**The Complete Kama Sutra** ,1994-01-01 This definitive volume is the first modern translation of Vatsyayana's Kama Sutra to include two essential commentaries the Jayamangala of Yashodhara and the modern Hindi commentary by Devadatta Shastri Alain Danilou spent four years comparing versions of the Kama Sutra in Sanskrit Hindi Bengali and English drawing on his intimate experience of India to preserve the full explicitness of the original I wanted to demystify India he writes to show that a period of great civilization of high culture is forcibly a period of great liberty

**Our Human Herds: The Theory of Dual Morality (Second Edition, Unabridged)** Stephen Martin Fritz, 2019-05-14 Let us imagine that somewhere in present day

South America a nation exists as the United States was constituted in 1789 George Washington is its president and Thomas Jefferson its secretary of state It is a nation that allows only white males to vote and its president cabinet officials and many of its citizens own slaves If the America of 1789 existed right now what would we think of it Would it be right to invade it in order to liberate its people Would we consider a complete embargo of it until it changed its ways Would it be a pariah among nations Or would we recognize and cooperate with it declaring its president and secretary of state political geniuses Maybe we would just do nothing and trust that in 100 or so years it will straighten itself out What would be the correct way to think of such a nation and its leaders Three hundred years ago if a woman was raped and became pregnant we d kill the rapist and spare the baby Today we spare the rapist and kill the baby One hundred years ago only heterosexual marriages were legal Today political leaders around the world are celebrating gay relationships How and why does our moral outlook change in such matters By the time you are done reading this book you will have concrete answers to these questions and many more This is a learned thoroughly researched study and dazzlingly bright The effervescent approach to writing makes its pages fly by Studies as brilliant as this one deserve a far wider audience An engrossing and mind expanding examination of morality

authors based on which he compiled his own Kama Sutra. He states that the seven parts of his work were an abridgment of longer works by Dattaka: first part Suvarnanabha, second part Ghotakamukha, third part Gonardiya, fourth part Gonikaputra, fifth part Charayana, sixth part Kuchumara, and seventh part Vatsyayana's Kama Sutra. The Kama Sutra has 1250 verses distributed in 36 chapters which are further organized into seven parts. According to both the Burton and Doniger translations, the contents of the book are structured into seven parts like the following:

- 1 General remarks: Five chapters on contents of the book, three aims and priorities of life, the acquisition of knowledge, conduct of the well-bred townsman, reflections on intermediaries who assist the lover in his enterprises.
- 2 Amorous advances: sexual union. Ten chapters on stimulation of desire, types of embraces, caressing and kisses, marking with nails, biting and marking with teeth, on copulation positions, slapping by hand and corresponding moaning, virile behavior in women, superior coition and oral sex, preludes and conclusions to the game of love. It describes 64 types of sexual acts, artistic depiction of a sex position. Although Kama Sutra did not originally have illustrative images, part 2 of the work describes different sex positions.
- 3 Acquiring a wife: Five chapters on forms of marriage, relaxing the girl, obtaining the girl, managing alone, union by marriage.

**Hopscotch with the Devil** Lori Garfinkle, 2012-02-08. When temptation propels her headfirst into the abyss, CHLOE, a thirty-five-year-old Manhattan-based author, finds herself ensnared in a mind game of the highest caliber. In her quest to dispel vulnerability as a myth, she crosses the line between fantasy and reality, falling prey to the electrifying side effects of a self-discovery so potent she has no choice but to complete her breakthrough. CHLOE is tempted into hell when her best friend, the infamous gay hairstylist Christophe, suggests that an online affair is just what she needs to spark her writing. In between juggling her husband Brads' Vicodin addiction, her brother Dylans' cocaine fetish, and her mother Cecile's overdose of daily Jewish guilt, Chloe surrenders her common sense for a dance down serendipity's back alley. What begins as a meeting of the minds before a meeting of the flesh soon spirals into a powerful seduction when Chloe meets Bryce, a British Commodities Trader with a posh accent and the ability to chisel away at her defenses like a grand European master. With humor and strength, Chloe struggles with the depths of her vulnerability as she seeks answers to life's multifaceted questions. What she ends up discovering is herself and exactly what it means to be human. From the high-powered worlds of New York and London to the pristine beaches of Cancun and Bora Bora, *Hopscotch With The Devil* is a laugh-out-loud adrenaline rush into the demons of emotion that simmer beneath the surface of a life filled with choice.
