Prophecy Unfulfilled

Wayne Talbot, *Prophecy Unfulfilled* represents a continuation of the author's quest for the truth of God by firstly uncovering the untruths that he had been taught during his formative years as a Catholic Earlier works focused on the claimed new replacement covenant the rejection of the Sabbath and the rejection of Torah Using the rules of evidence as in a court of law this study seeks to evaluate the claimed messianic prophecy fulfillment by Jesus some two thousand years ago The first part of the book discusses the nature of evidence and how the rules regarding written evidence vary significantly from those of oral evidence the latter being used most often by biblical scholars and Christian apologists The first step is to authenticate the extant documents by examining the chain of custody and thus establish authority Next is to authenticate the attributed authorship of the writings to determine whether the authors were firsthand witnesses of the events they described or whether their narratives are hearsay with or without corroboration Where little verbal agreement is found this is circumstantial evidence of separate traditions developing the resultant theology The study proceeds by examining every verse in the NKJV New King James Version of the New Testament that is annotated as being in fulfillment of prophecy comparing the wording against both the NKJV Old Testament and an English translation of the Hebrew scriptures Where

significant variations exist the author seeks an understanding from New Testament scholars whom he frequently quotes The eschatological temper of the early church is given due consideration especially concerning the expectations of the Jews regarding the mission of the Messiah Finally the accomplishments of Jesus as enshrined in Christian creeds is compared with what is spoken of by the prophets The author's conclusion is encapsulated in the book's title The Stone Rejected Delena Spinelli,2006-11 This divinely inspired body of work has been fifteen years in the making covering three continents and six countries The revelations contained in The Stone Rejected are God breathed and purposely prepared for this hour in time It is the fulfillment of God's word spoken in the book of Habakkuk which commands Write the vision and make it plain upon tablets that he may run that read it For the vision is yet for an appointed time but at the end it shall speak and not lie Today mankind is thirsty for truth and it is because truth is always logical and its foundation is based on pure fact When applied it conforms not only to fact but reason A lie must change or metamorphose to hold its power over one's mind This is what has happened to the original word of God It has been changed so many times that it has almost become unrecognizable Therefore the sword of truth has been commanded to rise and cut into pieces the body of deception which stands behind the mask of religion

The Prophets Brian Simmons,2025-04-01 The books of the Prophets abound with vivid prophecies astounding visions and comforting assurances of God's faithful love Isaiah foretells our Savior Jeremiah and Lamentations chronicle and mourn the fall of Jerusalem Ezekiel details glorious visions and Daniel shares stories of heroic faith and wisdom Joel Amos and Zephaniah proclaim the judgment and blessing of the day of Yahweh Hosea illustrates God's unconditional unceasing love and Jonah shows God's eagerness to forgive Obadiah Micah Nahum and Habakkuk vividly warn of Yahweh's wrath on injustice and economic exploitation while Haggai Zechariah and Malachi share hope from the postexilic era See God's eternal passion for justice and his heart of mercy watch his spectacular plan unfold and be empowered to live righteously today Yahweh is slow to anger and so rich in extravagant love for you Joel 2 13 , **The Island of Avalon: Volume 1** Francis Lot,2015-06-12 La matiere de Bretagne is a name given collectively to the body of medieval literature and legendary material associated with Great Britain especially King Arthur and his knights and their association to the Grail It is the link between the Grail stories and the legends of both King Arthur and Joseph of Arimathea and their connection to Glastonbury the Island of Avalon which is central to this investigation The legend of King Arthur at Glastonbury is primarily derived from Geoffrey of Monmouth's mention of King Arthur's arrival at the Island of Avalon after his fatal fight with Mordred It is the later bogus disinterment of King Arthur's manufactured grave at Glastonbury which establishes Glastonbury's synonymy with Avalon This volume sets out to show how the abbot of Glastonbury Henry Blois used Geoffrey of Monmouth as a nom de plume and concocted the epic tale from Brutus to Arthur which is now known as the History of the Kings of Britain and was responsible for composing the Prophecies of Merlin

My Words Are Spirit and Life James Regan,2006-02-16 Darwin set out to sea with his voyage on the Beagle he was not quite sure what he would discover but he had an idea When Christopher Columbus set

out to sea he had a plan to discover a new trade route but he found a new land When Martin Luther King set out on his journey to discover He said I have a dream Each of them made the decision to leave the comfort of where they were and had the courage to venture out in order to discover This book is a book of discovery It is a book of truth It will take you down to the core of you This book will allow you to take a personal safari of self discovery and you should find your place in the midst of things Yet it is not the journey that is the most difficult part no in each case it was the decision to begin that proved to be the greatest obstacle Do you think you can muster up the courage for a journey of this kind The original pilgrims and the settlers of this country thought America to be worth the fight They decided to go through whatever they had to go through to obtain the benefits of their journey The things that you obtain in return for your willingness to proceed may prove to be quite priceless Are you worth the fight Typical topics that are found in the book 1 That life did not necessarily start out in the sea 2 DNA doesn't intend to leave things to chance 3 Green plants and red blood are interconnected 4 Chemical reactions prefer the number 8 5 Seven lines of proof showing that plants were here before the animals 6 What clues about our origins are embedded in the art patterns that are found in nature 7 What truth does camouflage reveal beyond its protective abilities A few references for you from those who have already enjoyed the book Recommended reading for anybody who wants to review fairly the evidence in nature for a Supreme Being *Prophecy and Society in Ancient Israel* Robert R.
