The Last Great Hope:

Our Last Great Hope Ronnie Floyd, 2011-09-06 Every day we encounter scores of people headed to an eternity without God What will it take to wake us up to their desperate need for a Savior While the earth's time clock ticks away well meaning Christians go to church pay their tithes and pray for foreign missionaries going through the motions of Christian life as millions face an eternity without God If heaven is indeed for real and only those who have put their faith in Christ will be given entrance shouldn't we be making the most of every opportunity to share the Gospel the last great hope for all the world Join pastor Ronnie Floyd as he challenges readers to face reality and begin a global movement to reach the lost He says God is calling us to an awakening regarding his most urgent command found in Matthew 28:19 to go and make disciples of all nations This Great Commission is the compelling charge given to us with divine authority by our Commander in Chief Jesus Christ If the Great Commission was so important to Jesus why have we relegated it to casual discussions and an annual campaign in our churches An awakening has never been more needed In this challenging book Pastor Floyd discusses key imperatives such as Get honest with yourself Wake up your church Understand the urgency Talk Jesus daily Reach the next generation now Minimize structure Think like never before *The Last Best Hope* Joe Scarborough, 2010 Five years ago Scarborough stood alone in predicting the collapse of the Republican majority and the economic chaos that has shaken the country Now the author issues a challenge to his own political party reform or die The Last Best Hope Ronald Reagan, 2016-01-05 From the time he arrived on the political scene in 1964 throughout his presidency and beyond Ronald Reagan used his speeches to inspire and reinvigorate America When he spoke Reagan said he was preaching a sermon The American people saw his vision of America and his dreams for the future and they overwhelmingly responded he was re-elected in 1984 by the largest number of electoral votes in the nation's history Here in this collection of twenty-eight speeches spanning the Reagan era readers can find inspiration in Reagan's sermons From his first speech in the political arena in 1964 to his Last Letter to America informing Americans of his Alzheimer's disease Ronald Reagan's words show a profound belief in God freedom individualism limited government and his great love for his country In addition to an introduction by Reagan's son Michael Reagan each speech features an informative introduction which puts the speech into historical context making *The Last Best Hope* the perfect entrance into the influence of one of the major figures of the 20th century *America-The Last Best Hope (One-Volume Edition)* William J. Bennett, 2007-04-15. America, how well do you know your history? Who quelled a coup d'état by putting on a pair of reading glasses? Which U.S. senator was nearly caned to death on the Senate floor? Which first lady refused to serve alcohol in the White House? What famous inventor was called to find the assassin's bullet in President Garfield's back? Which successful candidate for president insisted on telling the truth about his sex scandal? Which beloved ex-president raced with death and poverty to write his best-selling memoirs, and which famous humorist came to his rescue? Which president carefully read the trial notes of 303 condemned Sioux warriors and spared all but 38 from the hangman's noose? Which four-eyed future president beat up a drunken bully in a saloon? In his Farewell Address, Ronald Reagan said, "if we forget what we have done, we will forget who we are." This book, written by one of Reagan's most loyal lieutenants, responds to Reagan's heartfelt call for an informed patriotism. We all need to know more about this land we love. Walter Isaacson Benjamin Franklin An American Life For too long Americans have been looking for a history of our country that tells the story of America's triumphs as well as its tragedies Now Bill Bennett has come forward with America The Last Best Hope which tells the story fairly and fully from 1492 to 1914 Americans who have been reading recent biographies of the Founding Fathers will love this book

Michael Barone US News World Report Bill Bennett's book will stand as perhaps the most important addition to American scholarship at this the start of the new century For the past fifty years American historians have either distorted American history or reduced it to a mess of boring indictments of our cultural and political heritage With this book Bennett offers to Americans young and old an exciting and enjoyable history of what makes America the greatest nation on earth

Brian Kennedy president The Claremont Institute **Last Best Hope** George Packer, 2021-06-15 One of The New York Times's 100 notable books of 2021 George Packer's account of America's decline into destructive tribalism is always illuminating and often dazzling

William Galston The Washington Post Acclaimed National Book Award winning author George Packer diagnoses America's descent into a failed state and envisions a path toward overcoming our injustices paralyzes and divides In the year 2020 Americans suffered one rude blow after another to their health livelihoods and collective self esteem A ruthless pandemic an inept and malign government response polarizing protests and an election marred by conspiracy theories left many citizens in despair about their country and its democratic experiment With pitiless precision the year exposed the nation's underlying conditions discredited elites weakened institutions blatant inequalities and how difficult they are to remedy In Last Best Hope George Packer traces the shocks back to their sources He explores the four narratives that now dominate American life

Free America which imagines a nation of separate individuals and serves the interests of corporations and the wealthy Smart America the world view of Silicon Valley and the professional elite Real America the white Christian nationalism of the heartland and Just America which sees citizens as members of identity groups that inflict or suffer oppression In lively and biting prose Packer shows that none of these narratives can sustain a democracy To point a more hopeful way forward he looks for a common American identity and finds it in the passion for equality the hidden code that Americans of diverse persuasions have held for centuries Today we are challenged again to fight for equality and renew what Alexis de Tocqueville called the art of self government In its strong voice and trenchant analysis Last Best Hope is an essential contribution to the literature of national renewal
