Prayer: A Guide for the Perplexed Ashley Cocksworth, 2018-07-12

Central to the Christian life is the practice of prayer. But what theologically speaking is going on when we pray? What does prayer have to do with religious belief and action? Does prayer make a difference? *Prayer: A Guide for the Perplexed* addresses these and other key questions regarding the Christian theology of prayer. Beginning with Evagrius of Ponticus's *On Prayer*, Ashley Cocksworth finds in this early document a profound expression of the integrity of the experience of prayer and theological thought. Seeking throughout to integrate systematic theology and the spirituality of prayer, individual chapters explore the meaning of some of the core doctrines of lived Christian faith: the Trinity, creation, providence, and the Christian life as they relate to the practice of prayer. Complete with an annotated bibliography of sources on prayer, to promote further reading, this volume appeals to academics and general readers alike.

Praying by Heart Stephen Cottrell, 2024-10-10

Archbishop of York Stephen Cottrell argues that the first two words of Christianity's most famous prayer, the Lord's Prayer, encapsulate the radical heart of the Christian faith: that we belong to each other and that we all have access to God. And if we could understand both these ideas, they would truly change our lives and the world. Unpacking each clause of this ancient prayer, both for those who want to encounter it afresh and those beyond church circles, this is the Lord's Prayer recast as a manifesto for the 21st-century church and all who are searching to belong.

Karl Barth on Prayer Ashley Cocksworth, 2015-08-27

Ashley Cocksworth presents Karl Barth as a theologian who not only produces a strong and vibrant theology of prayer but also grounds theology itself in the practice of prayer. Prayer and theology are revealed to be integrally related in Barth's understanding of the dogmatic task. Cocksworth provides careful analysis of a range of key texts in Barth's thought in which the theme of prayer emerges with particular interest. He analyzes Barth's writings on the Sabbath and uncovers an unexpected theology of contemplative prayer, the doctrine of creation of the Church, Dogmatics, and explores its prioritization of petitionary prayer and the ethics of the doctrine of reconciliation in which a turn to invocation is charted, and the final resting place of Barth's theology of prayer is found. Through the theme of prayer, fundamental questions are asked about the relation of human agency to divine agency as conceived by Barth, and new insights are offered into his understandings of the nature and task of theology, pneumatology, sin, baptism, religion, and sanctification. The result is a rich engagement with Barth's theology of prayer, an advancement of scholarship on Karl Barth, and a constructive contribution to the theology of prayer.

Praying with Jesus and Mary: Our Father Hail Mary Leonardo Boff,2005 The

Kingdom of God John Fuellenbach, 2006-04-01 The fruit of many decades of study and teaching The Kingdom of God provides an impressive systematic treatment of the doctrine of the Kingdom of God It is a comprehensive review of this crucial symbol as well as a careful analysis of its meaning and a creative interpretation of the Kingdom motif for the church and Christians in our age The Kingdom of God begins by analyzing the background of this idea in Hebrew scripture and tradition and in the preaching of Jesus Fuellenbach explores how this elusive phrase presents a specific comprehensive view of reality and a goal for transforming the world In Fuellenbach's reading the Kingdom forms the core of Christian faith and the reference point of all theology spirituality and apostolic activity Fuellenbach pays special attention to the relationships among Kingdom Church and World arguing that with the Kingdom Jesus proclaimed a vision that embraces God humankind and the whole of creation in the single most comprehensive vision of reality imaginable The Kingdom of God is balanced and nuanced in its scholarship but also vigorous and courageous in taking positions sure to provoke debate For example Fuellenbach argues that the word Kingdom is to be preferred over the word Reign despite critiques that find the word problematic in its patriarchal connotations Designed for and tested in classrooms worldwide The Kingdom of God will be particularly useful in both scripture and theology courses It holds much food for thought for religious educators pastoral workers clergy and others who wish for a clear systematic understanding of Jesus vision of the Kingdom now and to come

The Vicarious Humanity of Christ and the Reality of Salvation Christian D. Kettler, 2011-03-01 In this book the problem of the reality of salvation is addressed by T F Torrance's doctrine of the vicarious humanity of Christ Through this approach salvation as humanization is affirmed yet without the problems of anthropocentric theologies This book is unique in that it offers both a survey of contemporary Christian thinking on salvation as well as a constructive alternative based on Torrance's doctrine a significant yet neglected contribution to modern theology
