

The Making of Eurosceptic Britain

Second Edition

CHRIS GIFFORD

The Making Of Eurosceptic Britain

Adam Harmes

The Making Of Eurosceptic Britain:

The Making of Eurosceptic Britain Chris Gifford, 2008 Populist Euroscepticism has become fundamental to constituting Britain and Britishness in a post imperial context despite membership of the European Union This book is organized chronologically providing overviews of key periods in the British European Union relationship *The Making of Eurosceptic Britain* Dr Chris Gifford, 2014-10-28 What has been the political impact of the Eurozone Debt Crisis in the UK To what extent have the bank collapses and bailouts reinforced Britain's Eurosceptic trajectory In this revised and updated second edition Chris Gifford addresses these key questions reflecting on the Labour government's approach to Europe while exploring the extensive mobilisation of Eurosceptic forces in opposition to the Conservative led coalition government **The Making of Eurosceptic Britain** Chris Gifford, 2017-11-30 Offering a radical interpretation of a major political issue Chris Gifford moves beyond existing narrative and institutional accounts of Britain and Europe to present a theoretically coherent and unique perspective on this troubled relationship He acknowledges that populist Euroscepticism has become fundamental to constituting Britain and Britishness in a post imperial context despite membership of the European Union Organized chronologically this interesting study provides lucid overviews of key periods in the British European Union relationship It combines political economy with political identity to illustrate how forms of Euroscepticism have become embedded across the British political class and culture The book focuses not on outlining history or the impact of British integration on British institutions but on the ways in which elite behaviour towards European integration should be analyzed as practices and discourses that use Euroscepticism to construct Britain and distinctive British political projects British Euroscepticism and the Eurozone Crisis 2008-2013 Mohamed Elabed, 2018-12-10 This book provides a thorough examination of the phenomenon of Euroscepticism in the United Kingdom It begins by arguing that Euroscepticism has roots as far back as when the process of European integration first came into being and that it is not new in British politics As a suggestion of opposition to the process of European integration Euroscepticism dates back to the early days of founding a union in Western Europe This book shows that Eurosceptic Britain is a product of a variety of factors particularly related to history politics culture and geography The unique specificities of the British political system comprise another important reason for Eurosceptic attitudes in Britain The book also examines the relation between the Eurosceptic discourse in Britain and the structure of the European Union's institutions It argues that much of British Euroscepticism is about the way these institutions are operated Most importantly it highlights that the enduring Eurozone crisis has contributed to shaping recent varieties of scepticism towards the European Union as a whole before concluding that Euroscepticism could not relocate Britain outside its natural place within Europe The Reinvention of Britain 1960-2016 Scott Newton, 2017-08-25 The Reinvention of Britain 1960-2016 explores the transformation of contemporary Britain tracing its evolution from the welfare state of the post 1945 era to social democracy in the 1960s and 1970s and the liberal market society of 1979 onwards

Focusing primarily on political and economic change it aims to identify which elements of State policy led to the crucial strategy changes that shaped British history over the past six decades This book argues that since 1960 there have been two reinventions of the political economy of the United Kingdom a social democratic shift initiated by the Conservative government of Harold Macmillan and developed by Labour under Harold Wilson and a subsequent change of direction towards a free market model attempted by the Conservatives under Margaret Thatcher Structured around these two key policy reinventions of the late twentieth century chapters are organized chronologically from the development of social democracy in the early 1960s to the coalition government of the early 2010s the Conservative election win that followed and the Brexit referendum of 2016 Providing a comprehensive yet accessible introduction to the political and economic history of this period The Reinvention of Britain 1960 2016 is essential reading for all students of contemporary British history

Understanding Euroscepticism Cécile Leconte, 2010-08-31 This timely text provides a concise and readable assessment of the dynamics character and consequences of opposition to European integration at all levels from elites and governments through parties and the media to voters and grass roots organizations **The UK Challenge to Europeanization** Karine

Tournier-Sol, 2016-04-29 This timely contribution pulls no punches and views the UK as institutionally Eurosceptic across politics and society from the press to defence It represents a rich and original contribution to the emerging field of Eurosceptic studies and a key contribution to this important issue **Britain and the European Union** David

Gowland, 2022-04-07 This engaging and concise new edition offers the student and general reader a compact readable treatment of British membership of the European Union EU from 1973 up until the present day and Brexit with detailed analysis of the period 1945 1972 accounting for Britain's absence from the formation of the EU It provides a highly distilled and accessible analysis and overview of some of the parameters and recurring features of Britain's membership of the European Union touching on all the major facets of membership at this critical time in Britain's relationship with Europe Key features of the new edition examines the constant and changing character of British membership of the EU discusses the problematical and often paradoxical features of EU membership familiarises the reader with both academic and public debates about the subject offers thematic treatment of all aspects of policy and attitudes towards the EU significantly restructured and updated to include the origins of the decision to hold a referendum on UK membership of the EU the campaign explanations for its outcome and the course substance and implications of the UK EU Brexit negotiations This book will be of key interest to scholars students and the generally interested reader in the areas of European Politics Studies British Politics EU Politics Studies Area Studies and International Relations Political Parties and Euroscepticism L.

Topaloff, 2012-07-06 An exploration of what drives party based Euroscepticism and why some parties are Eurosceptic This book looks at what makes mainstream opposition parties careful not to appear Eurosceptic and asks whether Euroscepticism is an aberration of politics an extreme populist ideology or just politics as usual **The Politics of Fiscal Federalism**

Adam Harmes, 2019-05-13 What does federalism have to do with the political struggle between conservatives and progressives over economic policy How do economic theories of fiscal federalism influence European North American and global forms of governance In the first comprehensive account of the left right politics of multilevel governance across federal regional and global levels Adam Harmes identifies both free market and interventionist political projects related to fiscal federalism Harmes argues that these political projects and the interests that promote them explain a diverse range of phenomena across national contexts across levels of governance and over time This includes the left right dynamics of US and Canadian federalism the free market origins of British euroscepticism and the Brexit vote the complex politics behind the NAFTA renegotiations and the emergence of both populist and progressive challenges to global free trade A highly accessible outline of fiscal federalism theory *The Politics of Fiscal Federalism* also expands upon the broader value and policy differences between neoliberal classical liberal and Keynesian welfare economics on issues such as the role of the state subnational and global trade economic nationalism and monetary integration This original and innovative work demonstrates that a political economy approach is essential to the study of federalism and why federalism and multilevel governance is a critical area of study for political economists *Europe, Nations and Modernity* A. Ichijo, 2011-10-03 This work offers a fresh perspective to the study of Europe by placing the discussion of What is Europe and What is it to be European in a wider context of the study of modernity through a collection of nine case studies *Eurovisions: Identity and the International Politics of the Eurovision Song Contest since 1956* Julie Kalman, Ben Wellings, Keshia Jacotine, 2019-11-19 This book uses the Eurovision Song Contest ESC as an analytical entry point to understand and illuminate post War Europe and the drive to create an identity that can legitimise the European project in its broadest sense The ESC presents an idealised vision of Europe and this has long existed in a strained relationship with reality While the trajectory of post war European integration is a high profile topic we believe that the ESC offers a unique and innovative way to think about the role of culture in the history of post War European integration and tensions between the ideal and reality of European unity Through the series of case studies that make up the chapters in this book analysis brings these interlinked tensions to light exploring the roles of culture and identity alongside and a productive conversation with the political and economic projects of post war European integration **British Novels and the European Union** Lisa Bischoff, 2023-03-08 This book looks at the cultural political and economic conditions of British Euroscepticism Focusing on eight British dystopian novels published in the years before the decisive In Out Referendum and taking into account cultural political and economic contexts Lisa Bischoff shows how the novels stance towards the integration project range from slight criticism to outright hostility The wide availability of the novels and the prominence of both its authors and readers among which are political figures David Cameron Nigel Farage and Daniel Hannan amplify the power of literary Euroscepticism Drawing on cultural studies literature and social science *British Novels and the European Union* reveals the many facets of British Euroscepticism *The first referendum* Lindsay

Aqui,2020-08-04 Although the United Kingdom's entry to the European Community EC in 1973 was initially celebrated by the end of the first year the mood in the UK had changed from hope to uncertainty When Edward Heath lost the 1974 General Election Harold Wilson returned to No 10 promising a fundamental renegotiation and referendum on EC membership By the end of the first year of membership 67% of voters had said yes to Europe in the UK's first ever national referendum Examining the relationship between diplomacy and domestic debate this book explores the continuities between the European policies pursued by Heath and Wilson in this period Despite the majority vote in favour of maintaining membership Lindsay Aqui argues that this majority was underpinned by a degree of uncertainty and that ultimately neither Heath nor Wilson managed to transform the UK's relationship with the EC in the ways they had hoped possible **The UK's**

Relationship with Europe John Todd,2016-06-16 This book provides an accessible and timely analysis of how the British discourse on Europe has evolved over the past forty years It focuses on three key episodes the 1975 referendum on the UK's continued membership of the European Economic Community the 1992-3 debates on ratification of the Maastricht Treaty and the more recent proto referendum debates sparked by David Cameron's Bloomberg speech in January 2013 Using a discourse analytical approach the book analyses how political and media voices seek to delineate a British sense of self from a Continental other Importantly the book also pays close attention to the rising prominence of immigration issues within the British discourse on Europe **The Faces of Contemporary Populism in Western Europe and the US** Karine

Tournier-Sol,Marie Gayte,2021-01-04 This edited book aims to contribute to the political science scholarship on populism by focusing on the contemporary manifestations of populism in light of the current context Populism has gone global with populist parties gaining considerable ground particularly in the last decade populists are now in government in almost every part of the globe In so doing this book not only takes stock of the previous work on populism but also builds upon it to further deepen our understanding of the phenomenon and take research forward The authors explore different facets of the most recent manifestations of populism trying to engage in new avenues as suggested by recent and authoritative academic work The approach is comparative and multi dimensional with a cross regional focus on Western Europe and the USA The 12 contributions gathered in this book address a wide spectrum of aspects many of which are largely understudied *The road*

to Brexit Ina Habermann,2020-05-18 This collection explores British attitudes to Continental Europe that explain the Brexit decision Addressing British European entanglements and the impact of British Euroscepticism the book argues that Britain is in denial about the strength of its ties to Europe The volume brings together literary and cultural studies history and political science in an integrated analysis of views and practices that shape cultural memory Part one traces the historical and political relationship between Britain and Europe whilst Part two is devoted to exemplary case studies of films as well as popular Eurosceptic and historical fiction Part three engages with border mindedness and Britain's island story The book is addressed both to specialists in cultural studies and a wider audience interested in Brexit **Evolving Euroscepticisms in**

the British and Italian Press Paul Rowinski, 2017-10-10 This book argues the discursive construction of the EU in national newspapers is pivotal in creating an environment of Euroscepticism It will challenge the persuasive manipulative and prejudicial language sometimes peddled in the influential UK Murdoch and Italian Berlusconi press The foci are the key Eurosceptic triggers of the euro the subsequent national economic crises and immigration investigated through major events covered over two decades including the UK's recent Brexit vote The book will explore the national responses to the post war project how the EU is understood through the prism of nationhood and how that has now manifested itself in Euroscepticism in both countries lastly articulated through interviews with British and Italian politicians and journalists involved It will include Euroscepticism's latest chapter The increasingly key protagonists of the UK Independence Party and Italy's Five Star Movement want to take Britain out of the EU and Italy out of the euro covered in the Murdoch and Berlusconi press This book offers a rigorous academic analysis presented in an accessible style to experts and laypersons alike exploring concrete articulations of Euroscepticism in the press **Selling the Public Short**

Brexit David Ramiro Troitiño, Tanel Kerikmäe, Archil Chochia, 2018-02-19 While the discussions among Brexiters mainly focus on the referendum of 2016 or David Cameron's great miscalculation and its repercussions this book looks at the Brexit as a process that began decades earlier It analyses EU UK relations from a new perspective taking into consideration the historical background political aspects and legal and economic matters The book provides a holistic understanding of the Brexit approaching the referendum and its outcomes as the culmination of a long process rather than an isolated political event crafted within the corridors of Westminster or Downing Street 10 Accordingly it addresses a range of thematic issues historical patterns of political and economic behavior both within and beyond the United Kingdom and possible future effects on relations between the Union and one of its most important members

Opposing Europe in the European Parliament Nathalie Brack, 2017-10-20 The book provides an in depth analysis of Eurosceptics strategies in the European Parliament It explores the paradoxical situation of Eurosceptic MEPs particularly successful during EP elections how then once elected do they operate in a political system they oppose This book analyses how Eurosceptic MEPs conceive and carry out their mandate within the institution On the basis of more than 100 interviews it proposes a typology of four strategies developed by these actors It also explains the diversity of Eurosceptics strategies showing the relevance of the interaction between the institutional context and the individuals preferences With the growing success of Eurosceptic parties and the challenges they pose to the future of integration this study also reflects on the consequences of their presence for the EP and for the legitimacy of the EU This book will be of interest to students and scholars of European politics European integration comparative politics legislative studies and political parties

The Making Of Eurosceptic Britain Book Review: Unveiling the Power of Words

In a world driven by information and connectivity, the ability of words has become more evident than ever. They have the ability to inspire, provoke, and ignite change. The Making Of Eurosceptic Britain Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Making Of Eurosceptic Britain has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Making Of Eurosceptic Britain has opened up a world of possibilities. Downloading The Making Of Eurosceptic Britain provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Making Of Eurosceptic Britain has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Making Of Eurosceptic Britain. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Making Of Eurosceptic Britain. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Making Of Eurosceptic Britain, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability

to download The Making Of Eurosceptic Britain has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Making Of Eurosceptic Britain Books

1. Where can I buy The Making Of Eurosceptic Britain books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
