The Latin Deli Judith Ortiz Cofer, 2012-03-15 Reviewing her novel *The Line of the Sun* the New York Times Book Review hailed Judith Ortiz Cofer as a writer of authentic gifts with a genuine and important story to tell Those gifts are on abundant display in *The Latin Deli* an evocative collection of poetry personal essays and short fiction in which the dominant subject the lives of Puerto Ricans in a New Jersey barrio is drawn from the author's own childhood Following the directive of Emily Dickinson to tell all the Truth but tell it slant Cofer approaches her material from a variety of angles An acute yearning for a distant homeland is the poignant theme of the title poem which opens the collection Cofer's lines introduce us to a woman of no age presiding over a small store whose wares Bustelo coffee jamon y queso green plantains hanging in stalks like votive offerings must satisfy however imperfectly the needs and hungers of those who have left the islands for the urban Northeast Similarly affecting is the short story Nada in which a mother's grief over a son killed in Vietnam gradually consumes her Refusing the medals and flag proffered by the government Tell the Mr President of the United States what I say No gracias as well as the consolations of her neighbors in El Building the woman begins to give away all her possessions The narrator upon hearing the woman say nada reflects I tell you that word is like a drain that sucks everything down As rooted as they are in a particular immigrant experience Cofer's writings are also rich in universal themes especially those involving the pains confusions and wonders of growing up While set in the barrio the essays American History Not for Sale and The Paterson Public Library deal with concerns that could be those of any sensitive young woman coming of age in America romantic attachments relations with parents and peers the search for knowledge And in poems such as The Life of an Echo and The Purpose of Nuns Cofer offers eloquent ruminations on the mystery of desire and the conflict between the flesh and the spirit Cofer's ambitions as a writer are perhaps stated most explicitly in the essay The Myth of the Latin Woman I Just Met a Girl Named Maria Recalling one of her early poems she notes how its message is still her mission to transcend the limitations of language to connect through the human to human channel of art

U.S. Latino Literature Margarite Fernández Olmos, Harold Augenbraum, 2000-09-30 In the past ten years literature by U S Latinos has gained an extraordinary public currency and has engendered a great deal of interest among educators Because of the increase in numbers of Latinos in their classrooms teachers have recognized the benefits of including works by such important writers as Sandra Cisneros Julia Alvarez and Rudolfo Anaya in the curriculum Without a guide introducing courses on U S Latino literature or integrating individual works into the general courses on American Literature can be difficult for the uninitiated While some critical sources for students and teachers are available none are dedicated exclusively to this important body of writing To fill the gap the editors of this volume commissioned prominent scholars in the field to write 18 essays that focus on using U S Latino literature in the classroom The selection of the subject texts was developed in conjunction with secondary school teachers who took part in the editors course This resultant volume focuses on major works that are appropriate for high school and undergraduate study including Judith Ortiz Cofer's *The Latin Deli* Piri Thomas *Down These Mean Streets* and Cisneros *The House on Mango Street* Each chapter in this Critical Guide provides pertinent biographical background on the author as well as contextual information that aids in understanding the literary and cultural significance of the work The most valuable component of the critical essays the Analysis of Themes and Forms helps the reader understand the thematic concerns raised by the work particularly the recurring issues of language expression and cultural identity assimilation and intergenerational conflicts Each essay is followed by specific suggestions for teaching the work with topics for classroom discussion Further enhancing the value of this work as a teaching tool are the selected bibliographies of criticism further reading and other related sources that complete each chapter Teachers will also find a Sample Course Outline of U S Latino Literature which serves as guide for developing a course on this important subject
