The Landmark Thucydides

Robert B. Strassler

The Landmark Thucydides:

The Landmark Thucydides Thucydides, 2008-04 Chronicles two decades of war between Athens and Sparta *The Landmark Thucydides* Robert B. Strassler, 2017 Landmark Thucydides Robert B. Strassler, 1996 The Ship of State Norma Thompson, 2008-10-01 This provocative and illuminating book provides a new perspective on the development of political thought from Homer to Machiavelli Tocqueville and Gertrude Stein who is introduced here for the first time as a writer of political significance Providing nuanced readings of key texts by these and other thinkers Norma Thompson locates a powerful theme that the political health of organized political communities from the ancient polis to the modern state to contemporary democracy requires a balance between masculine and feminine qualities Although most critics view the Western tradition as a progression away from misogyny and toward rights for women Thompson contends that the need for balance in the political community was well understood in earlier eras Only now has it been almost entirely overlooked in our focus on surface indications of strict gender equality Thompson argues that political rhetoric must once again promote the reconciliation of masculine and feminine forces in order to achieve effective politics and statecraft Thucydides and the Pursuit of Freedom Mary P. Nichols, 2015-03-05 In this book Mary P Nichols argues for the centrality of the idea of freedom in Thucydides thought **The Cambridge Companion to Thucydides** Polly Low, 2023-03-09 A wide ranging introduction to one of the earliest and most influential works in the western historical tradition U.S. Army War College Guide to National Security Issues: Theory of war and strategy J. Boone Bartholomees, Army War College (U.S.). Strategic Studies Institute, 2012 This edition of the U S Army War College Guide to National Security Policy and Strategy continues to reflect the structure and approach of the core national security strategy and policy curriculum at the War College The 5th Edition is published in two volumes that correspond roughly to the Department of National Security and Strategy s core courses Theory of War and Strategy and National Security Policy and Strategy Like previous editions this one is based on its predecessor but contains both updates and new scholarship Over a third of the chapters are new or have undergone significant rewrites Many chapters some of which appeared for years in this work have been removed Nevertheless the book remains unchanged in intent and purpose Although this is not primarily a textbook it does reflect both the method and manner we use to teach strategy formulation to America s future senior leaders The book is not a comprehensive or exhaustive treatment of either strategic theory or the policymaking process Both volumes are organized to proceed from the general to the specific Thus the first volume opens with general thoughts on the nature and theory of war and strategy proceeds to look at the complex aspect of power and concludes with specific theoretical issues Similarly the second volume begins by examining the policy strategy process moves to a look at the strategic environment and concludes with some specific issues This edition continues the effort begun in the 4th Edition to include several short case studies to illustrate the primary material in the volume

Thucydides's Melian Dialogue and Sicilian Expedition Martha C. Taylor, 2019-01-17 Best known for his account of

the Peloponnesian War Thucydides c 454 c 395 b c was an Athenian general and historian This valuable commentary addresses the most famous part of Thucydides s narrative the Sicilian Expedition books 6 8 1 which resulted in a major defeat for Athens Designed for advanced undergraduate and graduate students of Greek Martha C Taylor s student friendly text is the first single volume in more than a century to focus on the expedition and the first to include the Melian Dialogue 5 84 116 considered the prelude to the invasion Many beginning readers of Thucydides require assistance with the author s often difficult constructions In her notes to the text Taylor breaks down Thucydides s convoluted sentences and explains them piece by piece Her notes also explain the author s many historical and literary references In her in depth introduction Taylor provides students with all the information they need to begin reading Thucydides She discusses what we know about the Greek author and what we do not and she analyzes his unique language and style To place the Sicilian Expedition in historical context she summarizes the events leading up to and following the Sicilian Expedition and she examines important aspects of Athenian democracy including Thucydides s presentation of the Athenian boule the city s advisory citizen council In addition to textual and historical commentary this volume includes three maps an appendix addressing the epitaph of Perikles 2 65 5 13 in which Thucydides appears to contradict his later presentation of the Sicilian Expedition source suggestions for student term papers on relevant topics and a general bibliography Thucydides s Melian Dialogue and Sicilian Expedition is designed for use with the Oxford Classical Text of Thucydides which is available online

The Historical Present in Thucydides: Semantics and Narrative Function Jean Lallot, Albert Rijksbaron, Bernard Jacquinod, Michel Buijs, 2011-03-21 After Etudes sur l aspect verbal chez Platon Saint Etienne 2000 the international Groupe de recherche sur l aspect verbal en grec now presents a second volume on verbal aspect in Ancient Greek which is devoted to the function s of the Historical Present in Thucydides In nine chapters the authors approach this subject from a variety of angles focusing inter alia on the HP of particular verbs and on its use in battle narratives or investigate Thucydides use of the HP from a comparative perspective They share one important assumption viz that the primary function of the HP is to mark events that were according to Thucydides of decisive importance for the development of the Peloponnesian War By its rich and detailed analyses the book provides important new insights into Thucydides narrative technique

Redeeming Thucydides' Book VIII Vasileios Liotsakis, 2017-06-12 Since antiquity Book 8 of Thucydides History has been considered an unpolished draft which lacks revision Even those who admit that the book has some elements of internal coherence believe that Thucydides if death had not prevented him would have improved many chapters or even the whole structure of the book Consequently while the first seven books of the History have been well examined through the last two centuries the narrative plan of Book 8 remains an obscure subject as we do not possess an extensive and detailed presentation of its whole narrative design Vasileios Liotsakis tries to satisfy this central desideratum of the Thucydidean scholarship by offering a thorough description of the compositional plan which in his opinion Thucydides put into effect in the last 109 chapters of his work His study elaborates

on the structural parts of the book their details and the various techniques through which Thucydides composed his narration in order to reach the internal cohesion of these chapters as well as their close connection to the rest of the History Liotsakis offers us an original approach not only of Book 8 but also of the whole work since his observations reshape our overall view of the History

The Lessons of Tragedy Hal Brands, Charles Edel, 2019-02-26 A brilliant examination of American complacency and how it puts the nation's and the world's security at risk The Wall Street Journal The ancient Greeks hard wired a tragic sensibility into their culture By looking disaster squarely in the face by understanding just how badly things could spiral out of control they sought to create a communal sense of responsibility and courage to spur citizens and their leaders to take the difficult actions necessary to avert such a fate Today after more than seventy years of great power peace and a quarter century of unrivaled global leadership Americans have lost their sense of tragedy They have forgotten that the descent into violence and war has been all too common throughout human history This amnesia has become most pronounced just as Americans and the global order they created are coming under graver threat than at any time in decades In a forceful argument that brims with historical sensibility and policy insights two distinguished historians argue that a tragic sensibility is necessary if America and its allies are to address the dangers that menace the international order today Tragedy may be commonplace Brands and Edel argue but it is not inevitable so long as we regain an appreciation of the world's tragic nature before it is too late

Literate and lucid sure to interest to readers of Fukuyama Huntington and similar authors as well as students of modern realpolitik Kirkus Reviews

Landmark Thucydides Robert B. Strassler, 1996

The Future of Strategy Colin S. Gray, 2016-02-01 Strategy is not a modern invention It is an essential and enduring feature of human history that is here to stay In this original essay Colin S Gray world renowned scholar of strategic thought discusses the meaning of strategy and its importance for politicians and the military as a means of achieving desired outcomes in complex uncertain conditions Drawing on a wide range of examples from the Great Peloponnesian War to the Second World War Vietnam and the ongoing conflicts in Iraq and Afghanistan Gray ably shows how great military thinkers of the past and present have acted strategically in their various ideological political geographical and cultural contexts Looking to the future he argues that strategy will continue to provide a vital tool kit for survival and security but that the global threat posed by nuclear weapons remains an on going challenge without obvious practical solutions As Gray boldly asserts there is no promised land ahead only hard and dangerous times that will require us to master the theory and practice of strategy to secure our own future

Trump and Political Philosophy Angel Jaramillo Torres, Marc Benjamin Sable, 2018-06-12 This book aims to recover from ancient and modern thinkers valuable arguments about statesmanship leadership and tyranny which illuminate reassessments of political science and practice after the election of Donald Trump Like almost everyone else contemporary political scientists were blind sided by the rise of Trump No one expected a candidate to win who repeatedly violated both political norms and the conventional wisdom about campaign best practices Yet many of the puzzles that Trump

s rise presents have been examined by the great political philosophers of the past For example it would come as no surprise to Plato that by its very emphasis on popularity democracy creates the potential for tyranny via demagoguery And perhaps no problem is more alien to empirical political science than asking if statesmanship entails virtue or if so in what that virtue consists This is a theme treated by Plato Aristotle and Machiavelli among others Covering a range of thinkers such as Confucius Plutarch Kant Tocqueville and Deleuze the essays in this book then seek to place the rise of Trump and the nature of his political authority within a broader institutional context than is possible for mainstream political science

The Cambridge Companion to Ancient Greek Political Thought Stephen Salkever, 2009-04-27 The Cambridge Companion to Ancient Greek Political Thought provides a guide to understanding the central texts and problems in ancient Greek political thought from Homer through the Stoics and Epicureans Composed of essays specially commissioned for this volume and written by leading scholars of classics political science and philosophy the Companion brings these texts to life by analysing what they have to tell us about the problems of political life Focusing on texts by Homer Herodotus Thucydides Plato and Aristotle among others they examine perennial issues including rights and virtues democracy and the rule of law community formation and maintenance and the ways in which theorizing of several genres can and cannot assist political practice

The Ancient Art of Thinking For Yourself Robin Reames, 2024-03-19 How rhetoric the art of persuasion can help us navigate an age of misinformation conspiracy theories and political acrimony The discipline of rhetoric was the keystone of Western education for over two thousand years Only recently has its perceived importance faded In this book renowned rhetorical scholar Robin Reames argues that in today s polarized political climate we should all care deeply about learning rhetoric Drawing on examples ranging from the destructive ancient Greek demagogue Alcibiades to modern day conspiracists like Alex Jones Reames breaks down the major techniques of rhetoric pulling back the curtain on how politicians journalists and journalists convince us to believe what we believe and to talk vote and act accordingly Understanding these techniques helps us avoid being manipulated by authority figures who don t have our best interests at heart It also grants us rare insight into the values that shape our own beliefs Learning rhetoric Reames argues doesn t teach us what to think but how to think allowing us to understand our own and others ideological commitments in a completely new way Thoughtful nuanced and leavened with dry humor The Ancient Art of Thinking for Yourself offers an antidote to our polarized post truth world

Brill's Companion to Thucydides Antonis Tsakmakis, Antonios Rengakos, 2006-09-30 This volume on Thucydides the most important historian of the ancient world comprises articles by thirty leading international scholars The contributions cover a wide range of issues including Thucydides life intellectual milieu and predecessors Thucydides and the act of writing his rhetoric historical method and narrative techniques narrative unity in the History the speeches Thucydides reliability as a historian and his legacy through the centuries Other topics dealt with include warfare religion individuals democracy and oligarchy the invention of political science Thucydides and Athens Sparta Macedonia

Thrace Sicily South Italy Persia and the Argives The volume aims to provide a survey of current trends in Thucydidean studies which will be of interest to all students of ancient history Brill's Companion to Thucydides was awarded Choice Outstanding Academic Title 2007 **Understanding Piety and Theology in the Culture of the West** Gregory Melleuish, Susanna G. Rizzo, 2025-12-05 This book provides a new and original approach to the Western tradition its foundations and the implications of its particular development for understanding the contemporary world Arguing that with the creation of writing in the Axial Age tradition took a theological form that placed emphasis on rationality and abstraction at the expense of piety which emerges from immediate experience and wonder Exploring the development of the West and its culture through the dance between theology and piety with theology always leading the authors consider the contemporary ascendancy of theology in the dominance of universities and the decline of poetry shedding light on the reflection of this tension in contemporary politics An examination of interplay of conflicting tendencies in Western civilisation and the need for balance Understanding Piety and Theology in the Culture of the West will appeal to scholars with interests in social theory historical sociology and cultural studies *Warrior Politics* Robert D. Kaplan, 2011-11-16 The side that knows when to fight and when not will take the victory There are roadways not to be traveled armies not to be attacked walled cities not to be assaulted Sun Tzu We live in dangerous times when a new kind of leadership is required Visionary and ruthlessly strategic Warrior Politics extracts the best of the wisdom of the ages for modern leaders who are faced with the complex life and death challenges of today's world and determined to win Sun Tzu urges leaders to plan and calculate like a hungry man Machiavelli defines a policy not by its excellence but by its outcome Churchill derives his greatness from his imagination of history Livy shows that the vigor to face down adversaries must ultimately come from pride in our own past achievements Never mind if they call your caution timidity your wisdom sloth your generosity weakness he writes It is better that a wise enemy should fear you than that foolish friends should praise Men often oppose a thing merely because they have no agency in planning it Alexander Hamilton says or because it may have been planned by those whom they dislike Replete with maxims warnings examples from history and shrewd recommendations Warrior Politics wrests from the past the lessons we need to arm ourselves for the present It offers an invaluable template for any decision maker in foreign policy or in business faced with high stakes and inadequate knowledge of a mine filled terrain As we gear ourselves up for a new kind of war no book is more prescient more shrewd or more essential **The Armies of Classical Greece** Everett L. Wheeler, 2017-05-15 The origin of the Western military tradition in Greece 750-362 BC is fraught with controversies such as the date and nature of the phalanx the role of agricultural destruction and the existence of rules and ritualistic practices This volume collects papers significant for specific points in debates or theoretical value in shaping and critiquing controversial viewpoints An introduction offers a critical analysis of recent trends in ancient military history and provides a bibliographical essay contextualizing the papers within the framework of debates with a guide to further reading

The Landmark Thucydides Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Landmark Thucydides has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Landmark Thucydides has opened up a world of possibilities. Downloading The Landmark Thucydides provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Landmark Thucydides has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Landmark Thucydides. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Landmark Thucydides. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Landmark Thucydides, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Landmark Thucydides has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Landmark Thucydides Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Landmark Thucydides is one of the best book in our library for free trial. We provide copy of The Landmark Thucydides in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Landmark Thucydides. Where to download The Landmark Thucydides online for free? Are you looking for The Landmark Thucydides PDF? This is definitely going to save you time and cash in something you should think about.
