The Love Letter Of John Henry Holliday:

The Love Letter of John Henry Holliday Mary Fancher, 2014-12-30 When John Henry Doc Holliday dies in 1887 the only person notified of his death is a nun in the religious order of the Sisters of Mercy This person is his cousin his confidant his beloved Mattie She would later state that if people had known him the way she knew him they would have seen a different person from the one of Western fame Throughout the years John Henry lives in the West until his death at age thirty seven the two cousins keep up a steady correspondence The Love Letter of John Henry Holliday is his last letter to Mattie as imagined by the author It is both a reflection on a life almost over and a testament to a love that has never faded This book comes highly recommended by The Historical Novel Society Through Fancher's careful research and spare eloquence we are left with the sharply memorable impression that Holliday himself though often poor and downcast was anything but marginal and Fancher's portraits of many other figures in Holliday's life are equally lovingly detailed The result is a slim but powerful reading experience

Fighting for Air-the Unknown Adventures of Young Doc Holliday Jack Kincade, 2008-07-03 This is how the boy became the man and this is how that young man became the Legend And some say it all happened just like this Written in the rich epic vein of Lonesome Dove Tombstone and Wyatt Earp this vast new American Western novel seems hand forged right out of the glowing gun metal and billowing blue gun smoke of close quarters combat Finally these unwritten chapters of one of the Wild West's greatest real life heroes flash dangerously to life across the open pages of Fighting for Air the Unknown Adventures of Young Doc Holliday by Jack Kincade as if illuminated by gunfire It's a huge stirring American fable filled with young love and unexpected loss perfect friendship and unquestionable honor all set amid the swirling gun smoke of his heroic and blood stained youth

Doc Holliday's Road to Tombstone Tom Barnes, 2005-12-08 John Henry Holliday steps off the train at Atlanta's Union Station fresh out of the Pennsylvania Dental College and into Mattie's arms But the storybook romance between the young dentist and his cousin is cut short by disease and family strife Some close relatives are grouching at the couple to break off their relationship but they are unwilling to bow to family pressures However his financial reverses and physical health conspire to make that happen John Henry is diagnosed with tuberculosis and doctors suggest a dryer climate in the West Mattie pleads to go with him but John Henry says no and travels to Dallas alone The dry climate stabilizes his condition but he is unable to make a living from his dental practice Dispirited and alone he is eventually attracted to saloon life where he takes a new name and calling Doc Holliday frontier gambler Kate Elder a spunky little saloon girl sets her sights on Doc And when trouble comes at Ft Griffin and a noose is about to be tied around Doc's neck Kate executes a daring escape plan and the two ride north through Indian territory to Dodge City Kansas Doc sets up a dental practice in the cattle town and becomes acquainted with the likes of Wyatt Earp Bat Masterson Luke Short and Eddie Foy When a wild bunch of drunken cowboy's corner Wyatt Earp Doc hurries to his rescue with a 38 in one hand and a 44 in the other That moment was the beginning of a lifelong friendship Wyatt Earp would never forget that day at

Dodge City when Doc Holliday using courage and grit saved his life Doc's tenuous relationship with Kate dragged along simply because he was beholden to her for saving him from the hangman's noose at Ft Griffin Their tumultuous relationship continued though as they follow the migration of the Dodge City crowd south to Tombstone Arizona A corrupt political ring backs the cowboy outlaw faction with the complicity of the Cochise County Sheriff Doc has friends in both camps but joins Wyatt and his brothers on the side of law and order where his courage and loyalty are once again tested when he stands with the Earps in the shootout at the Ok Corral Doc survives the gunfight but death from tuberculosis is never far away Mattie desperate in her loneliness writes that she had become a nun and with those vows has taken a new name Sister Mary Melanie Doc is stung by the news but he is quick to realize that it was his own neglect that had placed Mattie in the nunnery He is fully aware that his days are numbered but he never wavers in his love for the girl back home Following Doc's death Wyatt Earp spoke of his friend and said Doc was the most skillful gambler and the speediest deadliest man with a six gun I ever knew

According to Kate Chris Enss,2019-10-01 2020 Will Rogers Medallion Award Winner Western Biographies Doc Holliday's paramour Big Nose Kate could never get a publisher to give her the big bucks she demanded to tell the story of her life but that didn't mean she didn't collect material she wanted to use in a biography Over the fifty years Mary Kate Cummings alias Big Nose Kate traversed the West she saved letters from her family musings she had written about her love interests and life with the notorious John Henry Holliday Using rare never before published material Big Nose Kate stock piled in anticipation of writing the tale of her days on the Wild Frontier the definitive book about the famous soiled dove will finally be told Kate claims to have witnessed the Gunfight at the OK Corral and exchanged words with the likes of Wyatt Earp and Josephine Marcus There's no doubt she embellished her adventures but that doesn't take away from their historical importance She was a controversial figure in a rough and rowdy territory What she witnessed the lifestyle she led and the influential western people she met are fascinating and represent a time period much romanticized

Doc Mary Doria Russell,2012-03-06 NATIONAL BESTSELLER Born to the life of a Southern gentleman Dr John Henry Holliday arrives on the Texas frontier hoping that the dry air and sunshine of the West will restore him to health Soon with few job prospects Doc Holliday is gambling professionally with his partner Maria Katarina Harony a high strung classically educated Hungarian whore In search of high stakes poker the couple hits the saloons of Dodge City And that is where the unlikely friendship of Doc Holliday and a fearless lawman named Wyatt Earp begins before the gunfight at the O K Corral links their names forever in American frontier mythology when neither man wanted fame or deserved notoriety

Doc's Girls Elizabeth Bogue,2010-07-26 It all started with one letter It was unopened unscathed unread and hidden in one of Dr John Henry Holliday's traveling cases The letter's dark secret revealed that Doc thirteen years prior fathered a child with his beloved cousin Martha Ann Holliday With this revelation came a morbid cynical twist to fate that would forever change each

participants life forever An adventurous tale about Doctor John Henry Holliday A very educated and refined southern boy who had survived the Civil War and grew up to become a respected Dentist but became plagued with tuberculosis at a very young age and traded his status in life along with family and friends in Georgia to travel west and try to improve his health However in the course of time he became a gambler fearless gunfighter and at times would engage in wild business ventures His life has intrigued us because he was unusual and not by any means typical to most men who would have visited wild and unsettled cow towns Written from a fresh prospective of what could have been true in the dark secretive life of one of America s legendary western hero s He is joined by his best friend and colleague Wyatt Earp as well as a companion and known prostitute Kate Fisher who was better known as Big Nose Kate and his beloved cousin Martha Ann Holliday whom Doc had always had a special bond with and whom became a nun after Doc left and went west This is a story full of surprises cattle rustling murder gambling deceitful acquaintances and adventurous fun This is the first of five highly anticipated fictional novels others will be about growing up during the Civil War traveling from one cow town to another Tombstone adventures and the revealing of many secrets that one man none other than the infamous Doc Holliday held deep within his ravaged body So sit down Partner saddle up and enjoy this heart pounding ride Vengeance of the Ripper Steven M Leshin,2009-06-09 Jack the Ripper the first famously known serial killer escapes after his murderous rampage in London and shows up 20 years later in Los Angeles Three prostitutes are murdered in the span of a few nights At the same time legendary lawman Wyatt Earp settling in the city receives a letter beyond the grave from his old friend Doc Holliday Wyatt and his wife Josie are led to the outskirts of the city where they find more than they bargained for Soon Wyatt must race against time to stop the Ripper from claiming another victim Josie Wyatt enlists the aide of good friend Bat Masterson another western legend **Journal of the American Bankers Association** American Bankers Association,1921 *Doc Holliday* Gary L. Roberts,2011-05-12 Acclaim for Doc Holliday Splendid not only the most readable yet definitive study of Holliday yet published it is one of the best biographies of nineteenth century Western good bad men to appear in the last twenty years It was so vivid and gripping that I read it twice Howard R Lamar Sterling Professor Emeritus of History Yale University and author of The New Encyclopedia of the American West The history of the American West is full of figures who have lived on as romanticized legends They deserve serious study simply because they have continued to grip the public imagination Such was Doc Holliday and Gary Roberts has produced a model for looking at both the life and the legend of these frontier immortals Robert M Utley author of The Lance and the Shield The Life and Times of Sitting Bull Doc Holliday emerges from the shadows for the first time in this important work of Western biography Gary L Roberts has put flesh and soul to the man who has long been one of the most mysterious figures of frontier history This is both an important work and a wonderful read Casey Tefertiller author of Wyatt Earp The Life Behind the Legend Gary Roberts is one of a foremost class of writers who has created a real literature and authentic history of the so called Western His exhaustively researched and

beautifully written Doc Holliday The Life and Legend reveals a pathetically ill and tortured figure but one of such intense loyalty to Wyatt Earp that it brought him limping to the O K Corral and into the glare of history Jack Burrows author of John Ringo The Gunfighter Who Never Was Gary L Roberts manifested an interest in Doc Holliday at a very early age and he has devoted these past thirty odd years to serious and detailed research in the development and writing of Doc Holliday The Life and Legend The world knows Holliday as Doc Holliday Family members knew him as John Somewhere in between the two lies the real John Henry Holliday Roberts reflects this concept in his writing This book should be of interest to Holliday devotees as well as newly found readers Susan McKey Thomas cousin of Doc Holliday and coauthor of In Search of the Hollidays *St. Nicholas* ,1896 **Banking** ,1921 Herald and Presbyter ,1905 **St. Nicholas** Mary Mapes Dodge,1896 *Bible Society record* ,1906 The Larkin Papers Thomas Oliver Larkin,George Peter Hammond,

The Long-Lost Love Letters of Doc Holliday David Corbett,2023-08-15 The most notorious love letters in American history supposedly destroyed a century ago mysteriously reappear and become the coveted prize in a fierce battle for possession that brings back to life the lawless world evoked in the letters themselves Lisa Balamaro is an ambitious arts lawyer with a secret crush on her most intriguing client former rodeo rider and reformed art forger Tuck Mercer In his newfound role as expert in Old West artifacts Tuck gains possession of the supposedly destroyed correspondence between Doc Holliday and his cousin and childhood sweetheart Mattie who would become Sister Mary Melanie of the Sisters of Mercy Given the unlikelihood the letters can ever be fully authenticated Tuck retains Lisa on behalf of the letters own Rayella Vargas to sell them on the black market But the buyer Tuck finds a duplicitous judge from the Tombstone area has other far more menacing ideas As Lisa works feverishly to make things right Rayella secretly enlists her ex marine boyfriend in a daring scheme of her own When the judge learns he s been blindsided he rallies a cadre of armed men for a deadly standoff

reminiscent of the moment in history that made Doc famous The Gunfight at the OK Corral *American Alchemy* Brian Roberts, 2003-06-19 California during the gold rush was a place of disputed claims shoot outs gambling halls and prostitution a place populated by that rough and rebellious figure the forty niner in short a place that seems utterly unconnected to middle class culture In *American Alchemy* however Brian Roberts offers a surprising challenge to this assumption Roberts points to a long neglected truth of the gold rush many of the northeastern forty niners who ventured westward were in fact middle class in origin status and values Tracing the experiences and adventures both of these men and of the unseen forty niners women who stayed back East while their husbands went out West he shows that whatever else the gold seekers abandoned on the road to California they did not simply turn their backs on middle class culture Ultimately Roberts argues the story told here reveals an overlooked chapter in the history of the formation of the middle class While the acquisition of respectability reflects one stage in this history he says the gold rush constitutes a second stage a rebellion against standards of respectability
