The Magic of Natural Remedies for Curing and Healing Naturally John Davidson, Dueep J. Singh, 2013-05-15 The Magic of Natural Remedies for Curing and Healing Naturally Table of Contents Introduction Keeping Our Teeth Healthy Foods to Avoid Ginger Remedy Alum Turmeric Remedy Turmeric tooth powder Colored Bottle Remedies Skincare Remedy Time Tested Sore Throat Remedy Sinus problems Extremely Easy Cough Remedy Rock salt Remedy Turmeric Remedy Banana remedy for asthma Natural remedies for heart attack prevention Mint Leaves Remedy Best Natural Diet for People Suffering from Heart Problems Tonic to Strengthen Your Heart Lowering Cholesterol Raisins Remedy Garlic for Lowering Cholesterol Who Should Avoid Garlic Garlic to Cure Sciatica Sweet Almond Oil Conclusion Author Bio Introduction If you are familiar with my magic series you may have noticed that many of these books concentrate on just one magic herb or a magic spice which is going to cure you Naturally the spices and herbs have been used since ancient times to help keep people healthy beautiful and also youthful Remember that not everybody in grandma s time or even in the time of our ancestors could afford to go to the doctor In fact physicians were only restricted to people who could pay their exorbitant fees The rest of the common crowd made do with the knowledge that had been passed down to them by their ancestors and also from the knowledge gained through experimenting on their own This is how so many natural remedies came into vogue and so many of them proved to be successful Many of them were quack remedies but this was because many of the ingredients which were used here were rather astonishing when seen by a 21st century perspective Nevertheless there was some particular reason why these quack remedies proved to be successful because they had some material in them which was able to cure people Now let us take for example the use of goose grease for rubbing on the scalp to make the hair grow faster Goose grease is nothing but fatty oil It moisturized the scalp You could get the same results by rubbing in sheep fat So if our ancestors did not have one thing they made do with something

approximating that item in their opinion So one had to use goose grease and passed on this knowledge to his descendants the coming generations began to believe that yes this was the product which would make your hair grow long lustrous and healthy It would also keep your scalp dandruff free Now what was the reason why so many people in ancient times kept healthy even though they lived in unhygienic surroundings Firstly they had a strong constitution and did not coddle themselves They knew the value of the sun and the fresh air and they stayed out as much as they could They just came home to rest eat and possibly recuperate if they suffered from some ailment or from injuries Also they were very particular about their diet They enjoyed plenty of fresh fruit and vegetables They also drank fresh milk in large quantities whenever they could as well as ate milk products like butter butter milk cheese and cottage cheese as often as they could and when they could afford it The wealth of a tribe depended on that the amount of cows and goats they had Other livestock was also very precious but these came paramount Whenever people of one tribe were attacked by people of other tribes the cry went up cows pigs horses goats and sheep first children second The young children along with the animals were hidden away with the elders who led the adults of the tribe do the fighting This fighting was done sometimes to the death by the men and women of the tribe The elders who were unable to fight were considered to be the people who would help the children survive with knowledge about their ancient heritage This was the time when herbal lore was passed down to the generations from the elders of the tribe to the young next generation and the youngest generation
