Cinematic Histospheres Rasmus Greiner, 2021-05-19 In this Open Access book film scholar Rasmus Greiner develops a theoretical model for the concept of the histosphere to refer to the sphere of a cinematically modelled physically experienceable historical world His analysis of practices of modelling and perceiving immersion and empathy experience and remembering appropriation and refiguration combine approaches from film studies such as Vivian Sobchack s phenomenology of film experience with historiographic theories such as Frank R Ankersmit s concept of historical experience Building on this

analysis Greiner examines the spatial and temporal organization of historical films and presents discussions of mood and atmosphere body and memory and genre and historical consciousness The analysis is based around three historical films spanning six decades that depict 1950s Germany Helmut K utner s Sky Without Stars 1955 Jutta Br ckner s Years of Hunger 1980 and Sven Bohse s three part TV series Ku damm 56 2016 The Routledge Handbook of Translation History Christopher Rundle,2021-09-30 The Routledge Handbook of Translation History presents the first comprehensive state of the art overview of this multi faceted disciplinary area and serves both as an introduction to carrying out research into translation and interpreting history and as a key point of reference for some of its main theoretical and methodological issues interdisciplinary approaches and research themes The Handbook brings together 30 eminent international scholars from a wide range of disciplinary backgrounds offering examples of the most innovative research while representing a wide range of approaches themes and cultural contexts The Handbook is divided into four sections the first looks at some key methodological and theoretical approaches the second examines some of the key research areas that have developed an interdisciplinary dialogue with translation history the third looks at translation history from the perspective of specific cultural and religious perspectives and the fourth offers a selection of case studies on some of the key topics to have emerged in translation and interpreting history over the past 20 years This Handbook is an indispensable resource for students and researchers of translation and interpreting history translation theory and related areas How the Movies Got a Past Dimitrios Latsis,2023 How the Movies Got a Past presents a comprehensive survey of the rise of historiographical discourse on cinema in North America as it is reflected in publications exhibitions lectures and films about the cinema as a technology artform and source of entertainment from its inception up to 1930 With a wealth of case studies and illustrations this book will appeal to media historians silent movie buffs film archivists and students alike **History and Film** Eleftheria Thanouli,2018-10-18 History and Film A Tale of Two Disciplines addresses the representation of history in cinema a much argued debate on the need to understand cinematic history in its own terms and develop a certain vocabulary for discussing historical films their relation to public history and their impact on public historical consciousness Eleftheria Thanouli does this by changing the agenda altogether combining a macro level perspective with a micro level one in order to argue that cinematic history is the dominant form of historiography in the 20th century as it succeeded in remediating and repurposing the key formal rhetorical and ideological practices of 19th century professional historiography With case studies ranging from The Thin Red Line and Life is Beautiful to The Fog of War and The Last Bolshevik Thanouli bridges the gap between history and film studies and lays the foundations for a new visual historiography **The Cambridge History of American Music** David Nicholls,1998-11-19 The Cambridge History of American Music first published in 1998 celebrates the richness of America s musical life It was the first study of music in the United States to be written by a team of scholars American music is an intricate tapestry of many cultures and the History reveals this wide array of influences from Native European

African Asian and other sources The History begins with a survey of the music of Native Americans and then explores the social historical and cultural events of musical life in the period until 1900 Other contributors examine the growth and influence of popular musics including film and stage music jazz rock and immigrant folk and regional musics The volume also includes valuable chapters on twentieth century art music including the experimental serial and tonal traditions **F Is for Phony** Alexandra Juhasz, Jesse Lerner, 2006 Film – An International Bibliography Malte Hagener, Michael Töteberg, 2016-12-16 Kommentierte Bibliografie Sie gibt Wissenschaftlern Studierenden und Journalisten zuverlässig Auskunft über rund 6000 internationale Veröffentlichungen zum Thema Film und Medien Die vorgestellten Rubriken reichen von Nachschlagewerk über Filmgeschichte bis hin zu Fernsehen Video Multimedia **The Historian's Toolbox** Robert C. Williams, 2011-12-21 Written in an engaging and entertaining style this widely used how to guide introduces readers to the theory craft and methods of history and provides a series of tools to help them research and understand the past Part I is a stimulating philosophical introduction to the key elements of history evidence narrative and judgment that explores how the study and concepts of history have evolved over the centuries Part II guides readers through the workshop of history Unlocking the historian's toolbox the chapters here describe the tricks of the trade with concrete examples of how to do history The tools include documents primary and secondary sources maps arguments bibliographies chronologies and many others This section also covers professional ethics and controversial issues such as plagiarism historical hoaxes and conspiracy theories Part III addresses the relevance of the study of history in today's fast paced world The chapters here will resonate with a new generation of readers on everyday history oral history material culture public history event analysis and historical research on the Internet This Part also includes two new chapters for this edition GIS and CSI examines the use of geographic information systems and the science of forensics in discovering and seeing the patterns of the past Too Much Information treats the issue of information overload glut fatigue and anxiety while giving the reader meaningful signals that can benefit the study and craft of history A new epilogue for this edition argues for the persistence of history as a useful and critically important way to understand the world despite the information deluge *Film Noir and the Spaces of Modernity* Edward Dimendberg, 2004-06-15 Exploring classic examples of film noir such as *The Asphalt Jungle* *Double Indemnity* and *The Naked City* alongside many lesser known works Dimendberg confirms that noir is not simply a reflection of modernity but a virtual continuation of the spaces of the metropolis **Historicizing Myths in Contemporary India** Swapna Gopinath, Rutuja Deshmukh, 2023-02-03 This book examines cinematic practices in Bollywood as narratives that assist in shaping the imagination of the age especially in contemporary India It examines historical films released in India since the new millennium and analyses cinema as a reflection of the changing socio political and economic conditions at any given period The chapters in *Historicizing Myths in Contemporary India* Cinematic Representations and Nationalist Agendas in Hindi Cinemas also illuminate different perspectives on how cinematic historical representations follow political patterns and

market compulsions giving precedence to a certain past over the other creating a narrative suited for the dominant narrative of the present From Mughal e Azam to Padmaavat and Bajirao Mastani to Raazi the chapters show how creating history out of myths validate hegemonic identities in a rapidly evolving Indian society The volume will be of interest to scholars of film and media studies literature and culture studies and South Asian studies

Culture in the Anteroom Johannes von Moltke, Gerd Gemünden, 2012-05-07 Culture in the Anteroom introduces an English speaking readership to the full range of Siegfried Kracauer's work as novelist architect journalist sociologist historian exile critic and theorist of visual culture This interdisciplinary anthology including pieces from Miriam Bratu Hansen Andreas Huyssen Noah Isenberg Lutz Koepnick Eric Rentschler and Heide Schlömann brings together literary and film scholars historians and art historians sociologists and architects to address the scope and current relevance of a body of work dedicated to investigating all aspects of modernism and modernity The contributors approach Kracauer's writings from a variety of angles some by placing them in dialogue with his contemporaries in Weimar Germany and the New York Intellectuals of the 1940s and 50s others by exploring relatively unknown facets of Kracauer's oeuvre by considering his contributions to architectural history the history of radio as well as other new media and museum and exhibition culture

The Cambridge History of Science Fiction Gerry Canavan, Eric Carl Link, 2019-01-03 The first science fiction course in the American academy was held in the early 1950s In the sixty years since science fiction has become a recognized and established literary genre with a significant and growing body of scholarship The Cambridge History of Science Fiction is a landmark volume as the first authoritative history of the genre Over forty contributors with diverse and complementary specialties present a history of science fiction across national and genre boundaries and trace its intellectual and creative roots in the philosophical and fantastic narratives of the ancient past Science fiction as a literary genre is the central focus of the volume but fundamental to its story is its non literary cultural manifestations and influence Coverage thus includes transmedia manifestations as an integral part of the genre's history including not only short stories and novels but also film art architecture music comics and interactive media

TV on Strike Cynthia Littleton, 2013-01-31 TV on Strike examines the upheaval in the entertainment industry by telling the inside story of the hundred day writers strike that crippled Hollywood in late 2007 and early 2008 The television industry's uneasy transition to the digital age was the driving force behind the most significant labor dispute of the twenty first century The strike put a spotlight on how the advent of new media distribution platforms is reshaping the traditional business models that have governed the television industry for decades The uncertainty that sent writers out into the streets of Los Angeles and New York with picket signs laid bare the depth of the divide between the media barons who rule the entertainment industry and the writers who are integral as the creators of movies and television shows With both sides afraid of losing millions in future profits a critical communication breakdown spurred a fierce battle with repercussions that continue today The saga of the Writers Guild of America strike is told through the eyes of the key players on both sides of the negotiating table and of

the foot soldiers who surprised even themselves with the strength of their resolve to fight for their rights in the face of an ambiguous future In the years since the strike ended the rise of digital distribution platforms has changed the business landscape in ways that few could have predicted when Hollywood guilds were feverishly trying to hammer out a contract template for a new era **The Truth behind Historical Films** Tom May, **The Oxford History of World Cinema**, 1996-10-17 From its humble beginnings as a novelty in a handful of cities cinema has risen to become a billion dollar industry and the most spectacular and original contemporary art form It has spread to all parts of the globe and is enjoyed by audiences that cut across all sections of society The Oxford History of World Cinema traces the history of this enduringly popular entertainment medium Covering all aspects of its development stars studios and cultural impact the book celebrates and chronicles over one hundred years of diverse achievement from westerns to the New Wave from animation to the Avant Garde and from Hollywood to Hong Kong An international team of distinguished film historians tells the story of the major inventions and developments in the cinema business its institutions genres and personnel other chapters outline the evolution of national cinemas round the world the varied and distinctive filmic traditions that have developed alongside Hollywood A unique aspect of the book are the special inset features on the film makers and personalities Garbo and Godard Keaton and Kurosawa Bugs Bunny and Bergman who have had an enduring impact in popular memory and cinematic lore With over 300 illustrations a full bibliography and an extensive index this is the buff's ultimate guide to cinema worldwide

Historical Turns Nicholas Baer, 2024-07-30 Historical Turns reassesses Weimar cinema in light of the crisis of historicism widely diagnosed by German philosophers in the early twentieth century Through bold new analyses of five legendary works of German silent cinema The Cabinet of Dr Caligari Destiny Rhythm 21 The Holy Mountain and Metropolis Nicholas Baer argues that films of the Weimar Republic lent vivid expression to the crisis of historical thinking With their experiments in cinematic form and style these modernist films revealed the capacity of the medium to engage with fundamental questions about the philosophy of history Reconstructing the debates over historicism that unfolded during the initial decades of moving image culture Historical Turns proposes a more reflexive mode of historiography and expands the field of film and media philosophy The book excavates a rich archive of ideas that illuminate our own moment of rapid media transformation and political economic and environmental crises around the globe **Encyclopedia of American Jewish History** Stephen H. Norwood, Eunice G. Pollack, 2007-08-28 Written by the most prominent scholars in American Jewish history this encyclopedia illuminates the varied experiences of America's Jews and their impact on American society and culture over three and a half centuries American Jews have profoundly shaped and been shaped by American culture Yet American history texts have largely ignored the Jewish experience The Encyclopedia of American Jewish History corrects that omission In essays and short entries written by 125 of the world's leading scholars of American Jewish history and culture this encyclopedia explores both religious and secular aspects of American Jewish life It examines the European background

and immigration of American Jews and their impact on the professions and academic disciplines mass culture and the arts literature and theater and labor and radical movements It explores Zionism antisemitism responses to the Holocaust the branches of Judaism and Jews relations with other groups including Christians Muslims and African Americans The encyclopedia covers the Jewish press and education Jewish organizations and Jews participation in America s wars In two comprehensive volumes Encyclopedia of American Jewish History makes 350 years of American Jewish experience accessible to scholars all levels of students and the reading public
