parliamentary debates legal records private papers and interviews David Parker examines the role of pistols and sabres in shaping the everyday workings of a raucous public sphere Demonstrating that the duel was no simple throwback to archaic conceptions of masculine honour and chivalry *The Pen the Sword and the Law* illustrates how duelling went hand in hand with democracy and freedom of the press in one of South America's most progressive nations **The Greatest Sea**

Gura,2023-01-15 A riveting story of faith politics and ideas Liberty or Justice for All brings to life four of America s greatest thinkers whose dialogue across the ages has never been more relevant The book traces a striking pattern the vexed relationship of individual liberty to inclusive social justice in an elaborate fabric woven over more than three centuries of American history Philip F Gura begins his nimble tale with Jonathan Edwards a fiery preacher who insisted that God would

reward those who embraced social cooperation One generation later the Founding Fathers grounded their own project of civic renewal in rights and freedom But if every citizen is guaranteed life liberty and the pursuit of happiness does this mean America is a nation where the individual reigns supreme America s young democracy soon found its prophet in Ralph Waldo Emerson who preached a gospel of self reliance small government and self improvement But with the coming of the Civil War Emerson s triumphant individual became a cog in a vast war machine Radical technological transformations convinced the psychologist turned philosopher William James that the self was more fragmented and fragile than Emerson believed He found virtue in pluralism and diversity seeing selfishness as the cardinal sin Two world wars and several failed revolutions later John Rawls shaken by the divisions of Vietnam sought to establish a new secular foundation for social cooperation Over time we have sought to hold these opposing value systems in delicate balance promising both liberty and justice for all

The Life of Jesus: According to the Study and Criticism of the Bible Ernest Renan, 2020-12-17 The Life of Jesus is a book based on the idea that the life of Jesus should be written like the life of any historic person and that the Bible could and should be subject to the same critical scrutiny as other historical document Renan attributed the idea of the book to his sister Henriette with whom he was traveling in Ottoman Syria and Palestine when struck with a fever she died suddenly With only a New Testament and copy of Josephus as references he began writing The book was based largely on the Gospel of John and was a scholarly work It depicted Jesus as a man but not God and rejected the miracles of the Gospel Renan believed by humanizing Jesus he was restoring to him a greater dignity The Life of Jesus promoted racial ideas and infused race into theology and the

person of Jesus the author depicted Jesus as a Galilean who was transformed from a Jew into a Christian and that Christianity emerged purified of any Jewish influences
