theory, from sex and the single nun to Yukio Mishima, from snuglet/puglet to safe sex.
