Genest, 1832 **The Old English Country Squire** Peter Hampson Ditchfield, 1912 [The Works of the English and Scottish Reformers: The works of Tyndale continued](#) Thomas Russell, 1828 **The Works of the English Reformers:**

William Tyndale and John Frith. Edited by T. Russell, Etc William Tyndale, 1831 **The Catholic Directory, Ecclesiastical Register, and Almanac**, 1896 *Living Death in Early Modern Drama* James Alsop, 2024-07-31 This book explores historical socio political and metatheatrical readings of a whole host of dying bodies and risen corpses each part of a long tradition of living death on stage Just as zombies ghouls and the undead in modern media often stand in for present day concerns early modern writers frequently imagined living death in complex ways that allowed them to address contemporary anxieties These include fresh bleeding bodies and body parts ghostly Lord Mayors and dying characters who must carefully choose their last words or have those words chosen for them by the living As well as offering fresh interpretations of well known plays such as Middleton's *The Lady's Tragedy* and Webster's *The White Devil* this innovative study also sheds light on less well known works such as the anonymous *The Tragedy of Locrine* Marston's *Antonio's Revenge* and Munday's mayoral pageants *Chruso thriambos* and *Chrysanaleia* The author demonstrates that wherever characters in early modern drama appear to straddle the line between this world and the next it is rarely a simple matter of life and death This book will be of great interest to students scholars and practitioners in theatre and performance studies and cultural and social studies

Margaret Oliphant's Curative Gothic Literature Katerina García-Walsh, 2025-11-06 Prolific Scottish novelist Margaret Oliphant 1828-1897 remembered chiefly for her realist fiction and biting literary criticism of contemporary authors also wrote nineteen supernatural tales This monograph offers a comprehensive exploration of Oliphant's Gothic literature in the light of her religious beliefs cultural context and experiences of death and mourning as she survived her husband and all six of her children Oliphant's stories set in the afterlife depict the dead as inhabiting a new existence characterised by spiritual growth while her tales set on earth attempt contact between the mortal and immortal planes García Walsh illustrates Oliphant's unique theological conception of afterliving which ultimately seeks to eradicate the divide between the living and

their deceased loved ones reimagining death as a liminal passage towards God and divine self development This book thus suggests a new direction for Gothic studies by showing how Oliphant's supernatural fiction provided a means of curative writing transforming the traumatic reality of death into a source of hope The volume is suited for students researchers and academics in the disciplines of literature and history particularly the fields of nineteenth century studies Victorian studies and Gothic studies with an interest in women's writing theology and mental health trauma studies

Staging Women and the Soul-Body Dynamic in Early Modern England Sarah E. Johnson, 2016-04-01 Though the gender coded soul body dynamic lies at the root of many negative and disempowering depictions of women Sarah Johnson here argues that it also functions as an effective tool for redefining gender expectations Building on past criticism that has concentrated on the debilitating cultural association of women with the body she investigates dramatic uses of the soul body dynamic that challenge the patriarchal subordination of women Focusing on two tragedies two comedies and a small selection of masques from approximately 1592-1614 Johnson develops a case for the importance of drama to scholarly considerations of the soul body dynamic which habitually turn to devotional works sermons and philosophical and religious treatises to elucidate this relationship Johnson structures her discussion around four theatrical relationships each of which is a gendered relationship analogous to the central soul body dynamic puppeteer and puppet tamer and tamed ghost and haunted and observer and spectacle Through its thorough and nuanced readings this study redefines one of the period's most pervasive analogies for conceptualizing women and their relations to men as more complex and shifting than criticism has previously assumed It also opens a new interpretive framework for reading representations of women adding to the ongoing feminist re-evaluation of the kinds of power women might actually wield despite the patriarchal strictures of their culture

Fathoming the Deep in English Renaissance Tragedy Laurence Publicover, 2024-09-04 This book demonstrates how a group of tragedies by Shakespeare and his contemporaries stage the fear and exhilaration generated by encounters with the unknown and the extraordinary Arguing that the maritime art of fathoming that is dropping a lead and line into water to measure its depth operates as a master image for these plays it illustrates how they create sublime horror through intuitions of mysterious more than human agencies and of worlds beyond the visible Though tightly focused on a specific body of imagery the book strikes up dialogue with a number of critical fields including theories and histories of tragedy ecocriticism and the environmental humanities oceanic studies and work on early modern ideas about the body madness and language Countering a tendency within tragic theory to value the textual over the dramatic it also demonstrates how the tragic effects to which it points are created through specific theatrical strategies including the use of offstage space intertheatricality and the violation of dramatic conventions Situating its arguments within recent criticism on these plays and on tragedy more generally and pushing back against scholarship that regards the genre in Shakespeare's time as concerned more with pity than with fear the book offers fresh and detailed readings of some of the most frequently studied plays in the English canon

including Hamlet King Lear Macbeth The Duchess of Malfi and The Changeling **Reliques of ancient English poetry, by T. Percy** English poetry, Thomas Percy (bp. of Dromore), 1880 The Guilty River and The Ghost's Touch Wilkie Collins, 1887
