Schools of Magic Megan H. Suttie, 2023-02-15 What happens when the classroom and the fantastic meet When lessons cover spells and potions alongside science and language arts Through fantastic school stories fiction involving the intersection of fantasy and school the cycle of lessons homework exams and graduation becomes new again inviting us to consider what schools are teaching who can be a student and how knowledge is developed Introducing a new framework for analyzing texts in the fantastic school story subgenre this book examines texts including the Harry Potter series Lev Grossman's *Magicians* trilogy Terry Pratchett's *Discworld* and Patrick Rothfuss's *Kingkiller Chronicle* along with

works by Jane Yolen Nnedi Okorafor and Tracy Deonn This holistic framework combines the methods of fantasy literature scholarship the focus of school story analyses and an awareness of hidden lessons taught alongside official subjects allowing for nuanced examinations of topics such as standardized testing apprenticeships and access to education *Storytelling Strategies for Reaching and Teaching Children with Special Needs* Sherry Norfolk, Lyn Ford, 2017-11-21 This book supplies stories essays lesson plans and specialized storytelling strategies to help teachers level the playing field for all learners and better serve children with special needs More than 57 percent of the over 6 million American children with disabilities are in inclusive i e general classrooms self contained classrooms serve children whose disabilities are either more severe or disruptive As much as 20 percent of the children in an inclusive classroom are identified as disabled with the highest percentage of these having learning disabilities While most classrooms have at least one child with a disability teachers often have little or no training in educating and caring for these children The need for resources that support educators working with children with disabilities or social emotional difficulties is clear This book fills this critical need supplying school and public librarians classroom and special area teachers and storytelling teaching artists with storytelling strategies for reaching and teaching children with special needs in inclusive classrooms self contained classrooms and public and school libraries These full text stories essays and lesson plans from experienced storytelling teaching artists provide educators with a wide range of adaptable storytelling and teaching strategies for specific disabilities and enable storytellers to discover new ways to perform their storytelling magic The book also offers compelling real life anecdotes that demonstrate the impact of these strategies in inclusive and self contained classrooms presents an introduction to the skills of storytelling why they are useful and how to use them and includes suggested modifications for a wide range of disabilities as well as detailed resource lists **Place-Based Community Engagement in Higher Education** Erica K. Yamamura, Kent Koth, 2023-07-03

While an increasing number of universities have or are committed to engaging their campuses in their surrounding communities many recognize they lack the strategic focus and resources to maximize and sustain their impact on those communities Place based community engagement provides a powerful way to creatively connect campus and community to foster positive social transformation In developing community engagement strategies most universities and community organizations face significant challenges in deciding who to partner with and why Frequently this leads universities and community organizations to say yes to too many opportunities which significantly limit their ability to pursue long term impact Focusing on an established geographic area can make it much easier to decide where to deploy resources and which partnerships to prioritize and thus increase their ability to form strong and sustainable partnerships that are of greater value to all stakeholders This book presents the emerging model of place based community engagement as a powerful process for attaining more positive and enduring results in their local communities as well as stimulating wider engagement by campus constituencies Drawing upon the concept of collective impact and using data driven decision making place based initiatives

build long term partnerships based upon a shared vision Done thoughtfully these place based initiatives have attained impressive results Drawing upon the case studies of five institutions that have implemented place based community engagement initiatives the authors provide guidance on the opportunities challenges and considerations involved in putting a place based approach into effect By sharing the experiences of these five institutions they describe in detail the routes each took to turn their place based initiatives from concept to reality and the results they achieved
