F Kennedy over half of all Americans surveyed continue to believe that he was killed by a conspiracy involving multiple assassins Through its reasoned and detailed analysis of the content and evolution of JFK conspiracy narratives this book also serves as a comprehensive case study of paranoid reasoning and modern mythmaking The book s opening chapters lay out the official academic consensus concerning the Kennedy assassination better known as the Lone Gunman Theory and discuss the origins of popular interpretations of Kennedy s life and death such as the nostalgic myth of Camelot the unsympathetic Irish Mafia narrative and the many conspiracy theories critical of both Subsequent sections scrutinize the alleged motives of leading conspiracy suspects the ballistic forensic and medical evidence related to JFK s murder and the most popular proofs of an enduring government cover up The book concludes that no clear evidence exists to suggest that JFK was the victim of a conspiracy and ends with a discussion of the causes and consequences of paranoid thinking in contemporary public discourse This volume will appeal to students of history politics psychology and cultural and media studies and to a broader audience interested in American history critical thinking and conspiracy thinking Kennedy and Oswald Judyth Baker,Edward Schwartz,2017-12-01 Unraveling the many strands of hidden history behind the assassination of President Kennedy is not an easy task Co authors Baker and Schwartz guide us toward the conclusion that ultimately the motivation was total governmental control a coup d tat changing us from a democratic republic to a oligopoly a corporatocracy With help from new witnesses regarding the Crime of the Century we are led to the realization that the War of Terror and the Patriot Act were predesigned to undermine our US Constitution and our Bill of Rights The very moment Kennedy died our own government turned against We the People Baker and Schwartz provide a compelling narrative showing Oswald s innocence and a condemnation of the conspirators who planned and carried out the assassination of our 35th president and our Republic **LBJ: From Mastermind to "The Colossus"** Phillip F. Nelson,2014-11-04 Phillip F Nelson s new book begins where LBJ The Mastermind of the JFK Assassination left off Now president Johnson begins to push Congress to enact long dormant legislation that he had previously impeded always insisting that the timing wasn t right Nelson argues that the passage of Johnson s Great Society legislation was designed to take the focus of the nation off the assassination as well as lay the groundwork for building his own legacy Nelson also examines Johnson s plan to redirect US foreign policy within days of becoming president as he maneuvered to insert the US military into the civil war being fought in Vietnam This he thought would provide another means to achieve his goal of becoming a great wartime president In addition Nelson presents evidence to show that the Israeli attack on the USS Liberty in 1967 was arguably directed by Johnson against his own ship and the 294 sailors on board as a way to insert the US military into the Six Day War It only failed because the Liberty refused to sink Finally Nelson presents newly discovered documents from the files of Texas Ranger Clint Peoples that prove Johnson was closely involved with Billie Sol Estes and had made millions from Estes s frauds against taxpayers These papers show linkages to Johnson s criminal behavior the very point that his other biographers ignore Skyhorse Publishing as well as our

Faustian Bargains Joan Mellen, 2016-09-13 Lyndon Johnson and Mac Wallace crossed paths only briefly but Wallace's life especially one violent episode and its intricate aftermath illuminates the dark side of our 36th president Perhaps no president has a more ambiguous reputation than LBJ A brilliant tactician he maneuvered colleagues and turned bills into law better than anyone But he was trailed by a legacy of underhanded dealings from his stolen Senate election in 1948 to kickbacks he artfully concealed from deals engineered with Texas wheeler dealer Billie Sol Estes and defense contractors like his longtime supporter Brown Root On the verge of investigation Johnson was reprieved when he became president upon JFK's assassination Among the remaining mysteries has been LBJ's relationship to Mac Wallace who in 1951 shot a Texas man having an affair with LBJ's loose cannon sister Josefa also Wallace's lover When arrested Wallace coolly said I work for Johnson I need to get back to Washington Charged with murder he was overnight defended by LBJ's powerful lawyer John Cofer and though convicted amazingly received a suspended sentence He then got high security clearance from LBJ friend and defense contractor D H Byrd which the Office of Naval Intelligence tried to revoke for 11 years without success Using crucial Life magazine and Naval Intelligence files and the unredacted FBI files on Mac Wallace never before utilized by others investigative writer Joan Mellen skillfully connects these two disparate Texas lives and lends stark credence to the dark side of Lyndon Johnson that has largely gone unsubstantiated
