The Jewel In The Crown:

The Jewel in the Crown Paul Scott, 2022-12-22 The first novel in the epic quartet about the last days of British rule in India as much a story of romantic love as it is of crime an artful triumph The New Yorker The Jewel in the Crown is the first of Paul Scott's renowned historical novels that limn the Anglo Indian world with its lovers friends family servants soldiers businessmen murderers and suicides all involved in one another's fate The New York Times It opens in 1942 as the British fear both Japanese invasion and Indian demands for independence On the night after the Indian Congress Party votes to support Gandhi riots break out and an ambitious police sergeant arrests a young Indian for the alleged rape of the woman they both love What has always astonished me about The Raj Quartet is its sense of sophisticated and total control of its gigantic scenario and highly varied characters The politics are handled with an expertise that intrigues and never bores and are always seen in terms of individuals New Republic Paul Scott's vision is both precise and painterly The New York Times Book Review Few people have written about India quite as seductively or as intelligently with a sense of loss but also a sense of responsibility and fallibility Kirkus Reviews starred review *The Jewel in the Crown* Frank Simon, 2003 Eric Mason and Gary Nesbitt leaders of SecurityCheck Inc have earned the job of a lifetime testing the defenses of the Tower of London The two Christians are hired to attempt a break in to steal the Queen Mother's crown and see how well current security systems are working With the help of computer expert Ann O'Brien a new believer with a checkered past they succeed in their mission only to find themselves conned out of the priceless artifact Now the team must steal back the crown or face long years in jail for pulling off the biggest heist in Britain's history **The Jewel in the Crown**, 2008 **The Making of The Jewel in the Crown**, 1983 *The jewel in the crown* Paul Scott, 1984 **The Making of The Jewel in the Crown** Paul Scott, 1983 Discusses the production filming and cast of PBS television's Masterpiece Theater production of *The Jewel in the Crown* a fourteen week series based on Paul Scott's Raj Quartet novels focusing on the tumultuous history of India between 1942 and 1947 **The Jewel in the Crown** Paul Scott, 1966 **The jewel in the crown** Tim Pigott-Smith, Susan Wooldridge, Peggy Ashcroft, Art Malik, Charles Dance, Paul Scott, Christopher Morahan, Jim O'Brien, 1984 **The Making of The Jewel in the Crown**, 1983-01-01 *The Jewel in the Crown (the Raj Quartet)*. Fictions of 1947 Kate Marsh, 2007 The end of the British Raj and the creation of the two states of India and Pakistan in August 1947 is a recognizable narrative within British Anglophone culture and colonial history In contrast the persistence of

the five French trading posts or comptoirs on the Indian subcontinent until 1954 remains largely ignored by both French and British historians of French colonialism and the popular culture of the Hexagone In examining metropolitan French language representations of Indian decolonization this book demonstrates the importance of the British imperial loss in 1947 as a reference point within French cultural production The critical investigation into the strategies of representation used problematizes existing Anglophone theoretical models by critics such as Said Bhabha and Spivak for the analysis of colonial discourse It reveals that French language representations of Indian decolonization cannot be fully appreciated without engaging methodologically with France s politically subordinate status in India The book thus challenges the commonly accepted binary between colonizer and colonized proposing in its place a triangular model composed of the colonized India the subaltern colonizer France and the dominant colonizer Britain Through a systematic critical evaluation of the range of texts journalistic intellectual political and literary produced in metropolitan France by authors such as Romain Rolland Jean Rous H l ne Cixous Catherine Cl ment and Marguerite Duras the book challenges the current postcolonial orthodoxy that the story of Indian decolonization is solely an Anglophone space

Allegories of Empire Jenny Sharpe, *Allegories of Empire* was first published in 1993 *Allegories of Empire* re constellates a metropolitan masterpiece Forster s *A Passage to India* within colonial discourse studies Sharpe a materialist feminist is scrupulous in her use of theory to articulate nationalism historical race gendering and contemporary feminist critique Gayatri Chakravorty Spivak Columbia University Jenny Sharpe has done a great service in opening up the virtually taboo subject of the rape of the white woman by the colored man and furthermore in teaching us theory making by locating this frenzy of fantasy and reality within a specific crisis of European colonialism in India In showing how a wild anthropology must continuously rework feminism in the face of racism and vice versa she shows how the margins of empire were and still are at its center Michael Taussig New York University *Allegories of Empire* introduces race and colonialism to feminist theories of rape and sexual difference deploying women s writing to undo the appropriation of English universal womanhood for the perpetuation of Empire Sharpe brings the historical memory of the 1857 Indian Mutiny to bear upon the theme of rape in British and Anglo Indian fiction She argues that the idea of Indian men raping white women was not part of the colonial landscape prior to the revolt that was remembered as the savage attack of mutinous Indian soldiers on defenseless English women By showing how contemporary theories of female agency are implicated in an imperial past Sharpe argues that such models are inappropriate not only for discussion of colonized women but for European women as well Ultimately she insists that feminist theory must begin from difference and dislocation rather than from identity and correspondence if it is to get beyond the race gender class impasse Jenny Sharpe received her Ph D in comparative literature at the University of Texas at Austin and is currently a professor of English at the University of California at Los Angeles She has contributed articles to *Modern Fiction Studies* *Genders* and *boundary 2*
