Code of Silence Lise Olsen, 2021-10-26 Winner of the 2021 IRE Book Award Winner of the 2022 Texas Institute of Letters Carr P Collins Award for Best Book of Nonfiction In the age of MeToo learn how brave whistleblowers have dared to lift the federal court s veil of secrecy to expose powerful judges who appear to defy laws they have sworn to uphold Code of Silence tells the story of federal court employee Cathy McBroom who had to flee her job as a case manager in Galveston Texas after enduring years of sexual harassment and assault by her boss US District Judge Samuel Kent Following a decade of firsthand reporting at the Houston Chronicle investigative reporter Lise Olsen charts McBroom s assault and the aftermath when McBroom was thrust into the role of whistleblower to denounce a federal judge What Olsen discovered by investigating McBroom s story and other federal judicial misconduct matters nationwide was shocking With the help of other federal judges Kent was being protected by a secretive court system that has long tolerated or ignored complaints about corruption sexism and sexual misconduct enabling him to remain in office for years Other powerful judges accused of judicial misconduct were never investigated and remain in power or retired with full pay such as US Circuit Judge Alex Kozinski and Kozinski s mentee Brett Kavanaugh McBroom s ultimate triumph is a rare story of redemption and victory as Judge Kent became the first and only federal judge to be impeached for sexual misconduct Olsen also weaves in narratives of other brave women across the country who at great personal risk have reported federal judges to reveal how sexual harassment and assault occur elsewhere inside the federal court system The accounts of the women and their allies who are still fighting for reforms are moving intimate and inspiring including whistleblowers and law professors like Leah Litman Emily Murphy and novelist Heidi Bond who emerged to denounce Kozinski in 2017 A larger group of women and men banded together to form a group called Law Clerks for Accountability which is continuing to push for more reforms to the courts secretive complaint review system Code of Silence also reveals the role the press plays in holding systems of power in check Kent would not have been charged had it not been for Olsen s reporting and the Houston Chronicle s commitment to the story

The British Drama ,1832

The British Drama Anonymous,2022-10-25 Reprint of the original first published in 1859

The British drama; a collection of the most esteemed tragedies, comedies, operas, and farces, in the English language British drama,1824 **Lamentations of Youth** Gershom Scholem,2007 For decades Gershom Scholem kept these diaries locked away returning to them only to refresh his memory of past events and eloquent observations They remained unread by others until the meticulously edited German edition of this book appeared in 2002 Lamentations of Youth gives insight into a crucial stage in Scholem s life beginning when he was a student in Berlin during the First World War a time of incubation and growth for his later ideas Much of the journal writing however took place in Switzerland a magnet for radical artists socialist intellectuals and revolutionaries fleeing war The diaries are where Scholem forges his anarchic orthodoxy and where he chronicles his intense relationship with Walter Benjamin Many entries have the crisp quality of literary aphorisms crafted in the great German tradition of Kafka and Canetti For Scholem and Benjamin the time they spent

together in Switzerland spawned an astoundingly original view of literary criticism interpretation and cultural transmission More personally the themes of friendship love and heartbreak that dominate these pages later reemerge in Scholem's scholarship No longer is the inner life of the critic seen as distinct from his textual criticism they are deeply and esoterically intertwined *Digest*, 1923 *Women and Desire* Polly Young-Eisendrath, 2023-02-08 Polly Young-Eisendrath's *Women and Desire* Beyond Wanting to Be Wanted was first published by Harmony Books in 1999 Since then it has become a classic read for those readers to use a cinematographic expression who want to use analytical psychology to shed light on what women want This book when first published was described and still is as provocative and vital More than 20 years after its publication this book still shows effectively how to break out of this double bind so that women can encounter the challenges of choice and responsibility for our own desires The author wisely uses mythological and personal stories to help us take control of our sexual relational material and spiritual lives Therefore If you feel confused resentful or trapped in a life that does not seem to be fully yours then you can find a clear path to your true self once and for all with the help of *Women and Desire* This book is the second of the series titled *Jungianum Re-Covered Classics in Analytical Psychology* curated by Stefano Carpani **Harper's Bazaar**, 1883 **Every Saturday**, 1873 *The British drama; a collection of the most esteemed tragedies*, 1859
