**Barbed Wire Kisses** Zoe Howe,2025-03      **The Jesus and Mary Chain** Zoe Howe,2014-11-11 Musically culturally and even in terms of sheer attitude the Jesus and Mary Chain stand alone Their seminal debut album Psychocandy changed the course of popular music and their iconic blend of psychotic white noise and darkly surreal lyrics that presaged the shoegaze movement continues to enchant and confound Zo Howe s biography is the fierce frank and funny tale of the Jesus and Mary Chain told by the band members and their associates for the very first time The story begins in the faceless town of East Kilbride near Glasgow at the dawn of the 1980s with two intense chronically shy brothers Jim and William Reid listening to music in their shared bedroom What follows charts an unforgettable journey complete with incendiary live performances their pivotal relationship with Alan McGee s Creation Records and those famous fraternal tensions with plenty of feedback fighting and crafting perfect pop music along the way It is high time this vastly influential group and sometime public enemy had their say      **The Jesus and Mary Chain** Zoë Howe,2024-05-01 Howe does a fantastic job at unveiling a band that have been up until now shrouded in mystery comprehensively and beautifully wrought The Quietus Musically culturally and even in terms of sheer attitude the Jesus and Mary Chain stand alone Their seminal debut album Psychocandy changed the course of popular music and their iconic blend of psychotic white noise and darkly surreal lyrics that presaged the shoegaze movement continues to enchant and confound Zo Howe s biography is the fierce frank and funny tale of the Jesus and Mary Chain told by the band members and their associates for the very first time The story begins in the faceless town of East Kilbride near Glasgow at the dawn of the 1980s with two intense chronically shy brothers Jim and William Reid listening to music in their shared bedroom What follows charts an unforgettable journey complete with incendiary live performances their pivotal relationship with Alan McGee s Creation Records and those famous fraternal tensions with plenty of feedback fighting and crafting perfect pop music along the way It is high time this vastly influential group and sometime public enemy had their say The story is skillfully told and the book brings loads of chronologically arranged and sometimes hilarious details to the reader PopDiggers A touching story of kids in the music business recalled by their adult selves A cut above the usual Euan McCollm The Scotsman A fitting tribute to the men in black Loud and Quiet Barbed Wire Kisses adroitly charts the Mary Chain s career Engaging throughout Record Collector four star review      **Barbed Wire Kisses** Zoë Howe,2014 Musically culturally and in terms of sheer attitude the Jesus and Mary Chain stand alone Their seminal debut album Psychocandy remains one of the true classic pop albums with its white noise Shangri Las sweetness and drawling lyrics This is the group Sonic Youth would have loved to be the group who according to manager Alan McGee of Creation sparked a legendary Sex Pistols style reign of terror throughout the 1980s the group who are firmly back in the world s consciousness after years of feedback fighting and drinking      **The Jesus and Mary Chain's Psychocandy** Paula Mejia,2016-10-20 The Jesus and Mary Chain s swooning debut Psychocandy seared through the underground and through the pop charts shifting the role of noise

within pop music forever Post punk and pro confusion Psychocandy became the sound of a generation poised on the brink of revolution establishing Creation Records as a tastemaking entity in the process The Scottish band s notorious live performances were both punishingly loud and riot spurring inevitably acting as socio political commentary on tensions emergent in mid 1980s Britain Through caustic clangs and feedback channeling the rage of the working class who d had enough Psychocandy gestures toward the perverse pleasure in having your eardrums exploded and loudness as a politics within itself Yet Psychocandy s blackened candy heart center calling out to phantoms Candy and Honey with an unsettling charm makes it a pop album to the core and not unlike the sugarcoated sounds the Ronettes became famous for in the 1960s The Jesus and Mary Chain expertly carved out a place where depravity and sweetness entwined emerging from the isolating underground of suburban Scotland grasping the distinct sound of a generation apathetic and uncertain The irresistible Psychocandy emerged as a clairvoyant account of struggle and sweetness that still causes us to grapple with pop music s relation to ourselves

*Sea Monsters* Chloe Aridjis,2020-02-18 Winner of the 2020 PEN Faulkner Award for Fiction this intoxicating story of a teenage girl who trades her a middle class upbringing for a quest for meaning in 1980s Mexico is a surreal captivating tale about the power of a youthful imagination the lure of teenage transgression and its inevitable disappointments Los Angeles Review of Books One autumn afternoon in Mexico City seventeen year old Luisa does not return home from school Instead she boards a bus to the Pacific coast with Toma s a boy she barely knows He seems to represent everything her life is lacking recklessness impulse independence Toma

s may also help Luisa fulfill an unusual obsession she wants to track down a traveling troupe of Ukrainian dwarfs According to newspaper reports the dwarfs recently escaped a Soviet circus touring Mexico The imagined fates of these performers fill Luisa's surreal dreams as she settles in a beach community in Oaxaca Surrounded by hippies nudists beachcombers and eccentric storytellers Luisa searches for someone anyone who will promise no matter what to remain a mystery It is a quest more easily envisioned than accomplished As she wanders the shoreline and visits the local bar Luisa begins to disappear dangerously into the lives of strangers on Zipolite the Beach of the Dead Meanwhile her father has set out to find his missing daughter A mesmeric portrait of transgression and disenchantment unfolds Set to a pulsing soundtrack of Joy Division Nick Cave and Siouxsie and the Banshees *Sea Monsters* is a brilliantly playful and supple novel about the moments and mysteries that shape us Aridjis is deft at conjuring the teenage swooniness that apprehends meaning below every surface Like Sebald's or Cusk's her haunted writing patrols its own omissions The figure of the shipwreck looms large for Aridjis It becomes a useful lens through which to see this book which is self contained inscrutable and weirdly captivating like a salvaged object that wants to return to the sea Katy Waldman *The New Yorker*      *China Rising: Capitalist Roads, Socialist Destinations* Jeff J. Brown, 2017-03-24 CHINA RISING the latest book by the author of *44 Days Backpacking in China* The Middle Kingdom in the 21st Century with the United States Europe and the Fate of the World in Its Looking Glass one of the most engaging political travelogues in recent memory is a comprehensive absorbing eye opening guide to China in the 21st century a volume which in 700 pp packs it all history personal memory sociology political analysis and above all a fair dose of invaluable first hand information designed to detoxify the Western reader's mind from the constant lies served by the Western media in support of Washington's global imperial agenda The result is a thorough rectification a deprogramming of just about everything we as Westerners have been taught to believe about China allowing us to see the Chinese people and their leaders as they really are ordinary human beings just like us with dreams foibles defects and a proud history extending millennia a people that in a century have overcome just about every scourge known to man famines massive drug addiction civil wars invasions grinding poverty and humiliation to become one of the great powers of this century perhaps the greatest and which today much as a result of its success is facing the undying hostility of the world's hegemon the United States itching for a confrontation to reassert imperial control It is thus indispensable for Westerners and Asians to know the truth of the situation what their governments are doing led by the USA behind their backs if the planet is to be spared a nuclear conflict of incalculable horror For as Brown indicates China will not back down this time and neither will Russia her strategic ally who faces the same type of constant harassment and bullying by the West also for having the audacity to defend her sovereignty and set her own foreign policy course The truth therefore must come out about key events from the so called Tiananmen Massacre organized by the CIA to who Mao Zedong really was and did a role for which he earned the love of his countrymen to this day It's a big job but the author an American fluent in Chinese a teacher by profession and with 15 years

residence in the Middle Kingdom and a cosmopolitan background is eminently qualified to meet the task Andre Vltchek himself a truth teller of distinction and a man who like Jeff Brown knows China well has endorsed CHINA RISING as a unique instrument of mind liberation Vltchek words are worth heeding The Western public should learn and remember one essential thing about China no matter what European and North American propaganda barks about the People s Republic China is much more democratic than the West It is democratic in its own way For thousands of years it developed its own political system Its rulers no matter who they are are given a conditional right to govern by the people In the past but even now it is called a Heavenly Mandate If the rulers fail to respect the will of the people they get deposed And the Communist Party of China is greatly respectful of the desires of the majority of the Chinese people When they want liberal reforms they are delivered When they want more Communism and an epic fight against corruption like now China s government immediately reacts It is powerful and democratic although it is a very specific and complex arrangement And now the Chinese people are outraged and they are sending clear signals to Beijing do not succumb to the West If you do our nation will suffer immensely and the rest of the world will turn to ashes The fate of the world hangs in the balance and only truth can prevent a global catastrophe     Westwind Ian Rankin,2020-01-07 For the first time in the US this timeless cat and mouse classic from the Edgar Award winning genius examines political tensions in an era of espionage Lee Child bestselling author of the Jack Reacher series In Europe the Americans are pulling out their troops in a tide of isolationism Britain torn between loyalties to America and the continent is caught in the middle Across the pond a space shuttle crashes on landing killing all but one of the crew on board A British citizen named Mike Dreyfuss who will become vilified by the US press and protesters Halfway across the world at English ground control headquarters Martin Hepton watches with dismay as they lose contact with the most advanced satellite in Europe When a colleague who suspects something strange disappears Hepton realizes there is much more at stake than anyone knows and many more people on his trail than he can possibly evade     **Goldmine Record Album Price Guide** Martin Popoff,2009-09-08 Whether you re cleaning out a closet basement or attic full of records or you re searching for hidden gems to build your collection you can depend on Goldmine Record Album Price Guide to help you accurately identify and appraise your records in order to get the best price Knowledge is power so power up with Goldmine 70 000 vinyl LPs from 1948 to present Hundreds of new artists Detailed listings with current values Various artist collections and original cast recordings from movies televisions and Broadway 400 photos Updated state of the market reports New feature articles Advice on buying and selling Goldmine Grading Guide the industry standard     The Rough Guide to Rock Peter Buckley,2003 Compiles career biographies of over 1 200 artists and rock music reviews written by fans covering every phase of rock from R B through punk and rap     *Revolution Rock* Amy Britton,2011-11-17 The ages of Thatcherism and New Labour are two of the most significant of the twentieth century and more alike than they would care to admit Out of these years of political turmoil have come many brilliant often politically dissenting British albums which have captured the
